Lone Star College-University Park
Regional Science Olympiad

VANDALISM POLICY

Schools participating in the B and C Division Lone Star College-University Park Regional Science Olympiad must submit a copy of this Vandalism Policy signed by both the coach and principal of the school. The signed statement is to be submitted at the time of the on-site registration. If a team member or members or persons associated with a team commit(s) an act of vandalism, the team will be disqualified from the competition and will receive no points. No member of that team will be awarded a medal in any event. An individual who commits an act of vandalism will be barred from future competitions.

Each sponsoring school must agree to pay the cost of repairing damage from any act of vandalism. A school must pay this restitution before it can register a team for the Lone Star College-University Park Regional Science Olympiad in a subsequent year.

Vandalism means a deliberate action that results in damage to property. This includes, but is not limited to, graffiti, damage to facility property and damage to the personal property of competitors, judges and spectators.

I have read and understand the Lone Star College-University Park Regional Science Olympiad policy on acceptable behavior, including the prohibition of vandalism, and I have discussed this with the team members, and will accept the consequences of violation of the policy as assessed by the Lone Star College—University Park Regional Science Olympiad officials.
