POLICIES

Student Rights and Responsibilities
Information on some student rights and responsibilities are included below. For additional information, please refer to the LSC Board Policy Manual.

If there is any conflict between the LSC Board Policy and this course schedule, the LSC Board Policy will govern. The information set forth in this course schedule is intended to be informational and not contractual in nature. LSC reserves and retains the right to amend, alter, change, delete or modify any of the provisions of this course schedule at any time or in any manner that the administration or the LSC Board of Trustees deems to be in the best interest of LSC.

The information stated herein is for the students benefit and assistance. The administration of LSC reserves the right to act as final interpreter of this course schedule. Additionally, LSC reserves the right to change, without prior notice, tuition, fees, requirements and regulations, as obligated by district or legislative action and as allowed by law.

LSC cannot guarantee that courses listed in this course schedule will be offered in any given term or year at any college. Registration for a particular section or course will be permitted only until available classroom space or facilities have been filled. LSC reserves the right to cancel any course or section for which enrollment is insufficient.

A student who wishes to review documents regarding the accreditation of Lone Star College may do so by making an appointment with the Chief Student Services Officer (CSSO).

Communication
All official communication from Lone Star College to its students is delivered through its web portal system, myLoneStar, and Lone Star College provided email accounts.

Computer System Availability
Lone Star College recognizes the value technology adds to teaching and learning, and built a robust and stable infrastructure to support it. Because regular maintenance of computer systems is critical to their performance and efficiency, planned downtimes are normally performed after-hours to minimize disruption to faculty, students and staff. Advanced notice of the scheduled maintenance is distributed in many ways and provides information on the services impacted with estimated start and end times. Users are encouraged to note these communications and plan accordingly. Contact the Service Desk at 813.813.6600 or OTS@LoneStar.edu for updates.

Qualified and Diverse Employees
Lone Star College values diversity in both its employees and students. LSC actively recruits and strives to retain highly-qualified staff, faculty and administration members who will reflect the core values and cultural beliefs of Lone Star College and meet with needs of students and the community.

Equal Opportunity Statement
Lone Star College is committed to the principle of equal opportunity in education and employment. Lone Star College does not discriminate on the basis of race, color, gender, religion, disability, age, veteran status, sexual orientation, nationality or ethnicity in its programs and activities.

The LSC Executive Director of Compliance Education/Training is designated as the LSC Equal Opportunity Officer and Title IX Coordinator for employees and students.

All employee inquiries concerning LSC policies, compliance with applicable laws, statutes, and regulations (such as Title VI, Title IX, and Section 504), and complaints may be directed to:

Karen Miner
Executive Director, Compliance Education/Training
Title IX Coordinator
5000 Research Forest Drive
The Woodlands, TX 77381
832.813.6614
LSC-TitleIX@LoneStar.edu

All student inquiries concerning LSC policies, compliance with applicable laws, statutes, and regulations (such as Title VI, Title IX, and Section 504), and complaints may be directed to:

Karen Miner
Executive Director, Compliance Education/Training
Title IX Coordinator
5000 Research Forest Drive
The Woodlands, TX 77381
832.813.6614
LSC-TitleIX@LoneStar.edu

Inquiries about the laws and compliance may also be directed to the Office for Civil Rights, U.S. Department of Education. For further information, visit ed.gov for the address and phone number of the office that serves your area or call 1.800.421.3481.

Minors on College Premises
Lone Star College is a community college system that embraces our communities and welcomes residents of all ages. All minors on campus are subject to all LSC policies and procedures.

In order to provide for the safety of all children, an Authorized Responsible Adult (parents, legal guardians, or an adult authorized by a parent or legal guardian) must supervise Minors (persons aged 15 and under) on College premises, unless the Minor is participating in a College class, program, or event. This means that Authorized Responsible Adults do not have to accompany Minors while they are participating in the College class, program, or event, but must be present to monitor the Minors’ activities outside of a College class, program, or event. Minors participating in a College class, program, or event must have written permission from their parent or legal guardian. The Authorized Responsible Adult must be immediately available in an emergency situation. For complete information, please reference College Board Policy Manual Section II.D.2.04 at LoneStar.edu/Policy.

LSC campuses with a Harris County Public Library (HCPL) operating on the college campus will comply with HCPL regulations regarding children in the library.

Dual-credit and other similar programs are governed by the applicable agreement between LSC and the independent school district or other secondary education institution. Students participating in a LSC approved program must abide by the requirements specified in the agreement. If the agreement does not specify supervision requirements, then the College’s policy and procedures of supervision apply.
Students with Disability Rights
LSC recognizes and supports the principles set forth in federal and state laws designed to prevent and eliminate discrimination against individuals with disabilities. LSC believes in equal access to educational opportunities for all individuals and is committed to making reasonable accommodations, including furnishing auxiliary aids and services, for individuals with disabilities as required by law. Please review LSC’s Board Policy and Chancellor’s Procedures on Students with Disability Rights (Section VI.D.11) to find more information, including how to request accommodation.

Policy & Procedures: LoneStar.edu/Policy

Campus Carry
The Texas Legislature enacted campus carry by passing Senate Bill 11, effective at LSC on August 1, 2017. Senate Bill 11, known as the Campus Carry law, amends the Texas Government Code and Texas Penal Code to allow license holders to carry concealed handguns on college campuses. To carry a concealed handgun on LSC campuses, an individual must have a valid License to Carry issued by the Texas Department of Public Safety.

LSC has established rules and regulations regarding enforcement of Campus Carry, which are found at LoneStar.edu/WeaponsProcedures. Lone Star College prohibits concealed carry in some areas of LSC campuses. For more information about Campus Carry, visit the LSC Campus Carry website at LoneStar.edu/CampusCarry.

Sex Offender Policy
The Texas Code of Criminal Procedure Article 62.153 mandates each person required to register as a sex offender, and who intends to be employed, work with a contractor, or attend classes at Lone Star College, to register with the College’s Police Department at least seven (7) days before reporting to any LSC campus. As part of this registration, the individual must submit information pertinent to his or her offenses, which will be forwarded to the College’s Review Committee for a determination of eligibility for employment, vendor services, or enrollment. A person seeking to be enrolled as a student must first be approved before completing the registration process. Failure to register and receive necessary approval under this section may result in immediate suspension, dismissal, or termination of employment. To begin the review process, an individual must call the LSC Police Department at 281.290.5911.

Information concerning registered sex offenders on any Lone Star campus can be accessed from the Lone Star College Police website at LoneStar.edu/Sex-Offenders.

Consequences of Criminal Conviction
Notice of Potential Ineligibility for License
If you are applying for admission to a College program or enrolling in a College program that may prepare you for an initial occupational license issued by a licensing authority and/or if you later decide to change to a program that prepares you for an occupational license, please be advised of the following:

1. An individual who has been convicted of an offense may be ineligible for issuance of an occupational license upon completion of the educational program.

2. Licensing authorities that issue an occupational license to an individual who completes the educational program issue guidelines stating the reasons a particular crime is considered to relate to a particular occupational license and any other criterion that affects the decisions of the licensing authority.

3. A state licensing authority that issues guidelines files those guidelines with the secretary of state for publication in the Texas Register.

4. Local or county licensing authorities that issue an occupational license to an individual who completes the educational program issue guidelines related to criminal history and post the guidelines at the courthouse of the county in which the licensing authority is located or publish them in a newspaper having countrywide circulation in that county.

5. Applicants should contact their respective local or county licensing authority for more details.

6. An individual may request a criminal history evaluation letter regarding the personal eligibility for a license issued by a licensing authority as required by Texas Occupation Code § 53.102.

All applicants to and enrollees are encouraged to review all applicable eligibility requirements related to the respective occupational license. Questions related to eligibility requirements should be directed to the applicable licensing authority.

Footnotes
2. “Occupational license” means a license, certificate, registration, permit, or other form of authorization required by law or rule that must be obtained by an individual to engage in a particular business or occupation. Tex. Occ. Code Ann. § 58.001.
The diagram above explains how to find the class number for each camp in this schedule. Welcome to Lone Star Discovery College! We are offering a variety of exciting and rewarding ways for your child to grow this summer with science, technology, engineering, and math-based programs, as well as performing arts, physical activity and more. Our Discovery College camp is provided in a weekly format every Monday beginning June 8-25 and July 6-9. We offer programs for ages 7-12 with sessions starting at $115. In-person registration is necessary due to required forms. Thank you for joining Lone Star Discovery College!

HOW TO REGISTER

• Course listings for **LSC-Kingwood** are included in this section of the Discovery College Class Schedule.

• Read the Parent/Guardian Information included on page 44 of this class schedule.

• Complete the Registration Form (included on page 48) by indicating the desired courses, dates, times and class numbers. Include all student and parent information (one form per student).

• Complete and sign the Participant Release and Indemnification Agreement on page 46 (one form per student). No student will be registered without the signed agreement.

• Visit the **LSC-Kingwood Career & Technical Education registration desk** in the Technology Instruction Building (TIB), 20000 Kingwood Drive, Kingwood, TX 77339, to submit required registration and signed forms.

• Pay for classes at the time of registration. If you need assistance with this process, Career & Technical Education staff will be happy to help.
DROP OFF & PICK UP TIMES AND LOCATIONS

The drop off and pick up location is at the Administration & Performing Arts (APA) entrance. All vehicles dropping off or picking up students must display an identification placard on the vehicle’s dashboard.*

Morning Sessions
Dedicated staff will greet students starting at 7:40 a.m. and will begin releasing students at noon. Participants must be picked up after classes by 12:15 p.m.

Afternoon Sessions
Dedicated staff will greet students starting at 12:40 p.m. and will begin releasing students at 5 p.m. Participants must be picked up after classes by 5:30 p.m.

Supervised lunch is available for students registering for both morning and afternoon classes occurring in the same week. Students staying for lunch must bring a sack lunch each day.

LSC-Kingwood, 20000 Kingwood Drive, Kingwood, TX 77339

*Students being dropped off or picked up LATE must be escorted to/from the Discovery College office in the Technology Instruction Building (TIB), Room 100, by parent/guardian listed on the student’s Registration Form. Repeated late pickups will result in disenrollment from the program at the discretion of the campus Career & Technical Education director.

SCIENCE & TECHNOLOGY

Advanced Robotics Intensive Camp
YTHSC 3991135  32 Contact Hours  $230
Welcome to the world of engineering and robotics! Explore the uses and functionality of autonomous robots. Students will create and design EV3 Mindstorm robots and learn how to program them using command box programming. Students will be working together in teams to solve real-world issues and accomplish goals similar to today’s engineers. Students will reinforce their learning from Introduction to Robotics with more complex movement and retrieval missions utilizing motors and sensors. Requires advanced knowledge of EV3 programming and robotic designs. Student prerequisite: Robotics I.

PARENT/GUARDIAN INFORMATION

CLASS CANCELLATION

• A 100% refund is provided if a “Drop/Add” form is completed and submitted to the Career & Technical Education office by the Thursday before the class begins.
• Lone Star College (LSC) reserves the right to cancel a class up until the business day before class.

DISCIPLINE

• A basic standard of good behavior is required.
• Children and parents/guardians must abide by federal, state, and local laws, as well as applicable sections of the Lone Star College System (LSCS) Policy Manual LoneStar.edu/Policy.
• Cell phones must be turned off during class times.
• Students will be removed from class for disruptive behavior. No refund will be given. We have a zero tolerance for threats of physical violence, harassment, or abuse of any kind. Students will be immediately removed and not permitted to return for the summer. No refund will be given.
• For safety reasons, sandals, flip-flops, open-toed or wheelie shoes are not permitted.

DISPENSING MEDICINE

• Discovery College staff cannot dispense medicines of any kind.
• If a child needs medicine during the day, a parent and/or guardian will need to administer it.
• Children are not allowed to carry medicine with them to class(es) unless specific prior approval is granted. This would also include protective sunscreen lotion and nonprescription medicines.

DROP-OFF AND PICK-UP LOCATION

• Discovery College drop-off and pick-up will be designated by appropriate signage; the staff will be wearing Discovery College staff shirts.
• Under no circumstances will your child be released to a person whose name and driver’s license number are not listed on your child’s Participation Release and Indemnification Agreement. In case of an emergency, please contact the Discovery College or the Career & Technical Education office at your campus to locate the Discovery College staff.
• Please do not drop your child off if you do not see a Discovery College staff member outside.
• Children will be escorted and supervised from the drop off and pick up locations only by Discovery College staff.
• Placard (flyer with your child’s name) must be displayed in front right windshield. Carpoolers should include additional names.
PARENT/GUARDIAN INFORMATION

- Parents do not need to get out of their vehicles unless they are running late.
- Please use extreme caution and drive slowly.
- Staff will greet students between 7:30 and 8:10 AM (depending on campus schedule) for the morning classes and 12:40 PM for the afternoon classes.
- In the event of severe weather, you will need to park and come inside to pick up your child.
- Participants must be picked up after classes by 12:30 PM for the morning classes and 5:00 PM for the afternoon classes.
- Lone Star College campuses are closed on Fridays during the summer. Office hours (summer only) are 8:00 a.m.—6:00 p.m., Monday-Thursday.

EMERGENCY PROCEDURES

- Emergency evacuation plans are provided to all Discovery College instructors and aides.
- In case of fire, the building is equipped with fire alarms and sprinkler systems.
- In case of severe weather, teachers will move students to the designated safety locations in the building.
- In the unlikely event that an emergency occurs on campus, parents will be notified and there will be postings on social media, the Lone Star College website, and television. Lone Star College will not issue a refund, nor are there any make-up days.
- Discovery College personnel will stay with your child at all times including any emergency situations.

INCLEMENT WEATHER

- In the unlikely event that the campus is closed due to inclement weather, parents will be called to pick up their children. We will make every effort to conduct the camp; however, student, faculty and staff safety is very important to us.
- Lone Star College will not issue a refund due to inclement weather, nor are there any make-up days.

REFUND POLICY

- A 100% refund is provided if a “Drop/Add” Form is completed and submitted to the Continuing Education office by Thursday of the week before the class begins. Otherwise, no refund will be given.
- Refunds will not be given if the college is closed for any reason, and there are no make-up days.

SNACKS AND LUNCH

- Morning and afternoon sessions will have a break for a snack/lunch.
- Please send a snack in a bag marked with your child’s name. Food items are not provided by Lone Star College. If your child will be participating in outside activities, he/she should take a water bottle.
- Suggestions for snack time items are granola bars, cereal, popcorn, raisins, etc. Sweets, candy, and messy foods should be avoided.
- Parents are asked to refrain from sending peanut-based snacks, in consideration of children with severe allergies.
DISCOVERY COLLEGE PROGRAM
PARTICIPANT RELEASE AND
INDEMNIFICATION AGREEMENT

PARTICIPANT: (Name and Address)

COLLEGE
Lone Star College

College or Dept. ____________

DESCRIPTION OF PROGRAM: Discovery College ("Program") is for children ages 6-17. This release and indemnification is for children participating in the Program.

LOCATION: __________________________

DATE(s): ______________________________

I, ________________________________, am the parent or legal guardian of the above named minor Participant. I am eighteen (18) years of age or older. I acknowledge that the nature of the Program may expose Participant to hazards or risks that may result in Participant's illness, personal injury, or death, and I understand and appreciate the nature of such hazards and risks. I represent that Participant is physically able, with or without accommodation, to participate in the above-referenced Program, and is able to use the equipment and/or supplies associated with the Program.

In consideration of Participant's participation in the Program, on behalf of Participant, Participant's family, heirs, and personal representative(s), I hereby accept all risk to Participant's health and of Participant's injury or death that may result from such participation. I hereby release the above named College, its governing board, officers, employees, and representatives (collectively the "Releasees") from any and all liability to Participant, Participant's personal representatives, estate, heirs, next of kin, and assigns for any and all claims and causes of action for loss of or damage to Participant's property and for any and all illness or injury to Participant's person, including Participant's death, that may result from or occur during Participant's participation in the Program, whether caused by negligence of the College, or otherwise. I further agree to indemnify and hold harmless the College and its governing board, officers, employees, and representatives from liability for the injury or death of any person(s) and damage to property that may result from Participant's negligent or intentional act or omission while participating in the described Program.

It is my express intent that this Release and hold harmless Agreement shall be deemed as a "Release, Waiver, Discharge and Covenant" not to sue College.

Further, I understand that the Program takes place on a college campus. While Participants will be supervised at all times during the Program and efforts are made to secure the environment for Participants, I am aware that Participants might inadvertently view mature content during the Program. Specifically, I understand that the College has open access to the Internet and that Participants might use the Internet during the Program. College cannot be held responsible for the nature or content of information accessed or transmitted.

By initialing here, I specifically authorize for Participant to walk or bike to and from Program. I understand the risks associated with this activity. LSCS does not recommend that Participants walk/bike. Once I authorize this activity, Participant will be released at the pickup line and will be unsupervised from that point forward, and Participant will be treated as a walker/biker each day. Further, Participant will need to leave campus at the end of the class. For example, Participants may not be in the library or commons unsupervised waiting to be picked up. ____________ (initials)

By initialing here, I specifically authorize that Participant is of driving age and may drive himself/herself home from Program. Once I authorize this activity, Participant will be released at the pickup line and will be
unsupervised from that point forward. Such Participants will be responsible for obtaining a parking pass prior to parking in the lots.___________(initials)

I HAVE CAREFULLY READ THIS AGREEMENT AND UNDERSTAND IT TO BE A RELEASE OF ALL CLAIMS AND CAUSES OF ACTION FOR PARTICIPANT’S INJURY OR DEATH OR DAMAGE TO PARTICIPANT’S PROPERTY THAT OCCURS WHILE PARTICIPATING IN THE PROGRAM AND IT OBLIGATES PARTICIPANT TO INDEMNIFY THE PARTIES NAMED FOR ANY LIABILITY FOR INJURY OR DEATH OF ANY PERSON AND DAMAGE TO PROPERTY CAUSED BY PARTICIPANT’S NEGLIGENT OR INTENTIONAL ACT OR OMISSION.

I understand and agree that College does not have medical personnel available at the location of the Program. I understand and agree that College is granted permission to authorize emergency medical treatment, if necessary, and that such action by College shall be subject to the terms of this Agreement. I understand and agree that College assumes no responsibility for any injury or damage which might arise out of or in connection with such authorized emergency medical treatment. Should Participant require emergency medical treatment as a result of accident or illness arising during the Program, I consent to such treatment and I agree to be financially responsible for any medical bills incurred as a result of emergency medical treatment. In the event of an emergency, I am providing the following information.

Emergency Contact Name(s): ____________________________________________

Emergency Number(s): ________________________________________________

Physician’s Name and Phone Number: ________________________________

Medical Insurance Name or Group: _________________________________

Current medications, allergies, or significant medical history we should be aware of: ____________________________

☐ I further agree that this Release shall be construed in accordance with the laws of the State of Texas. If any term or provision of this Release shall be held illegal, unenforceable, or in conflict with any law governing this Release the validity of the remaining portions shall not be affected thereby. I have also read and understand the Parent Handbook.

☐ I authorize the College to use or show any photos or videos of the Program which include Participant or Participant’s likeness.

☐ I hereby certify that I am the parent or legal guardian of Participant and I have read and understand the above statements and agree to the terms and stipulations.
