**Gainful Employment:** For information about the estimated value and jobs related to programs, please visit [Gainful Employment](https://www.gainfulemployment.org).

The U.S. Department of Education (DOE) requires that institutions of higher education must provide current and prospective students with information about each of its programs that prepare students for gainful employment (GE) in a recognized occupation. Lone Star College certificate programs, not designed to be fully transferable to a bachelor's degree program, are considered GE programs. Lone Star College’s Gainful Employment Program information is available at LoneStar.edu/GainfulEmployment.

**TRANSFER**

**Transfer-in:** If you took college courses elsewhere, you may be able to substitute those for courses in this plan. First, submit your transcript to the registrar to get evaluated for Transfer credit. Then, speak with an advisor.

**Transfer-out:** Do you want to transfer to a four-year school? Schedule an appointment with a transfer advisor.
