

COLLEGE PREPARATION PROGRAMS HIGH SCHOOL EQUIVALENCY (GED®) TEST PREPARATION

GED® Test Prep and Subject Specific Classes

These classes are designed for students needing to develop skills in mathematics, language arts: reading and writing, critical thinking, and job skills; in addition to the skills needed to be successful on the GED® test, TSIA, or Workforce Career Pathway classes. The classes provide instruction and practice in all areas of the subject matter. Students are highly encouraged to regularly attend class to gain the tools needed to successfully obtain their GED® and pursue college classes or career pathways.

New Career/Workforce Goal Opportunity

Students enrolled in these classes may have the opportunity and be qualified to be enrolled in a Workforce Program while they are continuing to prepare to take the GED® test. This opportunity provides funding for the Workforce class, textbooks and other items. This is an excellent chance for a student to “fast-track” your life with the goal of a completed GED® and a Workforce Training Certificate and a new job. Job placement assistance will also be provided.

REQUIREMENTS:

- All Students must present a **valid photo ID** at the time of Registration.
- **16 and 17** year olds must have **parental permission form**, an **official withdrawal** from school and **valid photo ID**.
- Parental permission forms may be obtained online or at a Lone Star College campus.
