Follow these steps:

1. Go to the LSCS Libraries home page shown in the first screen above at www.lonestar.edu/library.

2. On the home page, click “Research Databases.” Doing so takes you to the screen to the right showing databases arranged by subject.

3. Click the database subject “Education & Careers.” This takes you to the third screen.

4. Click the database “Academic Search Complete.” This takes you to the last screen at the bottom.

5. At Academic Search Complete, click the box to the right of “Full Text.”

6. Type your search into the search box. An example could be nurses and salaries.

7. Click the green “Search” button.

8. Review the retrieved articles.
