I. Call to Order

II. Pledge of Allegiance

III. Certification of the Posting of the Notice of the Meeting

IV. Introductions, Special Guests, Recognitions

V. Closed Session

The Board of Trustees, in accordance with Section 551.001, et. seq. of the Texas Government Code will move into Closed Session under one or more of the following provision(s) of the ACT:
- Section 551.071 - Consultation with Attorney
- Section 551.072 - Deliberation Regarding Real Property
- Section 551.073 - Deliberation Regarding Prospective Gift
- Section 551.074 - Personnel Matters
- Section 551.076 - Deliberation Regarding Security Devices
- Section 551.087 - Economic Development Negotiations

VI. Reconvene Regular Meeting

VII. Workshop

VIII. Approval of the Minutes of the November 7, 2013 Workshop and Regular Meeting of the Board of Trustees

IX. Special Reports and Announcements

1. Chancellor

2. College Presidents
3. Vice Chancellors

4. Faculty Senate Presidents

X. Consideration of the Consent Agenda

(The purpose of the consent agenda is to allow the Board to identify and approve action items which require no additional information or discussion and for which there is unanimous approval. Trustees receive agenda materials one week in advance of the meeting to prepare for the business to be conducted.)

XI. Policy Considerations

1. Consideration of the Recommended Revisions of the Lone Star College System Board Policy Section IV.B.1.01 (FIRST READING)

2. Consideration of the Recommended Revisions of the Lone Star College System Board Policy Section IV.B.1.01 (ACTION ITEM 1)

XII. Curriculum Report and Consideration

1. Consideration of Approval of An Associate of Applied Science Degree (AAS) in Industrial Technology (60 credit hours) for Implementation at Lone Star College-North Harris for Fall 2014 (ACTION ITEM 2)

2. Consideration for Approval of An Associate of Applied Science (AS) Degree in Mechanical Engineering (60 credit hours) for Implementation Spring 2014 (ACTION ITEM 3)

XIII. Financial Reports and Considerations

1. Monthly Financial Statements

2. Consideration of Approval and Acceptance of the Comprehensive Annual Financial Report (CAFR) and the Independent Auditors’ Reports (ACTION ITEM 4)

3. Consideration of Approval to Renew Contract to Purchase Investment Advisors Services for the System (ACTION ITEM 5)

4. Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute Contracts to Purchase Architectural Services for the LSC-Creekside Satellite Center (Creekside) and Other Campus Renovation Projects (Renovation Projects) (ACTION ITEM 6)

5. Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute Contracts to Purchase Construction Management at Risk (CM-at-Risk)
Services for the LSC-Creekside Satellite Center (Creekside) and LSC-Fairbanks Center Parking Garage (the Fairbanks Garage) (ACTION ITEM 7)

6. Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute Agreements for the Purchase of Test and Balance Services for the System (ACTION ITEM 8)

7. Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute Contracts for the Purchase of Professional Mechanical, Electrical and Plumbing (MEP) Engineering Services for the System (ACTION ITEM 9)

8. Consideration of Approval to Purchase Ultrasound Machines for the Diagnostic Medical Sonography Program at LSC-CyFair (ACTION ITEM 10)

9. Consideration of Approval of Investment Broker/Dealers for FY 13-2014 (ACTION ITEM 11)

10. Consideration of Approval to Purchase Deliverables-Based Information Technology Services for the System (ACTION ITEM 12)

11. Consideration of Approval to Purchase Communication Equipment for the Police Radio System for the System (ACTION ITEM 13)

XIV. Buildings and Grounds Report

Construction Projects Update

XV. Personnel Reports and Considerations

1. Consideration of Ratification of Appointments (ACTION ITEM 14)

2. Consideration of Acceptance of Resignations (ACTION ITEM 15)

3. Consideration of Approval of Commissioning of Peace Officers (ACTION ITEM 16)

XVI. Suggested Future Agenda Items

XVII. Citizens Desiring to Address the Board

XVIII. Adjournment

The Board of Trustees, may at any time prior to adjournment, in accordance with Sections 551.001, et. seq. of the Texas Government Code, move into Closed Session under the following provisions(s) of the ACT:
Section 551.071 - Consultation with Attorney
Section 551.072 - Deliberation Regarding Real Property
Section 551.073 - Deliberation Regarding Prospective Gift
Section 551.074 - Personnel Matters
Section 551.076 - Deliberation Regarding Security Devices
Section 551.087 - Economic Development Negotiations
Certification of Posting of Notice to the December 5, 2013
Workshop and Regular Meeting of the
Lone Star College System’s
Board of Trustees

I, Richard Carpenter, Chancellor of the Lone Star College System, do hereby certify that a notice of this meeting was posted on Monday the 2nd day of December, 2013 in a place convenient to the public in the Administration Office of the Central Services and Training Center, on all college campuses and on the system website as required by Section 551.002 et seq., Texas Government Code. Special notice of the meeting was provided to the news media as required by Section 551.001 et seq., Texas Government Code.

Given under my hand this the 2nd day of December, 2013.

Richard Carpenter
Chancellor
MINUTES OF THE
WORKSHOP AND REGULAR MEETING OF THE BOARD OF TRUSTEES
LONE STAR COLLEGE SYSTEM
CENTRAL SERVICES AND TRAINING CENTER
TRAINING AND DEVELOPMENT CENTER BOARD ROOM
5000 RESEARCH FOREST DRIVE
THE WOODLANDS, TEXAS 77381-4356
November 7, 2013
5:00 p.m.

PRESENT: Dr. David Holsey, Chair
Ms. Priscilla Kelly, Secretary
Mr. David Vogt, Assistant Secretary
Ms. Linda Good
Mr. Robert Adam
Dr. Kyle Scott
Dr. Ron Trowbridge

ABSENT: Mr. Bob Wolfe, Vice Chair
Ms. Stephanie Marquard

I. CALL TO ORDER: Dr. Holsey called the workshop and regular meeting of the Board
of Trustees to order at 5:07 p.m. after determining that a quorum was present.

II. PLEDGE OF ALLEGIANCE: Dr. Scott led the Board and guests in reciting the Pledge
of Allegiance.

III. CERTIFICATION OF THE POSTING OF THE NOTICE OF THE MEETING:
Chancellor Carpenter confirmed that the Notice for the meeting had been properly
posted. No action was required. A copy is attached as Exhibit “A”.

IV. INTRODUCTIONS, SPECIAL GUESTS AND RECOGNITIONS: Dr. Keri Rogers,
vice chancellor of academic affairs introduced the Core Curriculum Committee members
and thanked them for their hard work and consensus building.

V. CLOSED SESSION: At 5:15 p.m. Dr. Holsey convened the Board in closed session, in
accordance with Section 551.001 et. seq. of the Texas Government Code under one or
more of the following provision(s) of the Act:

Section 551.071 - Consultation with Attorney
Section 551.072 - Deliberation Regarding Real Property
Section 551.073 - Deliberation Regarding Prospective Gift
Section 551.074 - Personnel Matters
Section 551.076 - Deliberation Regarding Security Devices
Section 551.087 - Economic Development Negotiations

Ms. Kelly entered the meeting at 5:20 p.m.
VI. **RECONVENE REGULAR MEETING:** Dr. Holsey reconvened the open meeting at 6:40 p.m.

VII. **WORKSHOP:** None

VIII. **APPROVAL OF THE MINUTES OF THE OCTOBER 10, 2013 WORKSHOP AND REGULAR MEETING:** Upon a motion by Ms. Good and a second to the motion by Ms. Kelly, the board unanimously approved the minutes of the October 10, 2013 Public Hearing and Workshop and Regular Meeting.

IX. **SPECIAL REPORTS AND ANNOUNCEMENTS:**

1. **Chancellor:** Chancellor Carpenter announced LSCS will receive the 2013 Paul Simon Award for Comprehensive Internationalization in recognition of LSCS international programs and strategic global partnership initiatives later this month. The LSCS-Small Business Development Center Small Business of the Year Awards will take place on November 14th honoring 18 successful small business owners from across our service area. The LSC Foundation will hold its annual golf tournament on November 25th at the Woodlands Country Club. LSCS-Kingwood will hold a dedication for The Lowlands Nature Trail & Boardwalks on November 16th. LSCS will hold two special dedications next month. The first dedication will name the Student Conference Center at LSC-Kingwood in honor of Chancellor Emeritus John Pickelman on December 10th and the second will name the Classroom Facility at LSC-Victory Center in honor of long time board member Randy Bates on December 16th. TACC announced the creation of a new Texas Success Center (TSC) that will provide statewide coordination of student success programs and policies.

2. **College Presidents:** Dr. Susan Karr, president of LSC-Tomball gave a presentation on All Kids Alliance at LSCS. This is a program that each campus has which engages a broad set of sectors of the community to come together to implement a cradle to career vision for education and development.

3. **Vice Chancellors:** Ray Laughter, vice chancellor of external affairs, acknowledged the various recipients throughout LSCS who received NCMPR (National Council for Marketing & Public Relations) Medallion Awards for outstanding achievement in communications at community and technical colleges. Members of the LSCS marketing and communication staffs were introduced.

4. **Faculty Senate Presidents:** Dr. Daria Willis, faculty senate president LSC-University Park, gave a presentation on the Doctoral Support Group and the recent DSG Grad School Expo held at University Park for LSCS employees interested in learning more about continuing their education in a master’s or doctoral program. More than 250 people attended and 36 four-year schools were represented.
X. **CONSIDERATION OF THE CONSENT AGENDA:** Dr. Holsey proceeded with the Consent Agenda. Mr. Adams made a motion to approve the Consent Agenda. Dr. Scott seconded the motion and the Board unanimously passed the Consent Agenda. A copy is attached as Exhibit “B”.

XI. **POLICY REPORT AND CONSIDERATIONS:**

1. Consideration of the Recommended Revisions of the Lone Star College System Board Policy C.2.01: Investment Management *(SECOND READING) (ACTION ITEM 1):* the board unanimously approved the recommended revisions of the Lone Star Board Policy C.2.01 Investment Policy. This item was passed in the Consent Agenda. A copy is attached as Exhibit “C”.

XII. **CURRICULUM REPORT AND CONSIDERATIONS:**

1. Consideration of Approval of Level 1 Certificate (32 credit hours) for implementation at Lone Star College Tomball and Lone Star College Cy-Fair for spring 2014 *(ACTION ITEM 2):* the board unanimously approves a Level 1 Certificate for Petroleum Data Technology. This item was passed in the Consent Agenda. A copy is attached as Exhibit “D”.

2. Consideration of Approval of the Core Curriculum for the Associate of Arts and the Associate of Science Degree for 2014 – 2015 *(ACTION ITEM 3):* the board unanimously approved the revised Associate of Arts and Associate of Science Core Curriculum for the 2014-2015 academic year. The revised core curriculum must be submitted to the Texas Higher Education Coordinating Board for final approval. This item was passed in the Consent Agenda. A copy is attached as Exhibit “E”.

XIII. **FINANCIAL REPORTS AND CONSIDERATIONS:**

1. **Monthly Financial Statements:** Ms. Cindy Gilliam, vice chancellor for administration and finance, presented the monthly financial statements for the month ended September 30, 2013. A copy is attached as Exhibit “F”.

2. Consideration of Approval to Purchase Equipment for the Energy and Manufacturing Program at LSC-University Park *(ACTION ITEM 4):* the board unanimously approved the purchase of equipment for the EMI at LSC-University Park in the amount of $195,900 from Mazak Corporation, 10950 Greenbend Blvd., Houston, TX 77067. This item was passed in the Consent Agenda. A copy is attached as Exhibit “G”.

3. Consideration of Approval to Purchase Starbucks Products to Support “We Proudly Brew” Programs at LSC-CyFair and LSC-Tomball *(ACTION ITEM 5):* the board unanimously approved the purchase of Starbucks products to support the “We Proudly Brew” programs at LSC-CyFair and LSC-Tomball from Sysco Food Service, 1390 Enclave Parkway, Houston, TX 77077-2099, for an amount not to exceed
$517,000 over five years. This item was passed in the Consent Agenda. A copy is attached as Exhibit “H”.

4. **Consideration of Approval to Purchase Additional Ink and Toner Cartridges and Printer Maintenance for the System (ACTION ITEM 6):** the board unanimously approves the purchase of additional ink and toner cartridges and printer maintenance for the System from Global Laser, Inc., 5805 Chimney Rock, Suite A, Houston, Texas 77081, in the amount of $300,000 bringing the total contract cost to $2,500,000 over the five year term. This item was passed in the Consent Agenda. A copy is attached as Exhibit “I”.

5. **Consideration of Approval to Renew System License for the Remote Hosting Application of the Online Early Alert System (OEAS) and Purchase Additional Consulting Services (ACTION ITEM 7):** the board unanimously approves the System license renewal for the remote hosting application of OEAS and the purchase of additional consulting services from Starfish Retention Solutions, 1400 Key Blvd., Suite 1050, Arlington, VA 22209, in the amount of $40,000 for a not-to-exceed total of $300,000 over the five year term. This item was passed in the Consent Agenda. A copy is attached as Exhibit “J”.

6. **Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute a Change Order for the Purchase of Supplemental Construction Services for the Energy and Manufacturing Institute (EMI) Building at LSC-University Park (ACTION ITEM 8):** the board unanimously authorizes the Chancellor or designee to negotiate a change order for the purchase of supplemental construction services for the EMI Building at LSC-University Park from Tellepsen Builders, L.P., 777 Benmar Drive, Suite 400, Houston, TX 77060, in the amount of $400,000, bringing the total construction contract to $13,726,632. This item was passed in the Consent Agenda. A copy is attached as Exhibit “K”.

7. **Consideration of Approval to Purchase Additional Internal Revenue Service (IRS) Form 1098-T Reporting Services for the System (ACTION ITEM 9):** the board unanimously approves the purchase of additional IRS Form 1098-T reporting services for the System from Educational Computer Systems, Inc. (ECSI), 181 Montour Run Rd., Coraopolis, PA 15108, in the amount of $60,000 bringing the total contract cost to $282,884 over the five year term. This item was passed in the Consent Agenda. A copy is attached as Exhibit “L”.

8. **Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute a Contract Amendment to Purchase Additional Janitorial Services for LSC-CyFair and LSC-Atascocita (ACTION ITEM 10):** the board unanimously approves the Chancellor or designee to negotiate and execute a contract amendment to purchase additional janitorial services from C & S Janitorial Services, 13940 Bammel N. Houston, Suite 308, Houston, Texas 77066, in the amount of $254,000, bringing the total contract cost to $348,475 for the eight month contract term. This item was passed in the Consent Agenda. A copy is attached as Exhibit “M”.

4
9. **Consideration of Approval of Authorization for the Chancellor or Designee to Negotiate and Execute a Lease Agreement for a Temporary Modular Building at LSC-Montgomery (ACTION ITEM 11):** the board unanimously approves the authorization of the Chancellor or designee to negotiate and execute a lease agreement for the temporary modular building at LSC-Montgomery from Williams Scotsman Corporation, 7915 FM 1960 West, Suite 115, Houston, Texas 77070, for an annual cost of $50,400, and a total cost of $151,200 if the optional two one year renewals are executed. In addition, there will be dismantling and return freight costs of $45,500 upon final expiration of the lease. This item was passed in the Consent Agenda. A copy is attached as Exhibit “N”.

10. **Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute an Agreement for the Purchase of Electricity Services (ACTION ITEM 12):** the board unanimously authorizes the Chancellor or designee to negotiate and execute an agreement for the purchase of electricity services from Energy For Schools (EFS), Two Park Ten Place, 16300 Katy Fwy, Suite 140, Houston, TX 77094, for a period of 36 months, beginning July 1, 2016 to June 30, 2019. This item was passed in the Consent Agenda. A copy is attached as Exhibit “O”.

11. **Consideration of Approval for the Chancellor or Designee to Negotiate and Execute a Contract for the Sale of the Original Conroe Center, located at 102 Longview Street, Conroe, TX 77301 (ACTION ITEM 13):** the board unanimously authorizes the Chancellor or his designee to negotiate and execute a contract for the sale of the original Conroe Center to Dirk D. Laukien, 24 Waterway Avenue, Suite 225, The Woodlands, Texas 77380, for a projected amount of $1.9 million dollars. This item was passed in the Consent Agenda. A copy is attached as Exhibit “P”.

**XIV. BUILDING AND GROUNDS REPORTS:**

Construction Projects Update: the Board reviewed the report as presented. A copy is attached as Exhibit “Q”.

**XV. PERSONNEL REPORTS AND CONSIDERATIONS:**

1. **Consideration of Ratification of Appointments (ACTION ITEM 14):** the Board unanimously ratified the appointments as presented. This item was passed in the Consent Agenda. A copy is attached as Exhibit “R”.

2. **Consideration of Acceptance of Resignations (ACTION ITEM 15):** the Board unanimously accepted the resignations as presented. This item was passed in the Consent Agenda. A copy is attached as Exhibit “S”.

3. **Consideration of Approval of Commissioning of Peace Officers (ACTION ITEM 16):** the Board unanimously approved the commissioning of the following peace officers for Lone Star College System: LSC-CyFair, Zahava Rais, LSC-Kingwood, Damon Robinson, LSC-Montgomery, Darrell Bailey, LSC-North Harris, Sharlene Hackett, LSC-Tomball, Robin Krath and LSC-University Park, Daniel Meza. This item was passed in the Consent Agenda. A copy is attached as Exhibit “T”.
XVI. **SUGGESTED FUTURE AGENDA ITEMS:** None.

XVII. **CITIZENS DESIRING TO ADDRESS THE BOARD:** Mr. James M. Ford, representing the Hispanic Executive Society International (HESI) presented an overview of HESI’s efforts to support education and expressed concerns about alleged Hispanic discrimination.

Dr. Larry Loomis Price spoke about LSCS hiring policy.

Dr. John Burgduff spoke on behalf of the American Federation of Teachers about the LSCS public comment period during the board meeting.

XVIII. **ADJOURNMENT:** There being no further business, the meeting was adjourned at 7:31 p.m.

**ATTEST:**

______________________________  ______________________________
Board of Trustees, Chair   Board of Trustees, Secretary
Consideration of Consent Agenda

A roll call of individual action items will determine the consent agenda. If a trustee has a question or plans to cast a negative vote regarding a specific recommendation, then the trustee/trustees need to acknowledge their intention to the Chair by show of hand during the roll call: this action item will be considered in the regular order of business as an individual action item.

Those action items that the trustees plan to approve without further question or discussion will be placed on the consent agenda during roll call of individual action items. Upon the creation of the consent agenda, a motion, a second to the motion and unanimous approval of the Board of Trustees is needed to approve the action items. Upon approval of the consent agenda, the Board of Trustees will proceed with the remainder of the agenda.

Rationale: The consent agenda format is an organization process for meetings that allows the governing board to focus their time and attention on action items that require more elaboration, information, and/or discussion. The intent of the consent agenda is to support efficiency and effectiveness of the meeting.

Request: Consideration of the Recommended Revision of the Lone Star College System Board Policy Section IV.B.1.01 (FIRST READING).

Chancellor’s Recommendation: That the Board of Trustees considers the recommended revision of the Lone Star College System Board Policy Section IV.B.1.01. This constitutes a first consideration with a request for approval during the February 2014 Board meeting.

Rationale: The recommended policy consideration will establish a category of employment for Workforce Skilled Trade Instructors who provide targeted workforce training that is identified through LSCS partnerships with business, government and community organizations.

Fiscal Impact: None

Staff Resource: Richard Carpenter 832-813-6515
Rand Key 832-813-6522
Brian Nelson 832-813-6655
IV.B.1.01 Appointment Categories

7. Workforce Skilled Trade Instructor: Refers to a contractual instructional employee whose duties are instructing, teaching and program and career development to meet workforce needs identified through LSCS partnerships with business, government and community organizations. Instructors may be hired on a full or reduced teaching load. Position has no right of continued employment with the system beyond the initial term of employment. The position offers no right of notice of non-renewal and service does not count towards eligibility for a multiyear contract or faculty status.
Request: Consideration of the Recommended Revisions of the Lone Star College System Board Policy Section IV.B.1.01

Chancellor’s Recommendation: That the Board of Trustees considers the recommended revisions of the Lone Star College System Board Policy Section IV.B.1.01(9).

Rationale: The recommended policy consideration will clarify the credit hour limitations for adjuncts per semester/academic year.

Fiscal Impact: None

Resource: Richard Carpenter 832-813-6515
Rand Key 832-813-6522
Brian Nelson 832-813-6655
IV.B.1.01 Appointment Categories

9. Adjunct: An employee who receives a limited per semester appointment to teach no more than nine (9) credit hours per semester not to exceed fifteen (15) credit hours in any given academic year.
Request: Consideration of Approval of an Associate of Applied Science Degree (AAS) in Industrial Technology (60 credit hours) for Implementation at Lone Star College-North Harris for Fall 2014.

Chancellor’s Recommendation: That the Board of Trustees approves an Associate of Applied Science Degree for Industrial Diesel Technology

Rationale: Employment projections indicate a need in the region for bus and truck mechanics and industrial diesel engine specialists to support the growth in the manufacturing and oil and gas industries. The Texas Workforce Commission’s (TWC) 10-year projections show 205 average annual openings in the Gulf Coast region from 2010 to 2020. More recent data projections from Economic Modeling Specialists Intl. (EMSI) show 247 openings between 2013 and 2014 due to both retirement and growth.

The Texas Workforce Commission (TWC TRACER) shows the median hourly wage for this occupation as $18.92 based on 2011 wage reports, and EMSI shows the median hourly wage as $19.50 in 2013. Regional job postings (Burning Glass) and state occupational databases indicate a need for this occupation to work in industries like Transportation and Warehousing (General Freight Trucking and Specialized Freight Trucking), Services (Automotive Repair and Maintenance) and Trade (Motor Vehicle and Motor Vehicle Parts and Supplies Merchant Wholesalers). Regionally, General Freight Trucking is the dominant industry employer group with 12.40 percent of the employment base for this occupation. In addition, our employers have validated these numbers with their specific employment needs.

The only colleges with a similar program in the Gulf Coast region are Houston Community College and San Jacinto College-North. HCC’s program has graduated 158 students over the past five years, and San Jacinto College’s program has graduated 188 over those past five years. The average annual graduation rate of 69 students shows an ongoing unmet demand for trained workers in this field (Texas Higher Education Coordinating Board (THECB) graduate data).

The THECB requires that the college district’s Board of Trustees approves new programs.

Fiscal Impact: Start-up funds available from Lone Star College new program funds and LSC-North Harris operating funds for 2013-14.

Vice Chancellor: Rand W. Key 832-813-6522
Request: Consideration of Approval of an Associate of Science (AS) Degree in Mechanical Engineering (60 credit hours) for Implementation Spring 2014.

Chancellor’s Recommendation: That the Board of Trustees approves an AS for Mechanical Engineering.

Rationale: Mechanical engineering is a branch of engineering that applies principles of engineering, basic science, and mathematics (including multivariate calculus and differential equations) for modeling, analysis, design, and realization of physical systems, components, or processes. Mechanical engineering curriculum also prepares students to work professionally in both thermal and mechanical systems areas. Mechanical engineering is one of the oldest and broadest engineering disciplines. (Texas Higher Education Coordinating Board)

This AS degree will follow the Community College Program of Study for Transfer to a Mechanical Engineering Program which is a part of a Tuning Agreement through the Texas Higher Education Coordinating Board. Fifteen universities currently participate in the Texas Voluntary Transfer Compact for Engineering which creates a common transfer pathway for students.

The Texas Higher Education Coordinating Board requires that the college district Board of Trustees approve the implementation of this program.

Fiscal Impact: Funding in the 2013-14 operating budget will be utilized to offer the program.

Resource: Keri Rogers 832-813-6597
Report: Monthly Financial Statements

The financial statements for the month ended October 31, 2013 are presented for Board review.
Prior to fiscal year 2010-11, the System’s financial software dated revenues as earned the same day as entered into the system. The current software, implemented in 2010-11, dates revenues in the time period the revenues are earned, regardless of the date the amounts were entered into the software program.
Prior to fiscal year 2010-11, the System’s financial software dated expenditures as incurred on the same day as entered into the system. The current software, implemented in 2010-11, dates expenditures in the time period the expenditures are incurred, regardless of the date the amounts were entered into the software program.

OCTOBER 2013, PORTFOLIO REPORT

GENERAL FUNDS

DEBT SERVICE & CAPITAL PROJECTS

TOTAL
Request: Consideration of Approval and Acceptance of the Comprehensive Annual Financial Report (CAFR) and the Independent Auditors’ Reports.

Chancellor’s Recommendation: That the Board of Trustees considers the recommendation of the Board Audit Committee regarding acceptance of the Comprehensive Annual Financial Report and the independent auditors’ reports.

Rationale: The CAFR for fiscal years ended August 31, 2013 and 2012 and the independent auditors’ reports thereon are presented for Board review and acceptance. The independent auditing firm of Whitley Penn has issued an unqualified or “clean” opinion on the System’s financial statements and federal financial assistance programs. As required by the Texas Higher Education Coordinating Board, the CAFR will be filed with various state agencies by January 1, 2014.

The reports are scheduled to be reviewed by the Board of Trustees Audit Committee prior to the December 5, 2013 Board meeting.

Fiscal Impact: None

Staff Resource: Cindy Gilliam 832-813-6512
Request: Consideration of Approval to Renew Contract to Purchase Investment Advisor Services for the System

Chancellor’s Recommendation: That the Board of Trustees approves a one year renewal of the contract to purchase investment advisor services from Valley View Consulting, L.L.C., 2428 Carters Mill Road, Huddleston, VA, 24104, for a not to exceed fee, based on the value of the investment portfolio, of $75,000, bringing the total contract amount to $255,000 over the four year period.

Rationale: In December 2010, the Board of Trustees approved a two year contract to purchase investment advisor services from Valley View Consulting for a fee based on the value of the investment portfolio not to exceed $120,000. The Board approved the renewal of this contract in December 2012 in the amount of $60,000.

The Texas Public Funds Investment Act (PFIA) allows the original contract term to be no more than two years. The PFIA also allows renegotiations and renewals of contracts up to a maximum of every two years. This request is to renew the contract for one additional year for a not to exceed amount of $75,000.

The investment advisor consults or advises governmental entities or private companies in present and future investment plans. Valley View Consulting has actively managed the System’s investments from operating and construction funds. The firm has attained improved earnings rates and has provided improvement recommendations to the System’s investment strategy. It is therefore recommended to extend the contract with Valley View Consulting one additional year based on reasonable fees and favorable performance.

The initial purchase of these services was in compliance with the provisions of Texas Education Code 44.031 (a) through a formal Request for Proposal (RFP #91) process.

Fiscal Impact: These fees are more than offset by investment earnings. In addition, with the assistance of the investment advisor, LSCS continues to achieve average earnings rates above the benchmark, the 90-day Treasury Bill.

Staff Resource: Cindy Gilliam 832-813-6512
Request: Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute Contracts to Purchase Architectural Services for the LSC-Creekside Satellite Center (Creekside) and Other Campus Renovation Projects (Renovation Projects)

Chancellor’s Recommendation: That the Board of Trustees authorizes the Chancellor or designee to negotiate and execute contracts for the purchase of architectural services for Creekside and renovation projects with the highest ranked firms, as listed below, at a fair and reasonable price. If negotiations cease for any reason with the 1st ranked firm, the System will proceed to negotiate with the 2nd ranked firm.

<table>

<td></td>
</tr>
</tbody>
</table>

Rationale: Creekside will be an 85,000 square foot center for workforce and academic preparation, economic and community development and a focal point for training for area residents.

Renovation projects include the science laboratories at the Winship Building at LSC-North Harris, office space within the Community Building at the System Office and other projects that may be funded from the 2013 revenue bonds.

In compliance with the provisions of Texas Government Code 2254.004, a Request for Qualifications (RFQ #281) was publicly advertised and issued to seventy-five (75) architectural firms. A pre-proposal conference was held and twenty-six (26) firms were represented. Of the twenty-four (24) responses received, twenty-one (21) included Creekside and nineteen (19) included the renovation projects.

The initial evaluation of proposals was conducted based on the firm’s qualifications, references and relevant higher education experience, approach and methodology, experience of proposed personnel, extent to which certified HUB, minority and/or veteran or woman owned
businesses are utilized and the completeness and thoroughness of the response. On-site presentations for Creekside and renovation projects were made by the firms receiving the highest proposal scores. It is recommended that the firms with the highest on-site presentation scores be awarded the contract for architectural services.

Fiscal Impact: Funds for this purchase are available from the Revenue Financing System Bonds, Series 2013B.

Request: Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute Contracts to Purchase Construction Manager at Risk (CM-at-Risk) Services for the LSC-Creekside Satellite Center (Creekside) and LSC-Fairbanks Center Parking Garage (the Fairbanks Garage)

Chancellor’s Recommendation: That the Board of Trustees authorizes the Chancellor or designee to negotiate and execute contracts to purchase CM-at-Risk services for Creekside and the Fairbanks garage with the highest ranked companies listed below.

<table>
<thead>
<tr>
<th>Company</th>
<th>Project</th>

<td>$17,000,000</td>
</tr>
<tr>
<td>Pepper-Lawson Construction, LP</td>
<td>Fairbanks Center Parking Garage</td>
<td>$3,000,000</td>
</tr>
</tbody>
</table>

Rationale: The System is utilizing the CM-at-Risk method for the construction of the Fairbanks garage and Creekside to achieve a completion date of August 2014 and January 2016, respectively. The Fairbanks garage will have approximately 250 car spaces on three levels. Creekside will be an 85,000 square foot center for workforce and academic preparation, economic and community development, and a focal point for training for area residents. A guaranteed maximum price proposed award will be placed on a future Board of Trustees agenda when the construction drawings are at the stage of completion where requests for bids can be released.

In compliance with the provisions of Texas Government Code 2267.251, the CM-at-Risk one-step process was followed. A Request for Proposals (RFP #287) was advertised for two consecutive weeks and issued to one hundred (100) construction management companies. A pre-proposal conference was held and seventeen (17) companies were represented. A total of sixteen (16) responses were received for Creekside and eleven (11) responses were received for the Fairbanks garage.
The evaluation of proposals was conducted based on the firm’s proposal cost, experience and reputation, extent to which certified HUB, minority and/or veteran or woman owned businesses are utilized, safety record and plan, proposed lead personnel and ability to meet the project completion timeline. On-site presentations were made by the companies with the highest evaluation scores. Final proposed selections are based on the proposal that provides the best value based on published criteria and final evaluation ranking.

**Fiscal Impact:** Funds for this purchase are available from the Revenue Financing System Bonds, Series 2013B and proceeds from TXDOT Settlement.

**Staff Resource:**
- Cindy Gilliam 832-813-6512
- Susan Karr 281-351-3360
- Audre Levy 281-290-3940
Request: Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute Agreements for the Purchase of Test and Air Balance Services for the System

Chancellor’s Recommendation: That the Board of Trustees authorizes the Chancellor or designee to negotiate and execute agreements for the purchase of test and air balance services for the System from the companies listed below for a not to exceed amount of $1,330,000 over the five year period.

<table>
<thead>
<tr>
<th>Company</th>
<th>Address</th>
</tr>

</tr>
<tr>
<td>Technical Air Balance</td>
<td>17507 Wied Rd., Suite F, Spring, TX 77388</td>
</tr>
</tbody>
</table>

Rationale: Test and air balance services are required for various projects including repair and replacement, renovation and new construction.

A Request for Proposals (RFP #285) was advertised for two consecutive weeks. Seven (7) responses were received. Each proposal was evaluated based on pricing, vendor qualifications and experience, extent to which certified HUB, minority and/or veteran or woman owned businesses are utilized, relevant client references and completeness and thoroughness of the proposal. It is recommended that the four firms with the highest scores be awarded the contract for these services.

The term of the agreements is for three years with an option for two one-year renewals.

Fiscal Impact: Funds for these services are included in the approved FY 2013-14 repair and replacement, operating, auxiliary and bond fund budgets. Funds for subsequent years will be included in future proposed budgets.

Staff Resource: Cindy Gilliam 832-813-6512
Request: Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute a Contract to Purchase Professional Mechanical, Electrical and Plumbing (MEP) Engineering Services for the System

Chancellor’s Recommendation: That the Board of Trustees authorizes the Chancellor or designee to negotiate and execute a contract for the purchase of professional MEP engineering services for the System in an amount not to exceed $2,000,000 over a five year term with the firms listed below. The System will negotiate with the first ranked firm based on a defined scope of work. If the System is unable to negotiate a fair and reasonable price, or the firm is unable to meet the System’s project schedule, negotiations will end with that firm and proceed with the next highest ranked firm until a price and schedule can be agreed upon.

### Specialty MEP Services

<table>
<thead>
<tr>
<th>Energy Related MEP Services</th>
<th>Lab Design MEP Service</th>
</tr>
</thead>
<tbody>
<tr>
<td>CMTA, Inc. 1610 Woodstead Court, Suite 105, The Woodlands, TX 77380</td>
<td>E&amp;C Engineers &amp; Consultants, 1010 Lamar St, Suite 650, Houston, TX 77002</td>
</tr>
</tbody>
</table>
Rationale: This approval will expedite the response time for upcoming construction projects that require the use of engineering services. Texas Occupations Code sections 1051.703 and 1001.503 require the professional seal of a registered engineer for public works projects involving electrical or mechanical engineering costing more than $8,000. In addition, sealed and signed engineered drawings are required by jurisdictional entities to obtain building permits.

In compliance with the provisions of Texas Government Code 2254.003, a Request for Qualifications (RFQ #286) was issued to thirty-five (35) firms and fourteen (14) responses were received. The evaluation of responses was done in a two-step process. In step one, the firm’s qualifications statements were evaluated based on experience, resources, credentials and experience of assigned staff, relevant project experience, extent to which certified HUB, minority and/or veteran and women owned businesses are utilized, location of the firm’s office, the firm’s use of specialized consultants or available in-house resources for specialized services, the firm’s ability to complete services within System timelines and relevant references. In step two, the System conducted interviews with the highest-scoring firms for each project size and specialty category.

For general MEP services, the top ranked firms within each project size category are recommended for award. Firms were categorized by project size based on the number of staff resources reported by each firm. The selection of more than one firm according to project size will ensure availability of services as needed for upcoming projects minimizing delays in the process. The only firms responding to the specialty MEP services are recommended for award. Firms were categorized by specialty based on the expertise outlined in the qualifications.

The initial term of the award will be for two years beginning December 2013 with the option to renew for three additional one-year periods based upon mutual consent.

Fiscal Impact: Funds for these services are included in the proposed FY 2013-14 repair and replacement, operating, auxiliary and bond fund budgets. Funds for subsequent years will be included in future proposed budgets.

Staff Resource: Cindy Gilliam 832-813-6512
Request: Consideration of Approval to Purchase Ultrasound Machines for the Diagnostic Medical Sonography Program at LSC-CyFair

Chancellor’s Recommendation: That the Board of Trustees approves the purchase of two ultrasound machines for the Diagnostic Medical Sonography program at LSC-CyFair in the amount of $305,349 from Philips Healthcare, 3000 Minuteman Road, Andover, MA 01810.

Rationale: Laboratory instruction is imperative to the success of the sonography students. The purchase of this equipment will promote consistent classroom instruction and ease of training for students in the diagnostic medical lab. This equipment is in virtually every sonography and vascular department in Houston. The students must first master anatomy and scanning techniques in a classroom lab before attempting the procedures in the hospitals.

This purchase is in compliance with Texas Education Code §44.031. A Request for Proposals (RFP #275) was advertised and issued to seven (7) registered healthcare equipment vendors and seven responses were received. The award could not be based on low bid alone. Vendor proposals were evaluated based on cost, quality of equipment and vendor references, value-added options, extent to which certified minority and/or veteran and women owned businesses are utilized and long-term cost to the System. It is recommended to award the vendor with the highest evaluation score.

The recommended vendor’s product provides “pure wave technology” which allows for better imaging capabilities for all patient types and provides ease of instruction for both faculty and students. Philips is the only system that offers tissue aberration correction. This technology adjusts the speed of sound waves for better resolution.

The Phillips iU22 is very powerful and robust in its image quality and its standard offerings, and it is a machine commonly used in surrounding hospitals. Students will be more effective earlier at their clinical sites since they will be training with the same equipment that they will be utilizing upon graduation and entering the workforce.

The iU22 also provides greatly improved ergonomics for students and value-added features such as Carotid Intima Media Thickness (CIMT) measurement. This new methodology, which is included in the iU22
vascular package, helps to identify patients that are at increased risk for cardiovascular events. The iU22, because of the increased clarity, high resolution, and depth of penetration, has the ability to visualize and actually measure the minute differences in the thickness of arterial blood vessels. The iU22 will further complement the training LSCS students receive by preparing them for this and other important breakthroughs in the use of ultrasound.

Included in the price are a one-year warranty and one day of on-site training.

**Fiscal Impact:** Funds for this purchase are included in approved FY 2013-14 operating budget for LSC-Cyfair.

**Staff Resource:** Audre Levy

### Financial Report and Consideration No. 9  (ACTION ITEM 11)  Board Meeting 12-5-13

<table>
<thead>
<tr>
<th>Request:</th>
<th>Consideration of Approval of Investment Broker/Dealers for FY 2013-14</th>
</tr>
</thead>
<tbody>
<tr>
<td>Chancellor’s Recommendation:</td>
<td>That the Board of Trustees approves investment broker/dealers for FY 2013-14.</td>
</tr>
<tr>
<td>Rationale:</td>
<td>The Public Funds Investment Act (PFIA) requires that the Board approves firms authorized to transact investment business with the System. In order to qualify and develop a list of recommended firms, a Request for Qualifications (RFQ #279) was sent to fifty-one (51) firms and ten (10) proposals were received. The firms were evaluated based on experience, services offered, experience serving public organizations in the State of Texas, portfolio references, quality of services, location, and extent to which certified HUB, minority and/or veteran or woman owned businesses are utilized. Upon thorough review of each firm’s qualifications, the evaluation committee selected all ten firms to recommend for the System’s investment opportunities. See the attached recommended list of broker/dealers. The list of recommended vendors will be in effect for one year. Annually, for the next two years, the RFQ will be opened to accept additional firms’ qualifications and the pool of qualified firms will be evaluated and a new list of investment broker/dealers will be recommended to the Board for approval. In compliance with System policy and state law, each firm has been provided a copy of the System’s investment policy. The System will complete the certification process for each of the recommended broker/dealers documenting their understanding of the PFIA and the suitability of investments according to the System’s investment policy.</td>

Request: Consideration of Approval to Purchase Deliverables Based Information Technology Services for the System

Chancellor’s Recommendation: That the Board of Trustees approves the purchase of deliverables based information technology services from the firms identified below for a total amount not to exceed $5,000,000 over a period of five years. In addition, authorizes the Chancellor or designee to negotiate and execute the specific project scope of work agreements.

<table>
<thead>
<tr>
<th>Company Name</th>

</tbody>
</table>

Rationale: Deliverables based information technology services include application support, development, upgrades and implementation of new functionality, and are required to provide timely assistance and support to faculty, staff and students for the Oracle PeopleSoft Enterprise Resource Planning System (ERP). The selection of Oracle certified value added consultants enables the System to minimize the amount of time and effort to implement solutions to system issues, determine feasibility of fixes, maximize applications and ensure efficient ongoing maintenance and operations required to sustain Lone Star College System’s investment in Oracle PeopleSoft.

In compliance with the provisions of Texas Education Code 44.031 (a), a Request for Proposal (RFP #282) was publicly advertised and issued to thirty-one (31) registered bidders and seven (7) responses were received. Upon review and evaluation of the proposals, the decision was made to award all seven firms master consulting agreements because of the firms’ varied skills, expertise and cost structure. The firms understand that the services under these master consulting agreements are on a non-exclusive basis and LSCS provides no guarantee that the firm will be awarded services under a scope of work agreement. This approach will add value to the
System by containing the cost and increasing expediency to the Office of Technology Services in meeting the System’s needs.

As required consulting services are identified by LSCS, a request for quote will be made from two or more firms for the specific services. Should the firm’s quote be selected for the project, the parties will enter into a fully executed scope of work agreement before the work commences. Consulting services with an estimated cost of $50,000 up to $500,000 will require quotes from three vendors based on the skills set required. Purchases with an estimated cost below $50,000 will require quotes from two vendors based on the skills set required. Services over $500,000 will be presented individually to the Board for approval.

The initial term of the contract will be three years with an option to renew for an additional two one-year periods. Either party may terminate the agreement with 30 days written notice.

**Fiscal Impact:** Funds for this purchase are included in the approved FY 2013-14 budgets. Funds for subsequent fiscal years will be included in future proposed budgets.

**Staff Resource:** Link Alander 832-813-6832
Request: Consideration of Approval to Purchase Communication Equipment for the LSCS Police Department

Chancellor’s Recommendation: That the Board of Trustees approves the purchase of digital police dispatch and radio equipment from Motorola Solutions, 7840 N. Sam Houston Parkway West, Suite 300, Houston, Texas 77064, in the amount of $363,265. In addition, approves the estimated cost ($4,000) of installing the radios in police units for a total not to exceed amount of $368,000 for this purchase.

Rationale: Currently all System police dispatch and handheld/vehicle radios operate on the Harris County Radio System using an analog 800 signal. Within the next year all public safety radio systems in Harris and Montgomery counties will be forced to adopt the new UHF/700 digital signal format. This fundamental change will render most of the System’s current radios obsolete as they cannot be reprogramed to the new 700 digital format. The migration to digital technology will greatly improve police radio communication especially for the System’s west side campuses which include LSC-CyFair, LSC-Tomball, LSC-University Park and the affiliated centers. The System’s radio communications will also migrate from the Harris County Radio System to the Houston Public Safety Radio System.

This purchase will consist of a Motorola IP 5000 Dispatch unit and support equipment including installation, 80 portable subscriber radios with accessories, and 20 mobile dual band and three mobile single band vehicle subscriber radios including the future installation of these radios in police units.

This purchase is in compliance with Texas Education Code 44.031 (a, 4) which allows the use of interlocal contracts. This purchase will be made through the System’s interlocal contract with the Houston Galveston Area Council (HGAC) Purchasing Cooperative, specifically contract #RA05-12 and the awarded vendor, Motorola Solutions.

Fiscal Impact: Funds for this purchase are available from the Revenue Financing System Bonds, Series 2013B.

Staff Resource: Rand Key 832-813-6522
Report: Construction Projects Update

The District’s Facilities Planning and Construction Department has provided a summary report of the District’s construction projects. See attached report.
Monthly Facilities Planning and Construction Report       December 5, 2013

2012 Revenue Bond Project Summary

- **LSC-University Park - Energy and Manufacturing Institute (EMI) Building**
  - The building shell is nearing completion and the glazing installation is currently underway. Interior partition and drywall work has begun. Installation of the overhead utilities is nearing completion. Substantial completion is scheduled for March 2014.

2013 Revenue Bond Project Summary

- **LSC- Tomball - Drill Rig Site Acquisition**
  - The phase I environmental due diligence assessment has been completed and the phase II assessment is underway. Closing on the property is targeted for late December or early January.
- **LSC-Creekside Satellite Center**
  - An architectural design team and general contractor recommendation will be made at the December Board meeting.
- **LSC-Fairbanks Center - Parking Garage Addition**
  - The schematic design of the new parking garage has been completed and a general contractor recommendation will be made at the December Board meeting.
- **LSC-Kingwood - Fitness Center HVAC Renovation**
  - The engineering design has been completed. Construction service request for proposals have been received and are being evaluated.
- **LSC-University Park – Chiller Replacement**
  - An engineering study is currently underway to determine the full scope of the necessary central plant equipment improvements.
- **LSC-North Harris – Science Labs Renovation**
  - An architectural design team recommendation will be made at the December Board meeting.

Request: Consideration of Approval of Commissioning of Peace Officers

Chancellor’s Recommendation: That the Board of Trustees approves the commissioning of the following peace officer for the Lone Star College System.

Lone Star College–Montgomery
Michael K. Hamm

Rationale: This officer is eligible to be commissioned by this Board because he:
1. Has a current license from the Texas Commission on Law Enforcement Officer Standards and Education;
2. Has taken and filed the oath required of peace officers; and
3. Possesses a sufficient number of college credit hours to meet the minimum standard for a Lone Star College System peace officer.

Fiscal Impact: None
