

## Assessment Center

# TSI Remote Test Information For Non-Lone Star College Students

### Student Instructions:

1. Contact your college or university to request that a TSI Remote Test be setup at Lone Star College. You will need to let them know which campus you want to test at (CyFair, Cypress Center, or Fairbanks Center).
2. Provide your college or university with our contact information (name, email and phone number) which you can find on our website.
  - **CyFair Testing Center** (281-290-3220): <http://www.lonestar.edu/testing-cyfair.htm>
  - **Cypress Center Testing Center** (832-920-5014): <http://www.lonestar.edu/testing-cypress.htm>
  - **Fairbanks Center Testing Center** (832-782-5034): <http://www.lonestar.edu/testing-fairbanks.htm>
3. Once you request the TSI Remote Test Voucher from your college or university, you will need to make an appointment for a test date. To schedule an appointment, go to the testing center's home page (see link above) and then click on "Schedule an Appointment".
4. If taking all parts, please plan for at least 3 ½ -4 hours for your exam.
5. On your assigned test day, please come directly to the Assessment Center (**NOT** Admissions) with your confirmation email that you will receive from Accuplacer with the voucher number. Inform the Proctors that you are taking a Remote Test.
6. Please be prepared to pay \$25, our proctoring fee. This fee is required and may be in addition to other testing fees paid to your college or university.
7. Your scores will automatically be sent directly to your college or university when testing is complete. You may also print out a copy for yourself on test day. Please ask the Proctor for assistance with printing.
