ACADEMY FOR LIFELONG LEARNING

A learning organization for active adults 50+

Join the Academy for Lifelong Learning at Lone Star College-Montgomery.

The Academy for Lifelong Learning (ALL) is a membership community which offers free and low-cost classes, events and activities for active adults 50+.

Your annual \$35 membership entitles you to register for ALL classes at the Lone Star College-Montgomery campus. Some classes may require small event, supplies or entrance fees.

As a member, you can help decide what is offered, volunteer to teach a course, or help arrange day trips. You will also receive advance notice of our many fine arts events and have access to our library and computer labs.

How to Register

- **By Phone:** Call the CE office to register by phone. 936.273.7446
- **Visit** the Continuing Education/ALL Office. Lone Star College-Montgomery Building E, Room 205, M-Th, 8 a.m.-3:30 p.m., and Friday, 8 a.m.-3:30 p.m.
- **Attend** the Open House, August 20 from 11 a.m. – 1 p.m. in Building A/The Commons
- **By Fax:** Fax your Registration Form to 936.273.7262
- **On-line:** LoneStar.edu/CE-registration

Learn To Register Online

Attend one of the Friday Computer Help Lab sessions to learn to register online and access the ALL Web site!

ALL Refund Policy:

No refunds are given for yearly Academy for Lifelong Learning membership fees. Regarding classes, members must officially withdraw before class begins to receive a refund for the course fee. Otherwise, no refund will be given.

MEMBERSHIP

Academy for Lifelong Learning

The Academy for Lifelong Learning (ALL) at Lone Star College-Montgomery is a membership organization for older adults. It offers non-credit classes and social activities for continued intellectual and personal growth. **A non-refundable \$35 membership fee** entitles you to take more than 75 percent of the courses free of charge and to utilize the services of LSC-Montgomery, such as the library, Internet access, and theatre activities. Join ALL and participate in social activities with older, active adults and share a joy of learning with people who will broaden your life. Study under the guidance of individuals who represent a wide range of expertise and life experience including professors, subject matter experts, guest lecturers, hobbyists and fellow members. Join ALL and develop friendships with a diverse group of people and be a part of a collective voice of active adults in the community. One academic year membership fee (September 1-August 31) \$35. Fee is added when you register for your first class. Join us in this social network.

Readers' Theater

If you have acting in your blood or would like to try something new, join us for a staged reading. If you have a desire to have a part in a play that does not require a lot of rehearsal preparation and memorization of lines, this fun eight-week course will help you gain confidence in reading and performing in front of a small audience. Class meets at The First Presbyterian Church in Conroe Family Life Center Little Theater, 2727 N. Loop 336 W. The fee for this class includes a copy of the script that you can mark up and use as your own. Final class session is an opportunity to perform for friends and family. (Class meets Sept. 15, 22, 29, Oct. 6, 13, 20, 27) (Rehearsals) Nov. 3 (performance) 7 Sessions plus ShowTime. Fee \$15.

First Presbyterian Church-Conroe

15972 Th 9/15 - 10/27 4 - 7 p.m. Sanders

COMPUTERS & TECHNOLOGY

Computer Boot Camp

In one month we will have you in basic shape with a working knowledge of computers. Each class is taught by an instructor and coach, and will build on the previous class experience. Studies show repetition and practical application will help students become comfortable in a technical world. Classes are small in order to provide more personal attention. Practice time is available each week under the guidance of a coach. Fee includes a jump drive to save your work. 6 Sessions over three weeks. **(Week One: ABCs of Computers - Basic Skills)**. This training is for students who have limited knowledge of computers. It will prepare students to work effectively within the Windows environment and will place an emphasis on developing basic skills with the keyboard and mouse while explaining computer hardware and software. You will learn how to access and navigate the internet. **(Week Two: PC101 - Basic Word Processing and File Management)** This course will use Microsoft WORD 2007 to teach the basic skills needed for word processing. You will learn basic computer file management techniques so that you will be able to store and find things on your computer. You will learn to save items to a jump drive so you can take your work "on the road". **(Week Three: PC102 - Basic Spreadsheets, Internet, and E-mail)** This course will use Microsoft EXCEL 2007 to teach the basic skills needed to develop spreadsheets and useful ways to use them for everything from home budgets to keeping track of your address book or book library. 6 Sessions over three weeks. Fee \$ 46.

How to Register Online Tips

Have your student ID Number handy

Have credit card ready for fee-based classes.
www.LoneStar.edu

Click on A-Z on top of page.

Click on Continuing Education

Click on Register for Spring 2011 CE Classes

Search Subjects line, **enter** CALLC (this will pull up Academy for Lifelong Learning (ALL) Classes)

Enter campus (type in Montgomery or use drop down box)

Scroll down list of ALL classes. **Confirm** dates and name of ALL class.* **Click** on Select Class button. (green button).*

Click on Add to Shopping Cart

Click on Return to Class Results to select more classes OR Proceed to Checkout Click on Proceed to Enrollment (green button)

At this point you will need to enter your Student ID Number and Password. As an ALL Member who has paid for the \$35 membership fee already, you will be able to proceed from this point to payment. If you have ever been an ALL member or student, you will have already been issued an ID number and are considered a returning student. If you have not yet paid membership fee or joined ALL, you will need to complete new student information. (***Note: ALL classes will show the \$35 membership fee, but you will not be charged this fee to complete registration.**)

Confused? Attend a Computer Help Lab class on Fridays for assistance or attend demo at Open House.

Volunteers

ALL is a volunteer-driven organization. Share your time and talents and meet new people involved in this exciting organization. E-mail: MCall@LoneStar.edu or call the hotline at 936.271.6146 and give us your name and contact information!

From all of us

Special thanks to the many individuals and organizations that make this program a success. Guest lecturers include the faculty and staff of LSC-Montgomery as well as members of the Texas Agrilife Extension, Montgomery County Master Gardeners, Montgomery County Genealogists – Internet Research Group, Daughters of the American Revolution, Sons of the Republic of Texas, Silverado Senior Living, and Texas Forest Service. Subject matter experts in the fields of finance, law, art and technology, as well as the many hobbyists and ALL members help to make the Academy for Lifelong Learning a unique community program.

LSC-Montgomery ALL Advisory Council:

Denese Schmelzkopf, Chair
John Haydel, Vice Chair
Helen Bostock, Immediate Past Chair
Janice Bachesais, Helen Burwell,
Geneva Carroll, George Clausen,
John Dantche, Adora Kutchin, Richard Sanders,
Coulson Tough, Mary Whitaker, Lynda Woodruff

Staff

Celyn Christophe, Director
Donna Smith-Burns, Program Coordinator

Reminder:

Continuing Education is no longer accepting credit cards by phone for classes with fees.

Your Student ID#

You may now use your Student ID number instead of your Social Security number to register for classes. After you have signed up for your ALL Membership, your receipt will have the 7-digit STUDENT ID number in the upper left of the receipt/confirmation of classes. Use this number when you register for classes. Your Student ID number will never change.

For an additional \$5 you may go to Student Services in the A Building and obtain a Photo ID with your Student ID number. This Photo ID will then allow easy access to the library on campus and to other campus events.
