Student Conduct

Lone Star College is dedicated to providing a quality comprehensive educational program designed to meet and balance the diverse and changing educational, social, economic, and cultural needs of the community, consistent with a safe and healthful environment. The system is committed not only to learning and to the advancement of knowledge, but also to the education of ethically sensitive and responsible persons. It seeks to achieve these goals through a solid educational program and through regulations and policies governing student life that encourages responsibility and respect for the rights and viewpoints of others.

The general morale of the student body is dependent upon many factors; among these are the success of its graduates, the attitude of the faculty and administration, the general behavior of individual students and the reputation of the school. We believe that a primary factor in strong student morale is an overall regard for good citizenship on the part of the student body. The system assumes that students eligible to perform on the college level are familiar with the ordinary rules governing proper conduct and that they will observe these rules as a matter of training and habit.

Regulations of the system forbid gambling, the use of controlled substances and alcoholic beverages, and the appearance of anyone under the influence of any of these on the campus or when attending or participating in activities sponsored by the college. All LSCS buildings are tobacco free.

The possession of firearms, illegal knives and prohibited weapons on system facilities, including parking areas and publicly accessed facilities, is a violation of criminal law and board policies. Persons who violate the law and these policies will be subject to serious consequences, including referral for criminal prosecution and dismissal from school.

No person or group of people acting in concert may willfully engage in disruptive activity or disrupt

a lawful assembly on any campus or property of LSCS. The administration is charged with the responsibility of keeping the system free of disruptive activities and may take whatever disciplinary action is deemed necessary in instances of disruption or threat of disruption.

Students are expected to dress and groom themselves in an appropriate manner while on campus or while participating in activities sponsored by the system. Students whose conduct casts an unfavorable reflection upon the system, and thereby upon all students, are subject to disciplinary action. Refer to LoneStar.edu/advising for more information.

Lone Star College seeks to provide an environment where discussion and expression of all views relevant to the subject matter of the class are recognized as essential to the teaching and learning process. However, students do not have the right to interfere with the freedom of faculty to teach or the rights of other students to learn. Faculty members set the standards of conduct that are acceptable.

Student Discipline Procedures

Any alleged violation or flagrant disregard of LSCS rules and regulations shall be brought to the attention of the chief student services officer, who will initiate an investigation of the situation. After a complete and thorough investigation, the chief student services officer will determine the course of action. Discipline may result in expulsion. The decision of this administrator may be appealed to the college discipline committee. The complete discipline policy may be found online at LoneStar.edu/student-handbook.

Student Complaints

Lone Star College System (LSCS) has procedures for addressing written student complaints related to academic appeals, student conduct and unlawful discrimination and prohibited harassment. Please refer to the Student Guide for each process at LoneStar.edu/student-handbook.

Emergency Procedures

In the event an emergency due to illness or accident occurs on campus, students should contact LSCS police at 281.290.5911 or the administrator on duty as soon as possible.

The Lone Star College System does not provide insurance coverage for its students. Section 101.051 of

Texas Civil Practice and Remedies Code expressly exempts community college systems from liability for any personal or property damage that occurs on campus. The student, therefore, should make arrangements for adequate personal insurance coverage while attending LSCS. F1 international students are required to purchase health insurance or provide proof of adequate and acceptable health insurance by completing the waiver application before registration. The premium for the LSCS international student health insurance plan will be included with the tuition and fees at registration. Information regarding personal insurance for students is available from the office of student services.

Contagious/Communicable Diseases

LSCS conforms to all requirements of the Communicable Disease Prevention and Control Act and the Open Records Act. With a physician's written approval, students with a contagious/communicable disease normally will be allowed to attend class. The identity of such students is confined to those persons within the college with a direct need to know (i.e., president, vice president, faculty member or counselor) and will not be revealed without the student's consent. Questions concerning the system's policy and enrollment procedures of a student with a contagious/communicable disease should be referred to the student services office.

Bacterial meningitis is a serious, potentially deadly disease that can progress extremely fast. It is an inflammation of the membranes that surround the brain and spinal cord. More information concerning this disease and its treatment can be found online at LoneStar.edu/meningitis or in the student services office at each campus.

College Police

The police officers of the Lone Star College System are commissioned peace officers with the State of Texas and are granted the same law enforcement authority as any other police or sheriff's department. The officers are obligated to enforce all federal, state and local laws, in addition to college policies. The police department works with state and local police agencies, as needed, to ensure a safe and comfortable environment for students, staff, faculty and visitors to the college.
