NOTE: Students must apply for Academic Fresh Start PRIOR to registration after being admitted for their first term with Lone Star College or re-admitted after an absence from Lone Star College.

I understand and accept the provisions of the Academic Fresh Start legislation (Texas Senate Bill 1321). I acknowledge that I will not receive consideration or credit for any college-level courses or grades earned ten or more years prior to the start date of the semester in which I seek to enroll at Lone Star College, other than possible TSI exemption.

I affirm that I have provided Lone Star College with a complete record of my academic history to date including an official transcript from every post-secondary institution I have attended, as required. I understand that once I accept the provisions of Academic Fresh Start, I may not revoke that decision as long as I am a student at Lone Star College.

I further understand that this Academic Fresh Start action is applicable only to Lone Star College, and that even though the grades will still appear on my academic record (transcript), they will be excluded from the calculation of my GPA. Academic Fresh Start has no impact on financial aid standing.

All credits earned during and prior to the semester: _____

For Office Use Only:

Campus personnel: Once this agreement is completed and bears all the required student information, effective semester/year, signature and date of the student and campus designee, please email it to Admissions@lonestar.edu for processing. Once processed, Admissions & Enrollment Services will sign and date it and upload the agreement to the student's OnBase record.
