Explore, Focus & Launch your Career

Job Development is happy to announce Lone Star College has a new and redesigned career portal for the students and alumni. Career Star powered by EMSI will assist you in your career exploration (assessments) and finding job opportunities – both internship/part-time and permanent.

**Career Explorer:**
- Explore Careers by LSC Programs of Study
- Take an assessment to learn about your career interest.
- Explore careers by Lone Star College Associate Degrees or Workforce Certifications.
- Learn more about jobs that are in high demand.

**Career:**
- Search Jobs/Internships Opportunities
- Find a job based on your degree plan.
- Access over 10,000 job openings and internship opportunities in your field of study.
- Use Resume/Builder™ to create a professional resume.

**Don’t wait until you graduate, jump-start your career today!**

- Start by clicking on the link: LoneStar.edu/Career-Services
- Click on sign up tab. Enter your email address and click Create Profile to begin creating your profile.
