Viewing & Accepting Bids

****DISCLAIMER****

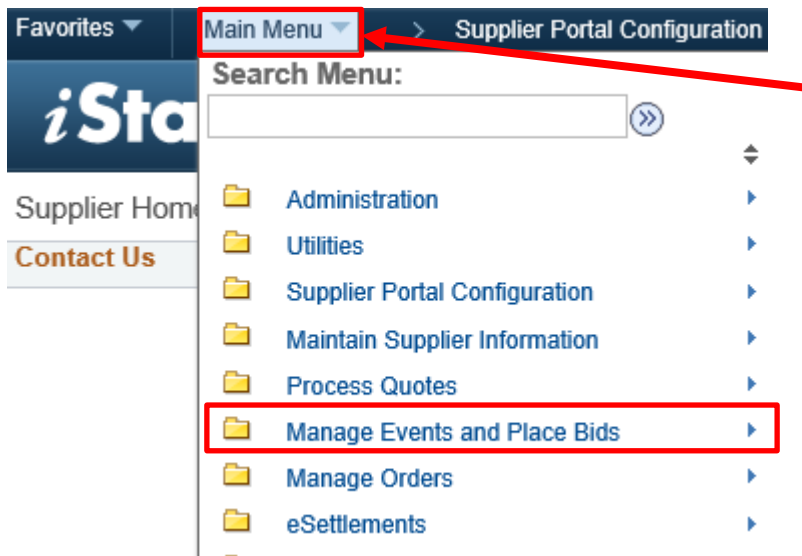

1. You must be logged into the iStar Vendor Portal with your **USER ID & PASSWORD** to submit a bid.
2. If Lone Star College (LSC) does **NOT** receive your bid, you will have no recourse as LSC will not be able to determine if you were logged into the system and if your bid was uploaded since the system will show no record of your bid submission.

Once registered, enter the user ID and password that you created to log in.

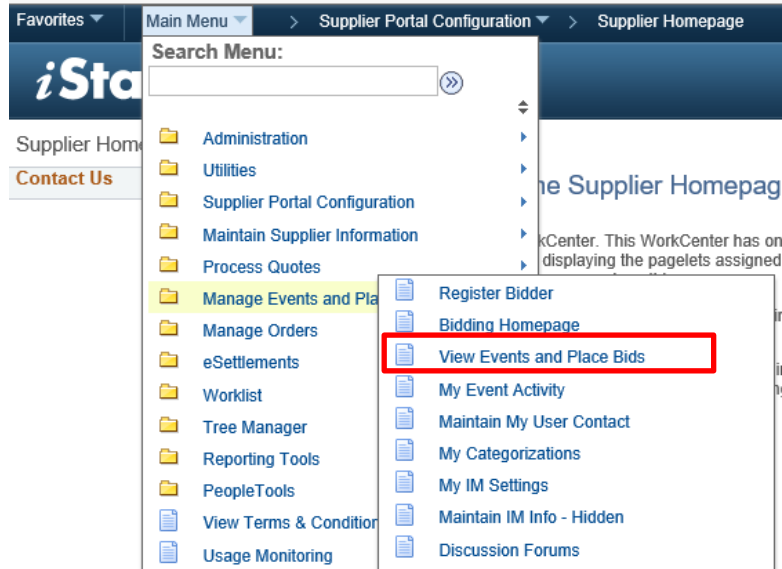

The image shows a web browser window titled "Supplier Login". It contains a form with two input fields: "User ID" (containing "ESTSUPPLIEI x") and "Password" (with a masked character). Below the fields is a "Sign In" button and a link for "Forgot Password?". Underneath the login form, there are three links with icons: "Register as a Supplier", "Register as a Sourcing Bidder", and "Create New User Accounts", each with a brief description of their function.

The screenshot shows the 'Event Details' page in the iStar Financials system. The page includes a navigation bar with 'Favorites', 'Main Menu', 'Manage Events and Place Bids', and 'View Events and Place Bids'. The user is identified as 'PS92 UAT2 TESTER'. The event name is 'PeopleSoft 9.2 Test Bid LSCS'. The 'Bid on Event' button is highlighted with a red box. Below the event details, there is a table with one line item:

Line	Description	Unit	Requested Quantity	Status
1	★ TEST 1	EA	1.0000	

7. A screen will pop up after clicking the **“Bid on Event”** button asking if you want to default the bid quantity on the lines.

- Select **“Yes”** to have the bid quantity default.

The screenshot shows a confirmation dialog box with the following text:

Default the bid quantity for each line item to be equal to the requested quantity? (18058,4118)

Select 'Yes' if you would like to have the bid quantity for auction line items defaulted for you. You will be allowed to change the line item bid quantity at any point prior to submitting your bid. Select 'No' if you do not wish to have the bid quantity defaulted.

One important note: If you select to default the bid quantity, only non-group lines will be impacted by this option. This is because responses for individual line items must be complete before bids can be placed for any line groups.
