

GED® Online Prep

LoneStar.edu

Need to get your GED®, but cannot attend a traditional class?

This course (DEVSC 3930005) is designed for you.

If you are planning to ...

- pursue a technical workforce certification
- enroll in college
- take the GED® test

GED® Online Prep will allow you to study from home and help you gain academic skills in the four subject areas of the 2014 version of the Official GED® Test and also improve your computer skills.

- Reasoning Through Language Arts
- Mathematical Reasoning
- Science
- Social Studies

This class is completely online from June 26th to August 10th. Registration is open **now**. After you register for the class, you will need to complete the following steps to gain access to the class:

1. Setup your MyLoneStar login and password.
2. Get your Lone Star College Student ID Badge.
3. Complete the D2L Online Orientation.

For more information contact Marilyn Smith at 281.290.1822 or email Marilyn.K.Smith@lonestar.edu
