REGISTRATION FOR CLASSES

LSC offers many possibilities for enriching careers and personal lives. The Career and Technical Education (CTE) courses listed in this schedule are designed to provide you with courses and certificates that prepare you for your next career or to prepare you to advance in your current position. Community Education courses provide personal enrichment.

Continuing Education’s (CE) mission is to provide diverse, high quality training and educational opportunities in response to community and business needs. Our commitment is to improve skills, enrich lives and engage minds through affordable and accessible workforce and community programs.

Get Started

First, decide what courses you want to take. CE advisors are available to help you make informed decisions about your career path.

Prerequisites

Some programs and courses require documentation or coursework prior to enrollment. Advisors will assist you with that information upon registration.

You can find classes by searching through this catalog or by searching online. Classes are listed by program subject, which are part of the index.

Once you have an idea of the classes you want to take, you’re ready to begin the registration process. The “How to Read the Schedule” diagram provides assistance for completing a registration form.

Get Registered

To register online

To register online, go to LoneStar.edu/ce-registration.

Steps for online registration

LoneStar.edu/ce-registration will take you to a “Search for Classes” page. Enter your course title in the Course Title Keyword box, Search Subject, or enter Catalog Number and hit search.

The search results will display the meeting dates, days, times, and location for classes offered.

If you would like more detail on a specific class, click the Section number. If offered in your search results, you may also click View All Sections (in the top tab of the class description) to view additional class offerings.

Once you have found and decided this is a class you would like to register for, click select class and then add it to your shopping cart by clicking ADD TO SHOPPING CART. Now you can return to the “Search for Classes” page to continue to search for additional classes. Or you may enter the 4-5 digit class number located in the schedule that will allow you to bypass the search and take you directly to the class you want.

If there are no other classes that you want to register for, click PROCEED TO CHECKOUT and COMPLETE ENROLLMENT. You may also add and remove classes from your shopping cart by clicking ADD OR REMOVE CLASSES.

Now you will be prompted to enter a user ID and password. If you are a first-time student, Click Here (in the left-hand box) to enter your personal information. Returning students should enter user ID and password in the space provided. Then hit Sign On.

Once submitted, it may take a few minutes. Note the icon in the upper right corner of the page indicates that your request is processing. If you are a new student, you will be asked to set your password on the Registration Confirmation page. After that, print the Registration Confirmation page.

Next, click CONTINUE TO PAYMENT and CONTINUE TO TOUCHNET to pay for your classes.

If you abandon this transaction without paying once initiated, you will be dropped from the class. You have 15 minutes to complete the transaction.
To Register at Campus
Use the Career and Technical Registration form. If registering at a campus, complete the registration form and take it to your nearest Lone Star College campus. Don’t worry if you have blanks left on the form or have questions, advisors are available to help you through this process.

Add/Drop Classes
To add, drop, or change a class, you must do so prior to the class start date and time. Students who drop the class prior to the start date are guaranteed a full refund. If a drop is made after a class starts, there will be no refund.

Tuition and Fees
An infrastructure fee of $20 is assessed per semester. This fee does not apply to online courses. Additional fees may also apply to some programs and courses. Fees are subject to change and may some change after the printing of this document.

Course Availability
Some courses are offered only in selected semesters and are not available every semester. Please see course schedule for details, or go to LoneStar.edu/CE.

Paying for Classes
Payment Methods
Credit card or electronic check payment is required when registering online. Accepted credit cards include American Express, Discover, MasterCard or Visa. If you register in person, credit cards and cash are accepted. We also accept money orders and checks. Please make payable to Lone Star College. Payment is due at time of registration.

Returned Checks
There is a $30 charge plus applicable fees for returned checks. Checks returned unpaid must be promptly redeemed by cash or money order, or registration will be canceled and all records withheld.

Refunds
Students must officially withdraw before class begins to receive a refund. Otherwise, no refund will be given. Membership fees are nonrefundable. If you receive a refund check in error, please contact your nearest CE office.

Need Financial Assistance?
TEXAS PUBLIC EDUCATION GRANT (TPEG)
This funding is available based on an applicant’s eligibility and financial need. Many workforce certificate courses are eligible for TPEG funding until funds are depleted. Call your local Lone Star College CE office for more information. Go to www.fafsa.ed.gov (school code 011145) to complete the Free Application for Federal Student Aid (FAFSA) application.

WIA/Workforce Program
Some certificate programs are certified through the Workforce Investment Act (WIA). Contact Michelle Greer at 281.290.2826 or michelle.c.greer@lonestar.edu to determine if you qualify for paid job training.

Veterans
Veterans who are eligible for benefits under the Hazlewood Act should contact Veterans Affairs at 281.290.2922.

Check with your local LSC campus for more information on additional financial assistance programs.

STUDENT SERVICES

Books
If books and supplies are required, they are not included in the cost of the course, unless indicated in the course description. Books may be purchased in the LSCS bookstores or online at efollett.com.

Student Career & Talent Acquisition Services
Lone Star College System has a number of ways to assist with your career search. First, our camps Career Services staff can help you determine which career is right for you, then match that with the correct degree or certificate program to prepare you with the right skills and knowledge. As you nearing your education at Lone Star College, our Student Talent Acquisition Center offers online services and in person job fairs to connect you to Houston area employers. Please go to LoneStar.edu/career-services or LoneStar.edu/career-fairs websites or call 281.290.2997.

Disability Support Services (ADA Compliance)
Lone Star College System is dedicated to providing access and services in compliance with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act. Support services for students with disabilities are provided on an individual basis. Request for services must be made through the Office of Counseling Services. For information or assistance, call a Lone Star College campus.

Library Services
The mission of the LSCS Libraries is to support a successful educational experience, nurture the intellectual and cultural life of the community, encourage critical thought, promote information literacy, and provide innovative and high-quality services and programs. For more information, visit LoneStar.edu/library/about-libraries.

Parking Regulations
All LSCS students and visitors are required to obtain a permit to park on college property. Parking permits are required 24 hours a day. For more information, go to LoneStar.edu/parking, call 281.765.7836 or email parking@LoneStar.edu. Vehicle registration for students is valid for one academic year, from the issue date to the end of the academic year (August 31).

Senior Adult - Benefits
Academy for Lifelong Learning (ALL) is a membership program that offers courses specifically designed for active adults age 50+. The membership fee is nonrefundable. For more information, contact the Lone Star College ALL program nearest you.

LSC-CyFair  281.290.5273
LSC-Kingwood  281.312.1750
LSC-Montgomery  936.273.7446
LSC-North Harris  281.765.7947
LSC-Tomball  281.357.3676
LSC-Victory Center  281.765.7947

Persons 60 years and older may receive discounted tuition for certain classes. The discounted price does not apply to all courses. Contact your local CE office to determine eligible classes.

Transcript Request
CE students can order a transcript through the CE Student Center in myLoneStar or contact the CE office to process a request on your behalf.

Veterans Affairs
Students using Military/Veteran Education Benefits must meet with a Campus Veteran Liaison/Advisor prior to enrolling. The Campus Liaison/Advisors will assist you with your degree plan and ensure your classes are eligible for Military/Veteran Education benefits. Visit LoneStar.edu/veteran-services or call 281.290.2922.
Resources

Youth Programs
Lone Star College offers youth classes in the summer and some specific courses throughout the year that provide students an opportunity to enhance existing talents or develop new ones through a variety of classes in age-appropriate groups. For more information contact the Lone Star College near you. The summer sessions begin in June.

Definition of Terms

Certificates
Course: A certificate of completion is awarded upon successful completion of a workforce education course to document Continuing Education Units (CEUs). The number of CEUs awarded for the course will be listed on the course certificate.

Workforce: A CE Workforce Development Certificate is awarded to a student who successfully completes a grouping of related continuing education courses that are required for an entire program of study. For details or to apply, contact your local CE office.

Continuing Education Units (CEUs)
One CEU is 10 contact hours of successful completion of a continuing education course. CEUs are recognized internationally as a measure of substantive professional education and training.

Instruction Types
The instruction type for all classes is ‘In Person’ unless otherwise noted.

- In Person: face-to-face instruction attended on-campus in a classroom setting.
- Online: Complete class in a virtual setting. Access your online class at LoneStar.edu/lsc-online.
- Hybrid: a combination of in person instruction with computer-, internet-, paper, or online learning features.

Linked Courses
Linked courses are designated by a symbol in the class schedule. If a CE linked course was taken from 2005 to present, it can be articulated if it is linked to credit courses. These classes may last the entire semester or any portion thereof. Students who register for these classes are enrolled in the same section as credit hour (SCH) students and must meet all prerequisites and instructor requirements. Students who wish to receive credit hours must complete a Prior Learning Assessment by CE-Credit Articulation form and petition for credit. For details, go to LoneStar.edu/PLA or see an advisor.

Policies

Age Guidelines
CE classes are designed to serve adult learners. Students who are 16-17 years old must have written parental permission to attend a class.

Class Cancellations
Although CE personnel will attempt to contact students in the event a class is canceled, it is the student’s responsibility to check their class status before attending. Students can check their class status by calling their campus or going to LoneStar.edu/myLoneStar and go the CE Student Center.

Emergency Closing/Inclement Weather
In the event of inclement weather or emergency closing, the Location Executive Officer (LEO) or designee may cancel all or some classes. Generally, such decisions will be made between 5:30 and 6 a.m. for day classes and by 3 p.m. for evening classes. When off-campus facilities are closed for any reason, the college classes at those sites will be canceled. The closing announcement will be made on LoneStar.edu, as well as on all local network channels for all locations.

Family Education Rights and Privacy Act
The Family Educational Rights and Privacy Act (FERPA), also known as the Buckley Amendment, was established to protect the privacy rights of all students and applies to any educational facility receiving federal funds.

The Act prevents the release of certain information held within student records. Information is provided within this site for individuals seeking student records and for staff seeking information on FERPA regulations and how to properly manage student records. For more information, go to LoneStar.edu/ferpa.

Health Notice and Immunization
Students in programs that require immunizations must submit proof of such immunizations.

Notice of Non-discrimination
Lone Star College System maintains a work and academic environment that is free from discriminatory actions based on race, color, gender, age, sexual orientation, religion, ethnic or national origin, disability, veterans’ status, or any other protected status, and free of sexual discrimination, which includes sexual harassment and sexual violence. Unlawful discrimination and sexual discrimination by officers, managers, faculty, supervisors, employees, students, advisors, vendors, clientele, and contractors will not be tolerated. Persons who violate such are subject to disciplinary action, up to and including termination of employment, expulsion and/or termination of the contractual relationship.

The following employee has been designated to handle inquiries regarding the non-discrimination policies:

Ronda Rotelli
Chief Human Resources Officer, Equal Opportunity Officer, Title IX Investigator
5000 Research Forest Drive
The Woodlands, TX 77381
832.813.6235.

Inquiries may also be directed to the Office of Civil Rights, U.S. Department of Education.

Refunds
Students must officially withdraw before class begins to receive a refund. Otherwise, no refund will be given. Membership fees are nonrefundable.

Sex Offender Policy
Effective September 1, 2003, the Texas Code of Criminal Procedure 62.03(h) requires each person who is required to register as a sex offender and who intends to be employed, work with a contractor, or attend classes at an institution of higher education to register with the campus police department within seven days. Current LSCS board policy requires that sex offenders seeking to enroll at, provide services to, or be employed with LSCS submit information pertinent to his or her offenses to the System Review Committee to determine his or her eligibility for enrollment, vendor services or employment. A person seeking to be a student shall be required to be approved before completing the registration process.

FAQs

What if I move or change my phone number? Go to myLoneStar.edu and select CE Student Center to update your personal information.

What is the tuition/fees refund policy? Students must officially withdraw before class begins to receive a refund. Otherwise, no refund will be given. Membership fees are nonrefundable.

Do I need a LSCS student ID card? All CE students are eligible for IDs. Students registered in healthcare programs must get a photo ID within the first week of class.

Do I need a meningitis vaccine? Some students may require the meningitis vaccination. For more information, visit LoneStar.edu/meningitis.

* Social Security Number is required if you are applying for financial aid but is not required for admission. Providing a Social Security Number (SSN) will, however, speed up the processing of your application since we will not need to manually match your application with other materials such as transcripts and test scores. Supplying a SSN also ensures that you will be able to claim the Hope Tax Credit if you are eligible on your federal tax return. Lone Star College uses the SSN for compliance with federal and state reporting requirements and has a strong commitment to ensuring the privacy and confidentiality of student records and will not disclose your Social Security Number without your consent for any purpose except as allowed by law.

### Program & Course Listings

#### Machining

**Machinist**
- Machine Shop Mathematics: MCHNC 1104306, 64 hours, $577 (CC | UP)
- Blueprint Reading and Sketching: DFTGC 1102500, 48 hours, $441
- Machine Shop, Basic: MCHNC 1103801, 80 hours, $782
- Professionalism in the Workplace: BUSGC 2101202, 7 hours, $92

**Total:** 199 hours, $1,892

*Prepares for first NIMS Exam*

**Machine Tool (CNC) Operator**
- PREREQUISITE: Machinist Certificate
- CNC Machine Controls, Fundamentals: MCHNC 1200300, 48 hours, $441
- Operation of CNC Turning Centers: MCHNC 1203100, 64 hours, $577
- Operation of CNC Machining Centers: MCHNC 1203400, 64 hours, $577

**Total:** 375 hours, $3,487

#### Oil & Gas Drilling

**Floor-Hand/Roustabout**
- Introduction to Oil and Gas: PTRTC 1109110, 24 hours, $330
- Introduction to Industrial Maintenance: INMTC 1100501, 80 hours, $833
- Basic Mechanical Skills for Energy: ENERC 1103001, 64 hours, $673
- Work Skills for the Workplace: BUSGC 1101200, 8 hours, $104
- Drilling (Rig Floor Core Skills): PTRTC 1100301, 80 hours, $833
- IADC RIG PASS®: PTRTC 1202500, 8 hours, $149
- IADC WellCap®: PTRTC 1109105, 24 hours, $330

**Total:** 288 hours, $3,252

**Motor-Hand**
- PREREQUISITE: Floor-Hand Certificate
- Diesel Engine Testing and Repair: DEMRC 1101000, 80 hours, $833
- Diesel Engine I: DEMRC 1100601, 48 hours, $513
- Basic Electrical Systems: DEMRC 1100501, 80 hours, $833
- Programmable Logic Controllers: RBTCC 1140101, 80 hours, $833

**Total:** 576 hours, $6,264

#### Welding

**Shielded Metal Welder (SMAW)**
- Blueprint Reading for Welding: DFTGC 2102301, 32 hours, $296
- Math for Welding: WLDGC 2109117, 32 hours, $296
- Professionalism in the Workplace: BUSGC 2101202, 7 hours, $92
- Shielded Metal Arc Welding (SMAW) Part I: WLDGC 2100302, 40 hours, $500
- Shielded Metal Arc Welding (SMAW) Part II: WLDGC 2100304, 40 hours, $500

**Total:** 151 hours, $1,625

**Gas Metal Welder (GMAW)**
- Gas Metal Arc Welding (GMAW) Part I: WLDGC 2104302, 40 hours, $500
- Gas Metal Arc Welding (GMAW) Part II: WLDGC 2104303, 40 hours, $500

**Total:** 80 hours, $1,000

**Gas Tungsten Welder (GTAW)**
- Gas Tungsten Arc Welding (GTAW) Part I: WLDGC 2204404, 40 hours, $500
- Gas Tungsten Arc Welding (GTAW) Part II: WLDGC 2204403, 40 hours, $500

**Total:** 80 hours, $1,000

**Pipe Welder**
- Shielded Metal Arc Pipe Part I: WLDGC 2104101, 40 hours, $500
- Shielded Metal Arc Pipe Part II: WLDGC 2104102, 40 hours, $500

**Total:** 80 hours, $1,000

About LSC-CyFair

Cypress-Fairbanks residents voted to become part of Lone Star College System in August 2000 and the new Lone Star College-CyFair opened in August 2003 as the fifth Lone Star College. LSC-CyFair now has two locations to help make education accessible and convenient for the rapidly-growing Cypress-Fairbanks area: 1) The LSC-CyFair campus on Barker Cypress Road at West Road, a 200-acre, state-of-the-art campus centered around beautiful ponds; and 2) The LSC-Fairbanks Center at U.S. Highway 290 and West Little York Road, which is strategically designed for students who live or work in the southeast portion of the Cy-Fair community. A second satellite center, LSC-Cypress Center, will open this fall at Clay and Fry Roads.

Highlights

- LSC-CyFair offers more than 60 areas of study for the traditional, full- or part-time student; university partnerships, academic transfer courses and degrees; and workforce development and continuing education.
- Leading-edge technology to promote relevant job skills in CISCO, Visual Communications and more.
- State-of-the-art welding and manufacturing center, preparing students for degrees in welding, manufacturing, machining, electronics, drafting, engineering technology and more.
- Exceptional health care programs including nursing, medical radiologic technology, medical assisting and sonography and newly-added magnetic resonance imaging.
- Access to a comprehensive library system via a collaborative community partnership with the Harris County Public Library and LSC-CyFair.
- Training for Emergency Medical Services and fire science students at the Emergency Services Education Center via a collaborative community partnership with LSC-CyFair and the Emergency Services District.
- The Center for the Arts houses the visual and performing arts featuring artistic talent in many mediums displayed in the Bosque Gallery as well as choral, instrumental and theatrical performances year round.
About LSC-Kingwood

When Lone Star College-Kingwood opened in August 1984 as the second Lone Star College it was referred to as the “East campus”. Situated on 273 beautifully landscaped wooded acres, LSC-Kingwood is conveniently located at U.S Highway 59 and Kingwood Drive in the northeast sector of the Lone Star College System.

LSC-Kingwood offers two off-site locations to better serve the rapidly-growing communities of Kingwood, Humble, Atascocita, and eastern Montgomery County. The locations include: 1) The LSC-Atascocita Center at 15903 West Lake Houston Parkway, which opened in 2011; and 2) The LSC-EMCID Center at the East Montgomery County Improvement District’s state-of-the-art, high-tech facility. In addition, LSC-Kingwood offers high school students the opportunity to earn college credits through its dual credit and early college programs.

Highlights

- In addition to opening the new LSC-Atascocita Center in 2011, two new buildings were completed and opened on the LSC-Kingwood campus – the Student Conference Center and the Music Instructional Building, both beautiful, state-of-the-art facilities that helped expand services and offerings to students.
- LSC-Kingwood offers more than 60 areas of study for the traditional, full- or part-time student; university partnerships, academic transfer courses and degrees; and workforce development and continuing education.
- LSC-Kingwood’s Center for Civic Engagement is a unique program that encourages students, faculty, and staff to become active citizens involved in their communities by providing opportunities and resources to engage in service oriented community activities.
- LSC-Kingwood’s Dental Hygiene Program, which is one of the top in the state of Texas, has consistently had an 100 percent pass rate on state board exams by its students.
- LSC-Kingwood offers other health-related training to prepare students for health careers including nursing, occupational therapy assistant and respiratory care therapist.
- LSC-Kingwood offers Cosmetology and Facial programs that fully prepare students to meet the requirements to take licensing exams for the state of Texas.
- LSC-Kingwood has its own television production studio and cable TV station (Channel 42 on Suddenlink.)
About LSC-Montgomery

In August 1995, Lone Star College-Montgomery opened its doors as the fourth Lone Star College with a dedication ceremony led by then Texas Gov. George W. Bush. It was established as a comprehensive college located on 165 acres of pine forest between The Woodlands and Conroe, to serve the residents of Montgomery County. Like other Lone Star Colleges, LSC-Montgomery recently experienced the most significant campus expansion in its history with three new buildings opening in 2011 on the main campus, as well as a new northside center in the Conroe/Willis area – the LSC-Conroe Center. LSC-Montgomery is also located just footsteps away from the LSC-University Center at Montgomery, which offers bachelor’s, master’s and specialized degrees from several university partners.

Highlights

- LSC-Montgomery’s new buildings opened on campus in 2011 include a new Health Science Center, a one-of-its-kind Music Hall, and a General Academic Center, as well as a 1,000-space parking garage.
- A comprehensive range of transfer, workforce education, continuing education, and developmental education programs is available.
- A new, two-building campus has opened in north Conroe, convenient for northern Montgomery County residents. The LSC-Conroe Center offers both transferable college credit classes and workforce programs in a variety of trades.
- The Learning Center provides free support services, including tutoring (walk-in and appointment based), study groups, seminars, consultations, and placement test preparation. Resources for use in the center include Internet access, academic and productivity software, scientific calculators, science models and kits, and study guides for placement testing.
- A wide variety of career programs is offered, including nursing, radiologic technology, physical therapist assistant, audio visual systems specialist, human services, land surveying, automotive technology, fire science, welding, and many others.
- The college offers an outstanding honors program, honor societies, service learning, learning communities and an array of clubs and extracurricular activities.
- Many classes are offered in online or hybrid formats, as well as early morning or late evening.
About LSC-North Harris

Since 1973, Lone Star College-North Harris has been serving the residents of the Aldine, Spring and Humble school districts. It was the first and founding college of the Lone Star College System and set the pace with quality education for other Lone Star Colleges that followed it. In addition to the 200-acre main campus located on 2700 W.W. Thorne Drive in north Houston, LSC-North Harris also serves its students with three satellite centers – the LSC-Greenspoint Center located off Beltway 8 near Interstate 45 at 250 N. Sam Houston Parkway East in the Greenspoint area, and the LSC-Victory Center, located at 4141 Victory Drive.

Highlights

- Flexible class schedules and first-class professors who recognize students’ need to juggle classes with work and family responsibilities. Courses are held during the day, in the evening, on weekends and in fast-track, independent, distance or individualized study formats.
- More than 110 degree and certificate programs designed for both university transfer and career building.
- A comprehensive library for students and the community.
- On-campus child care facility operated by the Aldine-Greenspoint YMCA includes a pre-school program for children 3 and 4 years of age, after-school program for children 5 to 12 years of age, and Child Watch* – a drop-in care for children 18 months to 5 years of age, available only to currently-enrolled LSC-North Harris students.
- Free tutoring, computer lab use, on-campus parking, intramural sports programs, plus a comprehensive weight training center, dance/aerobics studio, walking trail and gymnasium.
- Leading-edge technology in emerging technical job fields.
- A safe, beautifully landscaped, suburban campus tucked amidst 200 acres of forest and clearings.
- The college’s fine arts department offers a comprehensive curriculum with programs in art, dance, theater and music.
- Classes and programs offered at LSC-Victory Center, located in the Acres Homes community and LSC-Greenspoint Center, located in Greater Greenspoint. The Health Professions Building is home to many of the college’s medical programs.

*Child Watch is only available to currently enrolled LSC-North Harris students.
About LSC-Tomball

Lone Star College-Tomball, the third of the six Lone Star Colleges, was the result of many years of dedication by community members to bring higher education to the Tomball and Magnolia communities. Residents of the Tomball Independent School District voted in 1982 to join the Lone Star College System and LSC-Tomball opened its doors for students in 1988. Today, LSC-Tomball students can earn the Associate of Arts, Associate of Science or Associate of Applied Science degrees, complete their general education courses for transfer to a four-year college or university or earn workforce certificates in a variety of areas that lead to high-demand jobs.

Highlights

- The Honors program, service learning, dual credit and international studies allow LSC-Tomball students to have an advanced academic college experience. Learning spaces such as the Performing Arts Center, Health Science Building, Veterinary Technology Building, Language and Culture Center, the iClassroom, the 21st Century Classroom and the Communications Center also enhance the collegiate experience for students.
- The LSC-Tomball Community Library, in partnership with the Harris County Public Library system, houses a wide variety of resources for the community, including a children’s library, as well as a wealth of resources to serve the research needs of students.
- In addition to traditional course offerings, fast track options, “late start” and “finish early” courses, and weekend and evening courses allow students who are balancing demands for family, school and work to find classes that best suit their lifestyle.
- To support student success, LSC-Tomball offers professional advising and counseling, financial aid services, recruitment and outreach services, testing and tutoring support, and accommodations for students with disabilities. Additionally, a vibrant Student Life department provides students with many opportunities to get connected, make friends, learn leadership skills, and enhance their academic experience.
- Continuing education courses for lifelong learners are also available. Discovery College provides a safe and fun college experience during the summer for students age 6–17. The Academy for Lifelong Learning (ALL) program offers opportunities for adults age 50+ to take free or low-cost classes and participate in personal interest activities. Preparation courses for the General Educational Development (GED) test are also offered, along with other adult basic education courses.
About LSC-University Park

Lone Star College-University Park, the system’s sixth college, opened for classes in spring 2010 where Compaq Computer and Hewlett Packard’s world headquarters once were on State Highway 249 at Louetta Road.

It is designed to be a college as well as an incubator for innovative partnerships between education, business and industry, and the community. Along with two-year degrees and certificates in many areas, LSC-University Park also offers bachelor’s and master’s degrees at the LSC-University Center at LSC-University Park, through partnerships with a number of four-year universities. LSC-University Park also houses LSC-Online, the Veterans Affairs Center, Lone Star Corporate College and the Lone Star College Conference Center. LSC-University Park is one location with many opportunities, making higher education convenient, affordable and accessible to the northwest Harris County community.

Highlights

- Offers associate degrees, face-to-face or online, credit and non-credit courses, workforce training, and continuing education classes as well as certificates in many workforce programs of study.
- Faculty members possess the academic credentials, business and industry experience, and student-centered focus that deepen critical and creative thinking to enhance student success.
- Interactive teaching and engaged learning.
- On-site “first-stop” student services including financial aid assistance, tutoring, advising, counseling, and assessment and placement testing.
- On-site bookstore, digital library services, computer resources and much more to help students achieve their goals.
- Specialized services available for veterans, international students, and ADAA accommodations.
- University partners offer bachelor’s and master’s level classes and degrees on-site at the same facility. Current LSC-University Center at University Park partners include: University of Houston, University of Houston-Downtown, Sam Houston State University and Texas Southern University.
- 2+2 programs offer seamless credit transfer – two years at Lone Star College with two years at a four-year university on site.
