Sierra comes from a large family and has relatives near all three universities!

Besides attending classes and her Ambassadors duties, Sierra works in the Admissions Office at the college.

She is one of the first people prospective students and current students meet when they come to see an Advisor and to register for credit classes.

During peak registration times, this is one of the toughest jobs on campus. She and her co-workers at the front counter screen and classify the students to make sure they receive the help they need.

The Tomball College Alumni Association is proud to have Sierra as their 2006 Scholarship Recipient!

Sierra Rich is a freshman at Tomball College. While she was in high school, Sierra was third runner-up in the Miss Magnolia Pageant. She is also a member of the Tomball College Ambassadors.

Sierra has a list of three universities that she might like to attend. On her list is the University of Hawaii, University of Oklahoma, and then Texas A & M.

Sierra has thought of majoring in Nutritional Science as it applies to sports and wellness. She has also thought about majoring in International Business Law.

Soon the community and students will be able to buy Splashtown tickets at the Tomball College Bursar’s Office.

These tickets will be available at a considerable savings when compared to those purchased at other outlets in the area.

A portion of the sale of each ticket will be donated to the TCAA Scholarship fund.
On May 1, 2006 the TC Alumni Association will host the Graduation Reception for our December 2005 and May 2006 graduates.

This will be our 5th reception. If you remember, the graduates first attend an orientation to understand the where, when, and how of the actual commencement ceremony.

If our Alumni Association is to continue to honor our graduates, award scholarships, and keep in touch with you after graduation, we need your help!

Our organization invites you to join us. We need folks like you, still in the area, to help us establish a lasting alumni group.

If you are willing to donate some of your time to help ‘grow the college’ then please get in touch with us. Our email addresses are included.

REACH OUT!

If you would like to get in touch with your Tomball College Alumni Association please feel free to email us at these web addresses:

After the orientation, the graduates and their families’ walk to the Elmer Beckendorf Conference Center where they are honored with music, food, and lots of door prizes!

The Tomball College Alumni Association needs help…and some new faces and some old faces to actively join the organization.

We need a Treasurer.

We need a Historian.

We need one-time volunteers to help decorate the conference center for this year’s Graduation Reception!!
