Request: Consideration of the Recommended Revision of the Lone Star College System Board Policy Manual Section VI.D.1. Non-Academic Student Travel (FIRST READING)

Chancellor’s Recommendation: That the Board of Trustees consider the recommended revision of the College’s Board Policy Section VI.D.1. Non-Academic Student Travel, clarifying the definition of Non-Academic Student Travel.

Rationale: The proposed revision of Section VI.D.1. Non-Academic Student Travel clarifies what travel is considered non-academic student travel. This revision creates a workable standard that everyone should find easier to understand and apply than the current version. This revision also allows our club sports teams and leagues more flexibility while still requiring documentation on longer distance trips. Finally, this revision distinguishes between academic and non-academic travel.

Fiscal Impact: None

SECTION VI – STUDENTS

VI.D. STUDENT WELFARE AND RIGHTS

VI.D.1. Non-Academic Student Travel

VI.D.1.1. Policy
The College provides equal non-academic student travel opportunities to all students regardless of race, color, sex, age, sexual orientation, religion, ethnic or national origin, disability, veteran status, or any other protected status. Section VI.D.1. applies only to Non-Academic Student Travel as defined below.

VI.D.1.2. Definitions
(a) Necessary Student Travel Paperwork includes all required forms specified in the Chancellor’s Procedures for Non-Academic Student Travel.

(b) Non-Academic Student Travel covered by this Policy means travel that meets three conditions. First, the travel must be at least farther than 25 miles\(^1\) from the closest Lone Star College campus or satellite center to the final destination. Second, the travel is not directed by an instructional employee to achieve an academic objective. Third, either (1) the College funds the travel \textit{and} uses a college-owned or -leased vehicle,\(^2\) or (2) a college-registered student organization requires the travel.\(^3\) Travel that does not meet all three of these conditions is not considered Non-Academic Student Travel and Section VI.D.1. does not apply.

(c) Non-Academic Student Travel Funded by the College means paying for expenses associated with the activity or event from a College-maintained budget item or fund. The College funds travel even if an outside tour company arranges the College-sponsored trip and travelers pay their own travel-related expenses.

(d) Non-Academic Student Travel Required by a Registered Student Organization means the travel related to the organization’s official activities, including attending and participating at conventions, workshops, athletic events, and non-athletic competitions. This definition does not include social or optional events organized by a registered student organization or an optional course activity recommended by a faculty member.

VI.D.1.3. Non-Academic Student Travel
Students complete and submit Necessary Student Travel Paperwork at least five working days before the Non-Academic Student Travel. Commercial airlines, College-owned, -rented,
or -leased vehicles, and commercial vehicles are approved transportation modes for Non-Academic Student Travel under this policy.4

(a) College-Provided Transportation. A driver transporting students in College-owned, -leased, or -rented vehicles must meet the following qualifications: (1) be a College employee approved by the Chief Student Services Officer, (2) have a valid driver’s license appropriate for the vehicle being driven, and (3) have a satisfactory driving record.5

The driver must also ensure that passenger numbers do not exceed the vehicle’s designated passenger capacity6—each passenger must be secured by a seat belt.7 A driver must not drive for more than three consecutive hours without taking a 15-minute break from driving.8 A driver may not read emails or text messages while driving students. A driver must obey all safety procedures and traffic laws.9

(b) Student-Provided Transportation. The following applies when student-owned vehicles are used for Non-Academic Student Travel: (1) College students are not covered by the College’s vehicle insurance policies and cannot be College-approved drivers; (2) adult students drive their own private vehicles at their discretion and peril; (3) adult students riding with another adult student do so at their discretion and peril; (4) College employees cannot arrange for students to drive other students; (5) all student drivers must sign a liability waiver for driving their own vehicle and submit this in accordance with the Necessary Student Travel Paperwork; (6) all student-owned vehicle accidents or collisions must be covered by the student’s vehicle insurance policy; (7) the Non-Academic Student Travel conditions must be detailed in the appropriate form submitted with the Necessary Student Travel Paperwork; and (8) the College must provide student drivers with directions to the intended destination.

Chancellor’s Recommendation: That the Board of Trustees consider the recommended revision of the College’s Board Policy Section VI.H. Student Records, clarifying that the Chancellor or a designee may share certain student records with select partner institutions.

Rationale: The proposed revision of Section VI.H. Student Records allows the College to share certain student records defined as limited directory information with select partner institutions. Students nevertheless retain the right to request that none of their information be shared with these select partner institutions.

Fiscal Impact: None

SECTION VI – STUDENTS

VI.H. STUDENT RECORDS

VI.H.1. Student Records
The College will comply with the Family Educational Rights and Privacy Act of 1974 (FERPA) when collecting, maintaining, and releasing student records. Students have rights regarding their records.

(a) The right to inspect and review their education records within 45 days of the College’s receipt of a written request for access.

(b) The right to request amendment of the student’s education records if the student believes the records are inaccurate, misleading, or violate the student’s privacy rights.

(c) The right to provide written consent before the College discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

(d) The right to file a complaint with the Family Policy Compliance Office, U.S. Department of Education, concerning alleged failures by the College to comply with the requirements of FERPA.

Directory Information. The College collects directory information regarding each student. Directory information includes the student’s name, classification, full or part-time enrollment, program of study, dates of enrollment, degrees and certificates received, and awards and honors received. The College may release directory information without the student’s consent unless the student requests that the College not release directory information. A student may make such a request to the Office of Student Records or by updating their MyLoneStar settings.

Limited Directory Information. The College also collects the student’s address, telephone number, and email, which the College classifies as Limited Directory Information. Only College Partner Organizations can request a student’s Limited Directory Information. The College may release Limited Directory Information to College Partner Organizations without the student’s consent unless the student requests that the College not release this Limited Directory Information. A student may make such a request to the Office of Student Records or by updating their MyLoneStar settings. The Associate Vice Chancellor of Analytics and Institutional Reporting maintains an updated list of approved College Partner Organizations.
Policy Report and Consideration No. 4       (FIRST READING)       Board Meeting 10-3-16

Request:  
Consideration of the Recommended Revision of the Lone Star College System Board Policy Manual Section I. Governance (FIRST READING)

Chancellor’s Recommendation:  
That the Board of Trustees review a revision to the College’s Board Policy Manual Section I. Governance which covers College policies related to College Governance, namely: the College’s legal status, foundational principles and administrative organization; the powers, duties, responsibilities, and organization of the Board of Trustees; Board meetings; and Trustee elections and service.

Rationale:  
It has been several years since most of Section I. Governance was revised, and several policy matters needed to be revisited and, as necessary, revised or reaffirmed. During the revision process, it became apparent that the current version of Section I. Governance is over-inclusive, containing many long quotations of applicable statutes and repeating several policy statements. The revised version of Section I. Governance streamlines and condenses the section for readability and utility, reducing the total page count from 66 to 32 while retaining all essential policy statements and adding new important policy statements related to College governance and the Board of Trustees. The Board Policy Review Committee also recommends adoption of this proposed revised section.

Fiscal Impact:

**I.B.1.6. Multicultural Education**

The College recognizes the increasingly diverse, multicultural nature of a democratic society consisting of age, racial, gender, ethnic, and religious groups whose cultures, values, beliefs, and lifestyles are valuable. To encourage full implementation of the College’s Value Statements, which support dynamic, diverse learning communities and accessible, quality educational programs, the Board declares the following guiding principles for the College:

(a) The College fully recognizes individual persons’ rights to learn within frameworks of multicultural experiences to maximize the development of their human potential.

(b) The College will promote and support each college’s efforts to design and implement instructional experiences and support services to cultivate a more humane, democratic, and multicultural society.

(c) The College will foster instructional and student-life environments which give students a basis to understand and appreciate all individuals’ contributions to our society.

**I.B.1.7. Multi-College Philosophy**

The College and its member-colleges seek to serve students’ best interests. The College’s system offices are established to help member-colleges provide student and community services and programs. Matters of curriculum, financial planning, capital investments, and binding financial agreements—including contractual appointments—are coordinated College-wide. Within Board
Policy and the Chancellor’s Procedures, member-colleges operate independently to meet the College’s mission and goals. Presidents participate fully in establishing College-wide priorities. Presidents are line officers responsible and accountable to the Chancellor for performance of their duties. The College is a single entity for accreditation and legal purposes. Decisions are made as close as possible to the point where they are carried out. College employees have the responsibility and authority necessary to fulfill their duties as contained in their job descriptions or contracts. Member-colleges and system offices establish goals and objectives consistent with, and supportive of, College-wide values and goals, as well as action plans to accomplish those goals and objectives. Member-colleges are responsible for establishing and cultivating positive community relations within their service areas. Resources are allocated to achieve optimal quality levels for all College programs.

I.B.1.8. Institutional Effectiveness Plan
The College provides quality education throughout its programs and services. The College’s Board of Trustees ensures institutional effectiveness by measuring goal attainment under the College’s Value Statements.

This process is integral to the College’s administration and receives the support and consideration it demands. Each College program and administrative area maintains ongoing short- and long-range planning processes which include environmental scanning and input for effective decision making and planning. Each College department’s planning processes develop necessary goals and instructions to identify criteria for measuring success. Each College department continuously monitors and evaluates its performance and achievements. This evaluation process improves the function and the planning process itself.

The College is committed to, and complies with, the Criteria of the College Delegate Assembly, either current or as hereafter modified, consistent with policies and procedures of the Commission on Colleges of the Southern Association of Colleges and Schools.

The College understands and agrees that the Commission on Colleges may, at its discretion, make known to any agency or member of the public the nature of any action, positive or negative, regarding status with the Commission. The College agrees to disclose to the Commission on Colleges any and all such information as this Commission may require to carry out its evaluating and accrediting function.

I.B.1.9. Program Offerings
The College provides: (1) technical programs up to two years in length leading to associate degrees or certificates; (2) vocational programs leading directly to employment in skilled and semi-skilled occupations; (3) freshman and sophomore courses in arts and sciences; (4) continuing adult education programs for occupational or cultural upgrading; (5) compensatory education programs designed to fulfill the commitment of an admissions policy allowing disadvantaged students to enroll; (6) a continuing program of counseling and guidance designed to assist students in achieving their individual educational goals; (7) workforce development programs designed to meet local and statewide needs; (8) adult literacy and other basic skills programs for adults; (9) educational programs empowering individuals to work wherever opportunities arise; and
(10) such other programs as may be prescribed by the Texas Higher Education Coordinating Board in the best interest of Texas post-secondary education.

I.C. THE COLLEGE’S ADMINISTRATIVE ORGANIZATION

I.C.1. Administrative Structure

I.C.1.1. Policy
The College’s Board of Trustees adopts policies to direct the College to accomplish its mission. The Chancellor is the College’s Chief Executive Officer. The Chancellor implements policies adopted by the Board and is the only employee reporting directly to the Board.

The Chancellor defines appropriate reporting lines in the College’s line-and-staff organization. The College creates and maintains councils and committee structures that foster opportunities for employees, students, and others to have input into the College’s decision making process.

I.C.1.2. Definitions

(a) **Board** means the Board of Trustees with ultimate legal authority to govern the College.

(b) **Board Policy** (or **Policy**) means written statements adopted by the Board to direct and guide the College, as found in the College’s official policy manual.

(c) **Chancellor’s Procedure** (or **Procedure**) means directions approved by the Chancellor for implementing Policy, as found in the Chancellor’s official procedure compilation maintained by the Chancellor’s designee.

(d) **Participatory Governance** means the process whereby faculty and staff have the opportunity and the responsibility to provide input, ask questions, and pose possible outcomes during the information-gathering phase of decision making.

I.C.1.3. Policies and Procedures
The Chancellor is the final authority on Procedure, but the ultimate authority in the College’s governance structure is the Board, and final decisions on governance matters always rest with the Board. When Policy and Procedure conflict, Policy always controls. When any College or office document conflicts with the Chancellor’s Procedures, the Chancellor’s Procedures always control.

I.C.1.4. Construing Policy and Procedure
The standards in the Code Construction Act, Chapter 311, Government Code, apply when construing Board Policy or the Chancellor’s Procedures. The Board has the final authority to interpret Board policy.

I.C.1.5. Participatory Governance
Participatory Governance applies to Policies and Procedures considered, formulated, and presented for adoption and support. This helps the Board and College to adequately consider issues
from all viewpoints. Participatory Governance requires College officers, faculty, and staff to develop an environment of transparency, mutual trust, and mutual respect. The Faculty Senate Presidents shall meet with the Chancellor to discuss issues important to faculty before each regularly scheduled Board meeting from September to May.

I.D. BOARD POWERS, DUTIES, AND RESPONSIBILITIES

I.D.1. Board of Trustees

I.D.1.1. Policy
All authority over the College not vested by Texas law in the Texas Higher Education Coordinating Board or in the Texas Education Agency shall be reserved and retained locally by the College or its Board as provided by applicable law. The Board and each Trustee perform their responsibilities and duties to the best of their collective and individual abilities.

I.D.1.2. Definitions
(a) Trustee means an individual legally chosen to serve on the Board, whose term of office has begun and not yet ended.

I.D.1.3. Official Board Action
The Board acts only in official meetings that comply with the Texas Open Meetings Act. Each Board decision binds the entire Board, and Trustees support the Board’s majority decisions even when they voted against the decision.

The Board acts as a unit; therefore, Trustees exercise authority only as a group and only in Board meetings properly announced, convened, and conducted by at least a quorum of the Board. Nevertheless, each Trustee has legal fiduciary responsibilities in managing College funds. The Board has final authority to adopt and interpret policies governing the College and, within limits imposed by other legal authorities, has full control over the College.

The Board (a) systematically and comprehensively reviews and evaluates College policies to ensure that they are current, relevant, and useful; (b) focuses on policy, not administrative matters; (c) considers and respects minority opinions and makes decisions independent of bias for or against any specific subset of the community; (d) has adequate input into planning meeting agendas; and (e) ensures that recruitment and selection processes reflect well on the College and attract excellent candidates.

I.D.1.4. General Powers and Duties
The Board, composed of lay Trustees, exercises a traditional, time-honored role—the keystone of the College’s governance structure. The Board (a) preserves institutional independence and manages College affairs through its chosen administrators and employees; (b) enhances the College’s public image; (c) interprets the community to the College and interprets the College to
the community; (d) nurtures the College to achieve its full potential within its role and mission; and (e) insists on clarity in the College’s focus and mission.

The Board ensures that the College is integral to its community and serves its ever-changing needs. Trustees are accountable to the community for the College’s performance and welfare. The Board functions as a cohesive group to articulate and represent a balanced College and public interest, establish a climate for learning, and monitor the College’s effectiveness. The Board does not do the College’s work; rather, it establishes vision for the College’s work by adopting policies.

I.D.1.5. Specifically Defined Powers and Duties
Under Texas law, the Board has the following specific powers and duties (among others):

(a) The Board governs and controls the College’s establishment and management by applying applicable general law and specific laws governing public community colleges. The Board has exclusive power and duty to govern and oversee the College’s management.

(b) Within the limits of Texas law, the Board sets and collects any amount of tuition, rentals, rates, charges, and fees it considers necessary for the College’s efficient operation. It may set different tuition rates for each program, course, or course level the College offers to reflect course costs, promote efficiency, or for any other rational purpose.

(c) The Board directs the College by adopting policies.

(d) The Board adopts an annual budget with an itemized current operating budget before September 1st of every year.

(e) The Board conducts an annual audit under the approved financial reporting system.

(f) The Board submits annual reports to the Texas governor, comptroller, state treasurer, state auditor, and legislative budget board.

(g) The Board may from time to time receive bequests and gifts. Bequests and gifts must be received, if accepted, on behalf of the Lone Star College System Foundation. The Chancellor, or designee, submits reports at least quarterly to the Board documenting all bequests and gifts received.

(h) The Board may set up an endowment fund outside the state treasury in a depository it selects.

(i) The Board appoints, evaluates, and assists the Chancellor to meet performance goals.

(j) The Board appoints or employs agents, employees, and officials as it deems necessary or advisable to carry out any Board power, duty, or function. The Board employs administrative officers after the Chancellor recommends them to the Board. The Board also employs faculty members and other College employees.
(k) The Board passes resolutions or orders by an affirmative, majority vote of all Trustees present in a quorum.

(l) The Board fixes and collects rentals, rates, and charges for the occupancy, use, or availability of its property, buildings, structures, activities, operations, or facilities. The Board sets such sums, charges, and fees at its discretion.

(m) The Board acquires and holds title to real and personal property in any appropriate, lawful manner. The Board also disposes of real and personal property the College no longer needs in any appropriate, lawful manner.

(n) The Board may retain a licensed real estate broker through contract, employment, or both to help acquire or sell real property.

(o) The Board may communicate with the Texas Higher Education Coordinating Board to ensure that the Board’s positions are clear and unequivocal.

(p) The Board sets admissions standards consistent with the College’s role and mission while considering nationwide standards and the Texas Higher Education Coordinating Board.

I.D.1.6. Taxing Authority
The Board relies on county appraisal districts to appraise taxable property within the College’s taxing district, and the Board relies on county tax assessor-collectors to assess and collect ad valorem taxes the Board imposes on taxable property within the College’s taxing district. Tax assessor-collectors receive agreed compensation capped at actual costs incurred. Tax assessor-collectors and staff assessing and collecting ad valorem taxes for the College must comply with the Property Taxation Professional Certification Act.

For county appraisal districts which appraise taxable property in the College’s taxing district, the College may not enter into a contract with a member of the appraisal district’s board of directors, with a member of the appraisal district’s appraisal review board, or with a business entity in which a member of the appraisal district’s board of directors or appraisal review board has a substantial interest. In Section I.D only, an individual has a substantial interest in a business entity if (1) the combined ownership of the individual and the individual’s spouse is at least ten percent of the voting stock or shares in the business entity; or (2) the individual or the individual’s spouse, is a partner, limited partner, or officer in the business entity. In this subsection, business entity means a sole proprietorship, partnership, firm, corporation, holding company, joint-stock company, receivership, trust, or other entity recognized by law.

I.D.1.7. Individual Trustee Authority
Individual Trustees have no authority over the College, its property, or its employees. Each Trustee, in his or her official capacity as a public officer entrusted with governing and overseeing
the College’s management, has an inherent right of access to College records without specific Board authorization, under Board policies for orderly access.

An individual Trustee may act for the Board only with the Board’s official authorization. Without such express authorization, no Trustee may commit the Board on any issue. If a citizen brings a complaint to an individual Trustee, he or she shall refer the complainant to the Chancellor or designee, who shall proceed under appropriate Board Policies and Chancellor’s Procedures.

I.D.1.8. Leadership Responsibilities
The Board sets a positive tone for the entire College. The Board strives to create a positive, future-oriented climate of integrity, innovation, and excellence and works to build positive relationships with stakeholders. The Board understands and adheres to its roles and responsibilities under Board policies and applicable laws. Trustees treat one another with respect and work as a team to accomplish the Board’s work. Trustees prepare for Board meetings, avoid real or apparent conflicts of interest, and vote on behalf of the entire community. The Board accommodates different opinions when debating issues and bases decisions on all available situational facts. The Board considers its actions’ political ramifications and stands up for what it believes is right for students and the community.

I.D.1.9. Represent the Common Good
The Board represents a balance between the College and the public. The Board balances and integrates the community’s interests and needs into policies benefitting the common good and the College’s future. Trustees learn as much as they can about communities they serve by being aware of community issues and by studying demographic, economic, and social trends. Because the Board protects the public interest and represents the community’s voice, Trustees understand what benefits the College confers on the community, know about community and regional needs and expectations, purposefully involve community discussion on issues that impact the community, and maintain good relationships with other community leaders. The Board encourages active cooperation with citizens, organizations, and the media and assists the Chancellor to develop appropriate educational partnerships with community agencies, businesses, and local government.

I.D.1.10. Set Policy Direction
The Board adopts policies to direct and guide the College’s Chancellor and other officers. Board policies define and uphold a vision and mission reflecting student and community expectations. Trustees think strategically, concentrate on priority items, and focus on the community’s future learning needs. Trustees engage in creative, thoughtful discussions as they plan for the future and envision what they want for the College and community. Policies set standards for quality, ethics, and prudence in College operations.
Except where prohibited by law, the Board’s policy-making process is public and transparent. The Board, through the Chancellor, seeks input from faculty, staff, students, and the public in developing new policies or amendments to existing policies. The Chancellor, a college president, a Trustee, faculty, employees, or citizens may initiate policy amendments, but the Chancellor typically recommends policy amendments to the Board.

No Board Policy or Chancellor’s Procedure remains operative if it conflicts with applicable state or federal law as determined by the Office of the General Counsel, the Chancellor, or the Board of Trustees.

I.D.1.11. Employ, Evaluate, and Support the Chancellor

The Board appoints the College’s Chancellor for a term of not more than three years. The Chancellor has an employment contract with the College through the Board. Names of applicants for Chancellor are not public information, but the Board must publicly disclose the finalists’ names at least 21 days before selecting a Chancellor.

The Chancellor is the College’s Chief Executive Officer. The Chancellor implements the Board’s policies and directives. The Chancellor oversees College operations. The Chancellor is the spokesperson for the College’s administration with the Board. The Chancellor recommends faculty and personnel employment contracts to the Board. The Chancellor or a designee compiles reports for the Board, the Texas Legislature, the Texas Higher Education Coordinating Board, the Legislative Budget Board, and the Governor’s Office of Budget and Planning.

Successful governance requires a good relationship between the Board and the Chancellor. The Chancellor is the most influential person in establishing the College as the country’s premier community college system. Therefore, selecting, evaluating, and supporting the Chancellor are among the Board’s most important tasks. The Chancellor and Board function best as a partnership. The Chancellor implements Board Policy through the Chancellor’s Procedures, while the Board depends on the Chancellor for guidance and educational leadership. This relationship works best with clear, mutually agreed-upon expectations and role descriptions. The partnership thrives on open communication, confidence, trust, and support.

The Chancellor has limited emergency authority to act even when that action would normally be within the Board’s authority. The Chancellor’s emergency authority is limited to (1) urgent or immediate occurrences not covered by existing policies; (2) situations in which the College must initiate or defend legal action to preserve the College’s legal rights; (3) actions to protect the health, safety, or welfare of students, employees, or community members from immediate peril; or (4) to protect the College’s property or financial interests. The Chancellor promptly informs the Board of any actions taken under this subsection. The Board reviews and approves these actions at its discretion.
The Board annually evaluates the Chancellor. This evaluation is conducted during a closed session with every Trustee invited to participate. The Board’s evaluation is an overall Board assessment, not a collection of individual Trustees’ assessments. The Board clarifies the Chancellor’s role to the Chancellor during the evaluation. The Chair also clarifies to Trustees the Chancellor’s role according to the College’s written criteria, the Chancellor’s job description, and the College’s current goals and objectives. The evaluation aims to develop and sustain harmony between the Board and the Chancellor.

The Chancellor’s written employment contract states the Chancellor’s employment terms and salary. The Board Chair signs the Chancellor’s employment contract. The Chancellor’s employment contract is annually reviewed while developing the College’s budget. It may be reviewed or extended at the same time as other College contractual employees or at any other time.

1. **Property Interest.** An employment contract executed with the College creates a property interest in the position only for the period of time stated in the contract. An employment contract creates no property interest of any kind beyond the period of time stated in the contract.

2. **Non-renewal.** The Board may decide by vote or by its inaction to refuse the Chancellor further employment with the College beyond the term of the current employment contract for any reason or no reason at all.

3. **Resignation.** The Chancellor may resign at any time.

4. **Dismissal.** The Board may dismiss the Chancellor for good cause before the Chancellor’s current employment contract expires. The Board will give the Chancellor reasonable written notice regarding the proposed action and grounds. The Board will set out in sufficient detail its reasons to allow the Chancellor an opportunity to rebut the Board’s rationale.

5. **Hearing.** Within five working days after receipt of the dismissal notice, the Chancellor may request the Board provide the Chancellor with a hearing. The Board may take action to suspend the Chancellor, with pay, pending the dismissal hearing’s outcome. After the Board suspends the Chancellor, the Board may appoint an acting Chancellor. The hearing shall be set on a date that affords the Chancellor reasonable time to prepare an adequate defense. The Board may conduct the hearing in open session or closed session unless the Chancellor requests a public hearing. If the Chancellor does not request a hearing, the Board shall take action to terminate the Chancellor’s employment with the College.

The Chancellor may be represented by counsel at the hearing before the Board. The Chancellor has the right to hear the evidence on which the charges are based, to cross-examine all adverse witnesses, and to present evidence to support the Chancellor’s
challenge to the dismissal. Such determination shall be based on the evidence presented in the hearing.

The Board shall render its decision to proceed with the Chancellor’s contract termination, or to reverse the proposed dismissal action, in writing. The Board will inform the Chancellor of its final decision within 15 working days of the hearing. The Board’s decision on dismissal of the Chancellor shall be final.

I.D.1.12. Monitor Performance
The Board holds the Chancellor responsible for the College’s mission, educational programs’ effectiveness, student success, the College’s community influence, the College’s accreditation process, state and federal accountability requirements and reports, and implementing all Board policies. The Board adopts the College’s broad goals as policy, then monitors progress made toward those goals through periodic reports or other methods. The Board also monitors adherence to policies for programs, personnel, and fiscal and asset management. The Board receives periodic reports from college officers and reviews reports by or for external agencies, such as reports for accreditation, audit, and state and federal accountability. All monitoring processes culminate in the Board evaluating the Chancellor as the College’s leader. The Board defines evaluation criteria well before reports are required so the Chancellor and staff clearly understand what is expected.

The Board seeks to understand the College’s educational programs and services and closely monitors the College’s fiscal condition. The Board establishes parameters for the College’s budget planning, including long-range fiscal planning, and the Board understands the budget document and reconciles budget priorities with the College’s mission, values, and goals. Board policies guide facilities maintenance and appearance protocols, safety and security protocols, and asset investment and management. The Board insists that fiscal management practices meet audit standards.

The Board has a crucial public responsibility to watch over College funds. To continually preserve the College’s financial integrity, the Board pledges to vigilantly supervise College funds, including each Trustee’s reasonable use of funds for College matters. No intrusion upon this commitment will be tolerated.

I.D.1.13. Advocates for the College
Trustees advocate for and protect the College. They promote the College in the community and seek support for the College from local, state, and national policymakers. They protect the College’s ability to fulfill its mission and promise to its communities. Trustees (1) know the College’s history, mission, and values; (2) recognize the College’s accomplishments; (3) actively support the College’s mission and values; (4) speak positively about the College in the community; (5) play leadership roles in the local community; (6) participate in community activities as College representatives; (7) educate the community about the College’s needs and issues; (8) know relevant state laws and regulations; (9) know state and national educational policy issues; (10) advocate for College interests to state and national personnel and legislators; (11) actively seek political and civic support for the College; (12) work to secure adequate public funding;
(13) actively support the College’s foundation and fundraising efforts; (14) understand and protect the faculty’s and administrative academic freedom; and (15) support community college trustee associations.

I.D.1.14. Board Goals & Evaluations
The Board self-evaluates annually. The Board’s self-evaluations provide useful information on its performance and guide the Board’s goals for the next year. The self-evaluation metrics are completely the Board’s prerogative.

I.E. BOARD ORGANIZATION

I.E.1. Policy
The Board is organized under Texas law to most effectively exercise its power and authority to accomplish its responsibilities and duties.

I.E.1.2. Definitions

(a) **Board Chair** means a Trustee who presides at the Board’s regular and special meetings, signs all contracts duly authorized by Board policy, and appoints all committees not otherwise provided for, of which the Chair and Chancellor are each ex-officio members. The Chair is the only person authorized to speak for the Board, except when the Chair delegates this authority. The Chair has the right and power to speak and vote on all matters before the Board. Additionally, the Chair has the authority to prepare agendas for Board meetings and performs such other duties as the Board and Texas law allow.

(b) **Board Vice-Chair** means a Trustee who, when the Chair is absent, presides and temporarily has same powers and duties as the Chair would have if the Chair were present.

(c) **Board Secretary** means a Trustee who keeps the Board’s official seal and maintains records of all Board meetings, correspondence, and other official actions.

(d) **Board Assistant Secretary** means a Trustee who, when the Secretary is absent, temporarily assumes the Secretary’s duties.

I.E.1.3. Elect Board Officers
The Board elects its officers by majority vote at its first regular Board Meeting following the regular election of Trustees in even-numbered years. The Board may elect officers at any time to fill a vacancy. The Board may also reorganize officers at other times at its discretion. The Board elects a Board Chair, Board Vice-Chair, Board Secretary, Assistant Board Secretary, and other officers at its discretion.

I.E.1.4. Appoint Board Committees
The Board may create committees to aid the Board. The Open Meetings Act does not apply when fewer than five Trustees meet. The Board gives committees clear, appropriate responsibilities.
Committees serve a purely advisory function and do not act for the Board; rather, they submit recommendations for action to the Board.

(a) *Ad Hoc Committee*. The Board or Board Chair may create ad hoc committees to handle special assignments. The Board Chair appoints members to such committees. The Board or Board Chair dissolves ad hoc committees that have completed their assignments.

(b) *Audit Committee*. The Board Chair appointed after the biennial reorganization appoints three Trustees to the Audit Committee for a two-year term coinciding with the Board’s biennial reorganization. The Audit Committee assists with hiring external auditors by obtaining and evaluating proposals from prospective external auditors at least every five years and confirming market pricing for external auditors every two years. The Audit Committee reviews the proposed auditor’s (a) reputation; (b) recent or current clients; (c) familiarity with higher education institutions; (d) contract term costs; (e) primary office location; and (f) other relevant information. The Audit Committee personally interviews the top three auditor candidates after completing evaluations. The Audit Committee recommends an auditor to the Board. The Audit Committee reviews and annually recommends an engagement letter to the Board. The engagement letter sets out the audit’s scope and maximum fee.

The Audit Committee works with the College’s Chief Financial Officer on the annual external audit engagement. The Audit Committee meets at least a week before the regular board meeting with scheduled action on the annual audit report. External auditors, the Executive Director of Internal Audits, and the College’s Chief Financial Officer attend the Audit Committee’s meetings as invited. The Audit Committee recommends action on the annual audit report to the Board, which acts on the recommendation before December 31.

The Chancellor timely informs the Audit Committee after finding malfeasance via any audit. The Chancellor also informs the Audit Committee about future or current corrective actions. The Audit Committee annually reviews a summary status report prepared by the Executive Director of Internal Audit and approved by the Chancellor.

**I.F. BOARD MEETINGS**

I.F.1.1. Policy
The Board exercises its power and authority to accomplish its responsibilities and duties through Board Meetings. Board Meetings allow the Board to transparently deliberate, take official action, and communicate with the College and community. Board Meetings strictly comply with the Texas Open Meetings Act.

I.F.1.2. Definitions
(a) *Agenda* means a list of subjects to be considered and possibly acted on at a Board Meeting.

(b) *Board Meeting* means Deliberation by a Board quorum, by itself or with another person, during which public business or public policy over which the Board has supervision or control
is discussed or considered or during which the Board takes formal action. A meeting also includes a gathering that is conducted by the Board or for which the Board is responsible at which a quorum of members of the Board is present that has been called by the Board and at which the Board members receive information from, give information to, ask questions of, or receive questions from any third person, including an employee, about the public business or public policy over which the Board has supervision or control. Board Meetings do not include events where a Board quorum results from individual Trustee attendance at a social, ceremonial, press, or other event. They also do not include simultaneous Trustee attendance at a regional, state, or national convention or workshop.

(c) **Closed Session** means a limited Board Meeting not open to the public, permitted in limited circumstances by the Texas Open Meetings Act.

(d) **Deliberation** means a verbal exchange during a Board Meeting concerning an issue within the Board’s jurisdiction or any public business.

(e) **Deaf or Hearing-Impaired** means having a hearing impairment, even with a speech impairment, which inhibits understanding a proceeding or inhibits speaking with others.

(f) **Emergency** means that immediate action is required because of an imminent threat to public health and safety or a reasonably unforeseeable situation. It also includes the sudden relocation of a large number of residents from a declared disaster area to the College’s taxing boundaries.

I.F.1.3. **Notice**
The Board notifies the public of the date, hour, place, and subject(s) of each Board Meeting. The Chancellor or designee posts written notice of each Board Meeting on a bulletin board in The Woodlands Leadership Building and on the College’s public website at least 72 hours before the Board Meeting is scheduled to begin. Each notice includes an Agenda for the Board Meeting. The Chancellor prepares the Agenda for each Board Meeting with the Board Chair’s advice and consent. Any Trustee may place an item on the Agenda.

The Board may recess a Board Meeting to the following business day without posting a new notice if this action is done in good faith and not to circumvent the Texas Open Meetings Act, but the Board must post notice if it continues a reconvened Board Meeting to a third business day.

Notice of Emergency Board Meetings or Agenda items is provided as required by the Texas Open Meetings Act.

The College gives Trustees notice and Agendas of regular and special Board Meetings at least one week in advance, or at least two hours before an Emergency Board Meeting.

I.F.1.4. **Time and Place**
The Board determines when and where it holds regular and special Board Meetings. Board Meetings are held in the Board Room of the Training and Development Center at 5000 Research
Forest Drive, The Woodlands, Texas, 77381 unless otherwise noticed. Board Meetings are usually held on every month’s first Thursday at 6:00 p.m., except in January and July when no regular Board Meetings are scheduled. The Board may decide to meet at a different time, date, or place as long as proper notice is given under the Texas Open Meetings Act.

A budget workshop replaces the regular Board Meeting in July. The Board Chair calls special Board Meetings at his or her discretion or upon the request of three or more Trustees.

I.F.1.5. Board Meeting Procedures
Every Board Meeting is open to the public, except for Closed Sessions as provided by law. The Board does not guarantee a seat for everyone attending a Board Meeting, but some seats may be reserved for the media, staff, and individuals having business before the Board. Except for current Texas peace officers, a person may not carry a firearm openly or concealed at a Board Meeting.

The Board has nine Trustees. Regardless of any vacancies, five Trustees constitute a quorum for Board Meetings. A Board Meeting may not be convened without a quorum. Board Meetings are called to order by the presiding officer—the Board Chair, or the Board Vice-Chair in the Board Chair’s absence. If both the Board Chair and Board Vice-Chair are absent at a Board Meeting, the Trustee with the longest continuous service as a Trustee shall serve as the presiding officer.

The Board acts by adopting or passing resolutions or orders. Any official Board action requires five affirmative votes. The Board votes during open session only. Board Meeting minutes record which Trustee moved and which Trustee seconded the motion. The Board adopts such rules, regulations, and bylaws as it deems advisable. The Board observes the parliamentary procedures in Robert’s Rules of Order, Newly Revised. Robert’s Rules of Order do not override the Board’s policies and procedures. The Board may suspend procedural rules at any Board Meeting by majority vote.

At any given Board Meeting, the Board may only deliberate and/or act on subjects in that Board Meeting’s Agenda. The Board may not respond to citizens’ questions or comments on subjects not noticed in the Agenda. The Board can only respond by citing existing policies or factual information. For subjects not in the Agenda, deliberation and action is limited to placing the subject on a subsequent Board Meeting’s Agenda.

Deliberation is addressed to the Board Chair and then to the entire Board. Discussion is limited to the business currently under deliberation. The Board Chair halts discussion that does not apply to the business before the Board. The Board Chair also halts discussion if the Board has agreed to limit an item’s discussion and that time limit has expired. The Chair does not otherwise interrupt so long as Trustees wish to deliberate an item.

The Board does not allow the following at Board Meetings: personal attacks on a named person or a particular position; name calling; profanity; rude, demeaning, or slanderous remarks; loud or raucous behavior; obscene gestures; accusation of criminal behavior; use of signs and placards;
and other disruptive conduct. It is also a crime to substantially obstruct or interfere with a Board Meeting by physical action or verbal utterance with intent to prevent or disrupt it.

The Board and the Chancellor recognize the importance of shared governance and the role of the College’s Faculty Senate Presidents. Faculty Senate Presidents attend all regular Board Meetings and have a standing place on the Agenda to make reports and announcements. They designate one of themselves on a rotating basis as an official faculty representative to make reports and announcements directly to the Board and to provide the Board with a faculty perspective on matters before the Board. The Chancellor remains the chief spokesperson to the Board for faculty, staff, and students. The Board expects that concerns brought to the Board’s attention by the faculty’s representative will have been previously presented to the Chancellor. The Board Chair may call upon the faculty representative during Board Meetings for comments as appropriate.

The Board may consult with its lawyer via teleconference or videoconference. The consultation may occur through an open or closed session as the law allows. Any public consultation by the Board with its attorney must be audible at the physical location specified in the notice as the meeting place.

I.F.1.6. Public Participation
Citizens may address the Board immediately before the Board considers the Consent Agenda if they have registered to speak. Each citizen may speak for up to five minutes, but citizens’ total time is limited to 30 minutes. Groups speaking about an Agenda item appoint a spokesperson. Citizens may register to address the Board (1) online 24 hours before the Board Meeting; or (2) in person by submitting a completed registration form to the Chancellor’s Chief of Staff no later than five minutes before the Board Meeting begins. The Board may allow an individual to testify at a Board Meeting from a remote location by videoconference call.

Policies exist for virtually every employee or student complaint. The Board encourages employees and students to follow appropriate channels before seeking to address the Board. Nothing in this section prohibits any citizen from using the citizen participation process.

The Board provides interpreters in Board proceedings where a party’s legal rights, duties, or privileges are at issue. Upon advance request, the Board supplies a party who is Deaf or Hearing-Impaired with an interpreter licensed by the Texas Commission for the Deaf and Hard of Hearing.

For any regular Board Meeting requiring notice under the Texas Open Meetings Act, the Board:

1. Posts on the College’s public website as early as practical before the Board Meeting—at the same time as it posts public notice of the meeting if possible—any written materials the College provides the Board for use during the Board Meeting. This requirement does not apply to materials provided by the College’s General Counsel or other lawyers retained by the Board or the College;
2. Broadcasts the Board Meeting, other than any closed sessions, over the Internet in the manner prescribed by Section 551.128, Government Code; and

3. Records the broadcast and makes that recording publicly available in an online archive located on the College’s public website.

The Board is not required to broadcast over the Internet if something outside the Board’s control makes broadcasting impossible. The Board broadcasts Board Meetings on the College’s website.

Any person may record a Board Meeting—except for a Closed Session—via audio recorder, video camera, or any other means of aural or visual reproduction. The Board may adopt reasonable rules to maintain order at a meeting, including rules related to the location of recording equipment and the manner in which the recording is conducted. Citizens wishing to record a Board Meeting must follow the following requirements:

1. The person shall notify the Chancellor’s Office before the Board Meeting, and recording equipment must be assembled and in place at least 30 minutes before the Board Meeting.

2. Recordings will not interfere with Board Meetings in any way. Board Meetings cannot accommodate anyone’s camera angle or recording.

3. The presiding officer may stop the audio or visual recording if it disrupts or interferes with the Board Meeting in any way.

4. Individuals desiring to make recordings with special microphone or lighting arrangements must inform the Chancellor’s Office before the Board Meeting. No strobes, flash lighting, or other bright lights are allowed unless the Chancellor and the Board Chair approve before the Board Meeting.

Individuals using video cameras to record Board Meetings should sit or stand behind the general audience. Individuals that set up stationary equipment must wait for a meeting recess or adjournment before removing it. The public may not record any Closed Session.

I.F.1.7. Closed Sessions
All Board Meeting notices provide for a Closed Session as provided by law. The Board may conduct a Closed Session for any lawful purpose under the Texas Open Meetings Act. No Trustee knowingly participates in, calls for, or organizes any Closed Session except as permitted by law.

The Board may not enter into a Closed Session unless a Board quorum first convenes in an open meeting for which proper notice has been given. During the open meeting, the Board Chair must announce a Closed Session and identify the statute allowing the Closed Session. The Board reconvenes the open meeting after a Closed Session before meeting adjournment.
The Board may not vote or take action in Closed Session; votes and actions on matters deliberated in Closed Session must occur in an open Board Meeting for which proper notice has been given.

Except for private consultations with an attorney advising the College, the Board keeps a certified agenda or makes an audio recording of each Closed Session’s proceedings. Each Trustee ensures that a certified agenda or a recording is being made. The certified agenda must include a statement of the subject matter of each deliberation, a record of any further action taken, and an announcement by the Board Chair at the beginning and end of the Closed Session, indicating the date and time.

The Board Chair or designee certifies that a certified agenda is a true and correct record of the proceedings. If an audio recording is made, it must include announcements by the Board Chair at the beginning and end of the meeting, indicating the date and time.

The Board preserves the certified agenda or audio recording of a closed meeting for at least two years after the date of the meeting. The Board preserves certified agenda and audio recordings during pending legal actions. A certified agenda or audio recording of a closed session is confidential. It is available for public inspection and copying only under a court order issued in Texas Open Meetings Act litigation.

I.F.1.8. Board Meeting Records
The Board approves written minutes of Board Meetings by majority vote. The Board Chair and Board Secretary sign all approved minutes. Approved Board minutes are a legal record of all official Board actions.

The Board keeps minutes of and records each Board Meeting. The minutes state the subject matter of each deliberation and indicate each vote, order, decision, or other action taken. Minutes and recordings of Board Meetings are public records and are available for public inspection and copying upon submitting a Public Information Act request to the Chancellor or designee. The Board’s official minutes are kept in the Chancellor’s Office and are available for review during regular office hours.

I.F.1.9. Trustee Teleconferencing
Trustees may participate in Board Meetings by teleconference if a quorum of the Board is physically present where Board Meetings are usually held. Each part of the open teleconference must be audible to the public where the quorum is physically present. Such Board Meetings are recorded, and the recording is a public record. The entire teleconference must allow two-way communication, and each speaker at the Board Meeting identifies himself or herself before speaking. Even if participating by teleconference, a Trustee not physically present at a Board Meeting is considered absent for purposes of removal for chronic unexcused absences. Identical notice requirements apply to Board Meetings by teleconference. The notice specifies the Board Meeting’s physical location.
I.F.1.10. Videoconference Meetings
The Board may meet by videoconference, provided all requirements of Section 551.127, Government Code (or any successor section) are met.

I.G. TRUSTEE STANDARDS

I.G.1.1. Standards Enumerated
Each Trustee strives to meet the following standards:

(a) Trustees attend as many regularly scheduled Board Meetings as possible and know the issues to be considered at those meetings.

(b) Trustees work together to adopt effective Board policies.

(c) Trustees recognize that policy should be adopted only after full discussion at publicly held Board meetings.

(d) Trustees base decisions on available facts and independent judgment and refuse to surrender that judgment to individuals or special interest groups.

(e) Trustees encourage free expression of opinion by all Trustees and encourage communication between the Board and students, staff, and all community stakeholders.

(f) Trustees relay to each other and the Chancellor public reaction to Board policies and College programs.

(g) Trustees learn current educational issues through individual study and through participation in informational programs. Such programs include those sponsored by the American Association of Community Colleges and the Association of Community College Trustees.

(h) Trustees support employing the best qualified people as College employees and insist on regular, impartial staff evaluations.

(i) Trustees avoid conflicts of interest and do not use their offices for personal or partisan gain.

(j) Trustees take no private action that will compromise the Board or administration and keep privileged information confidential.

(k) Trustees’ first and greatest concern is College students’ educational welfare.

I.G.1.2. Definitions

(a) Abuse of Office occurs when a Trustee, with intent to obtain a benefit or with intent to harm another, intentionally or knowingly violates a Law Relating to the Office or misuses anything
of value, belonging to the College, that has come into the Trustee’s custody by virtue of his or her office.

(b) **Bribery** occurs when a Public Servant intentionally or knowingly offers, confers, agrees to confer, solicits, accepts, or agrees to accept a benefit as (1) consideration for the public servant’s decision, opinion, recommendation, vote, or other exercise of official discretion; (2) consideration for a violation of a duty imposed on the public servant by law; or (3) that is a political contribution as defined by Title 15, Election Code, or an expenditure made and reported as a lobbying expense in accordance with Chapter 305, Government Code, if the benefit was offered, conferred, solicited, accepted, or agreed to pursuant to an express agreement to take or withhold a specific exercise of official discretion, if such exercise of official discretion would not have been taken or withheld but for the benefit.

(c) **Benefit** means anything reasonably regarded as pecuniary gain or pecuniary advantage to any person in whose welfare the Trustee has a direct and substantial interest.

(d) **Close Relative** means an individual related by blood (consanguinity) within the third degree, or by marriage (affinity) within the second degree.

(e) **Incompatibility of Office** occurs when a Trustee occupies two legally incompatible offices. Offices are legally incompatible when the faithful and independent exercise of one would necessarily interfere with the faithful and independent exercise of the other. A person may not serve in one branch of government while exercising any powers properly attached to either of the other branches of government.

(f) **Law Relating to the Office** means a law that specifically applies to a person acting in the capacity of a Public Servant and that directly or indirectly imposes a duty on the public servant or governs the conduct of the Public Servant.

(g) **Prohibited Bank Relations** occur when a Trustee who is a stock holder, officer, director, or employee of a bank that has bid to become a depository for the College votes on the awarding of a depository contract to that bank. If a Trustee has a substantial interest in a bank with which the College is considering entering into a loan or other transaction besides a depository contract, the Trustee must comply with the affidavit of abstention requirements outlined in this policy.

(h) **Public Servant** means a person elected, selected, appointed, employed, or otherwise designated as an officer, employee, or agent of government; or a candidate for nomination or election to public office.

In Section I.G. only:

(i) **Business entity** means a sole proprietorship, partnership, firm, corporation, holding company, joint-stock company, receivership, trust or any other entity recognized by law.
(j) **Officer** means a Trustee, the Chancellor, or any College agent or employee who exercises discretion in the planning, recommending, selecting, or contracting of a vendor.

(k) **Substantial interest** in a business entity means (1) a person owns at least 10% of the voting stock or shares of the business entity; (2) a person owns either 10% or $15,000 of the business entity’s fair market value; (3) a person received in excess of 10% of his or her gross income over the previous year from the business entity. Substantial interest in real property means a person has equitable or legal ownership in the property has a fair market value of $2,500 or more.

I.G.1.3. Ethical Standards

Trustees maintain the highest ethical standards and abide by Board ethics and conflict-of-interest policies. Trustees serve in a fiduciary capacity and conduct all matters with this standard in mind. A Trustee is loyal to the entire College rather than to any part or constituency within the College or community. Trustees do not request or demand action that violates any law, Board Policy, or Chancellor’s Procedure. As fiduciaries, and subject to Texas law on the use or misuse of official College information, Trustees maintain strict confidentiality of information (1) presented and discussed during any Closed Board Meeting or during any Board Committee Meeting; (2) proprietary to the College; or (3) about the College not within the public domain. Any Trustee’s disclosure or misuse of this information may be considered Official Misconduct or Abuse of Office, subjecting the Trustee to removal from office and criminal prosecution.

I.G.1.4. Conflict-of-Interest Abstention

The College may contract with a business entity in which a Trustee has a substantial interest only if the Trustee follows the disclosure and abstention procedure set out in this section.

If a Trustee or a Trustee’s relative in the first degree by either affinity or consanguinity has a substantial interest in a business entity or in real property, then before a vote or decision on any matter involving the business entity or the real property, the Trustee shall file an affidavit with the Board Secretary stating the nature and extent of the interest and shall abstain from further participation in the matter if (1) in the case of a substantial interest in a business entity, the action on the matter will have a special economic effect on the business entity distinguishable from the effect on the public; or (2) in the case of a substantial interest in real property, it is reasonably foreseeable that an action on the matter will have a special economic effect on the property’s value, distinguishable from its effect on the public.

The Board shall take a separate vote on any budget item specifically dedicated to a contract with a business entity in which a Trustee has a substantial interest. The affected Trustee shall not participate in that separate vote, but may vote on a final budget if the Trustee filed the affidavit and the matter in which he or she is concerned has been resolved. Despite the foregoing, a Trustee may vote if a majority of all Trustees are required to file affidavits of similar interests on the official action.
I.G.1.5. Disclosure Statements
Officers shall file disclosure statements concerning a College vendor or potential vendor as required by Chapter 176, Local Government Code. Trustees or candidates for Trustee positions with a legal or equitable interest in any property to be acquired with public funds shall file disclosure statements required by Chapter 553, Government Code. The College shall provide access on the College’s website to all filed disclosure statements and questionnaires. These disclosure statements are separate from and may be required in addition to or instead of the substantial interest affidavit referenced above. Special requirements exist when federal funds are involved.

I.G.1.6. Prohibited Actions
Trustees are Public Servants of the College and the State of Texas. The following practices are strictly prohibited: Bribery, Abuse of Office, Prohibited Bank Relations, and Incompatibility of Office. Furthermore, a Trustee may not act as surety (1) for a business entity with a contract, work, or business with the College; or (2) on any official bond required of any College officer.

Trustees exercise discretion for contracts, purchases, payments, claims, and other pecuniary transactions involving the College. Trustees may not solicit, accept, or agree to accept any benefit from a person the Trustee knows is interested in or likely to become interested in any such College transactions. A Trustee who receives an unsolicited benefit that he or she is prohibited from accepting may donate the benefit to the Lone Star College System Foundation.

The College and Board do not employ Trustees’ Close Relatives, nor do they hire Trustees’ Close Relatives as independent contractors for personal services. The College may not employ a former Trustee until the first anniversary of the date the Trustee’s membership on the Board ends.

I.H. TRUSTEES

I.H.1. Trustee Qualifications and Benefits

I.H.1.1. Policy
Trustees honor the responsibilities delegated to them by voters and receive reasonable support to perform their responsibilities.

I.H.1.2. Definitions
(a) Mentally Incapacitated means finally adjudged by a probate court to be totally mentally incapacitated or partially mentally incapacitated without the right to vote.

(b) Residence means legal domicile—one’s home and fixed place of habitation to which one intends to return after any temporary absence.
I.H.1.3. Qualifications
Trustees must be U.S. citizens; be 18 years of age or older on their first day in office, whether by appointment or election; have resided continuously in Texas for 12 months; have resided in the territory from which the office is elected for six months; and reside in and be registered to vote in the trustee district in which they seek to serve. A Mentally Incapacitated person may not serve as Trustee. Trustees cannot be convicted felons unless they have been pardoned or otherwise released from resulting disabilities.

I.H.1.4. Pay, Expenses, and Benefits
Trustees serve without pay, but the Board may authorize Trustees to be reimbursed for actual expenses incurred while performing their duties, which include attending Board-approved conferences. Trustees only request reimbursement for reasonable expenses. Records of reimbursed Trustee expenses are public information. The College pays for coach fare for Trustees traveling by air on College business. The College also pays reasonable Trustee expenses for lodging, meals, and transportation when the Trustee is out of town on College business. The Board allocates funds for Trustee travel expense reimbursement every fiscal year.

The College reimburses Trustees after they submit detailed expense records to the Chancellor who then submits them to the College’s business office. The Board may designate a committee to review Trustee expense records. The College shall not reimburse travel or other expenses for a Trustee’s spouse or any other person traveling with the Trustee, except for group meals that constitute an official function. All registration fees, travel arrangements, and hotel reservations for such meetings will be made through the Office of the Chancellor as appropriate.

Trustees whose service began before August 31, 2003, may be eligible for health and life insurance benefits as permitted by law. For such Trustees, the Board may choose to have the College pay part or all of the contributions that the State of Texas would pay for similar coverage of other participants in the group benefits program.

I.H.1.5. Trustee Tuition Waivers
Current Trustees and former Trustees who served at least a full six-year term receive the same tuition waiver granted to full-time employees.

I.H.2. Trustee Elections and Appointments

I.H.2.1. Policy
Trustees are elected or appointed as provided by law. The College strives to comply with all applicable laws related to elections and appointments.

I.H.2.2. Definitions

(a) Application means an application form to have a name printed on an election ballot.

(b) Candidate means an individual desiring to be elected Trustee by applicable voters.
(c) **Close Relative** means an individual related by blood (consanguinity) within the third degree, or by marriage (affinity) within the second degree.

(d) **Election** means the legal process under Texas law by which voters choose individuals to serve in elected office.

(e) **Election Day** means the date on which an Election occurs.

(f) **Uniform Election Date** means the first Saturday in May in an even-numbered year or the first Tuesday after the first Monday in November, or a different date as determined by the Legislature.

### I.H.2.3. Membership and Terms

The Board has nine Trustees elected from single-member districts who serve six-year terms with biennial elections. The terms of one-third of the Trustees, or as near to one-third as possible, expire each even-numbered year.

### I.H.2.4. Filing Information

A Candidate may have his or her name printed on an election ballot for any position to be filled at each regular election by filing with the Board Secretary a completed Application accompanied by (1) a $200 filing fee; or (2) a petition signed by 200 registered voters residing within the College’s Service Area. An Application must be filed during business hours no later than the deadline contained in applicable law.

The Application shall include all statutorily required information, including a loyalty oath and a statement acknowledging awareness of Texas nepotism law as required by Sections 141.031 and 141.039, Election Code. The Application must also state the number of the position the Candidate seeks or the name of the incumbent board Trustee holding the position sought. The ballot shall list Candidates’ names for each position in an order chosen by lot by the Board. A Candidate cannot run for multiple positions on the Board at the same time.

### I.H.2.5. Notice to Candidates

The College employs a Board Liaison. The Board appoints the Board Liaison as the appropriate official with whom to file an Application. No later than 30 days before the first day on which a candidate can file an application for a place on the ballot, the Board Liaison will post notice of the filing period dates in a public place of the Woodlands Leadership Building at 5000 Research Forest Drive, The Woodlands, Texas, 77381.

### I.H.2.6. Write-In Voting and Write-In Candidates

A write-in vote may not be counted unless the written-in Candidate filed a declaration of write-in candidacy with the Board Liaison in the manner provided for write-in candidates in the general election for state or county officers. A write-in candidacy declaration must be filed no later than 74 days before the election date.
I.H.2.7. Election of Unopposed Candidate
The Board may declare each unopposed Candidate victorious through a Board Resolution if the authority responsible for having the official ballot prepared certifies to the Board in writing that a Candidate is unopposed. If the Board makes such a declaration, that election is not held. If the College is no longer holding an election, the Board’s Resolution cancelling the election must be posted on Election Day at each polling place that would have been used in the election. When a declaration is made under this section but the College holds a separate election on Election Day, ballots used at the separate election shall include the offices and names of the candidates declared elected. The offices and names of unopposed candidates shall be listed separately, after the measures or contested races in the separate election, under the heading “Unopposed Candidates Declared Elected.” These Candidates shall be grouped in the same relative order prescribed for the ballot generally. No votes are cast for or against these Candidates. A certificate of election shall be issued to each unopposed candidate in the same manner and at the same time as provided for a candidate elected at the election. The unopposed candidate must qualify for office in the same manner as provided for a candidate elected at the election.

I.H.2.8. Nepotism
A Candidate shall not take any action to influence a College employee or current Trustee regarding the appointment, reappointment, employment, confirmation, reemployment, change in status, compensation, or dismissal of a Candidate’s Close Relative.

I.H.2.9. Election Date
Trustees are elected in even-numbered years under the United States Federal Election schedule, traditionally on the first Tuesday after the first Monday in November.

I.H.2.10. Deadline to Order Elections and to Provide Notice
Elections held on a Uniform Election Date shall be ordered no later than the 78th day before Election Day. Except as provided by law, all other Elections shall be ordered no later than the 62nd day before Election Day. Notice of the Election shall be posted not later than the 21st day before Election Day. Notice of the Election shall also be published at least once, not earlier than the 30th day or later than the tenth day before Election Day, in a newspaper published within the College’s boundaries, or in a newspaper of general circulation in a county where the College is located, if none is published within the College’s boundaries. No later than the 60th day before the Election, The Board shall also deliver notice of the Election to the county clerk of each county in which the College is located.

The notice shall state the nature and date of the Election, the location of each polling place, the numbers of the positions to be filled, the Candidates for each position, the hours the polls will be open, the location of each early voting place, the dates and hours for early voting, the dates and hours of any Saturday and Sunday early voting, and the early voting clerk’s official mailing address. The Board shall retain a copy of the published notice with the name of the newspaper and publication date. The Board Liaison shall make and deliver to the Board a record at the time of posting, stating the date and place of posting.
The Board shall retain a copy of all documents related to the Election for at least 22 months after Election Day.

I.H.2.11. Polling Places
The Board shall designate polling places for each Election and shall designate regular county polling places in county election precincts containing College territory for Elections on a Uniform Election Date. Each polling place shall be accessible to and usable by the elderly and persons with physical disabilities.

I.H.2.12. Voters with Disabilities
Each polling place must provide at least one voting station that complies with Section 504 of the Federal Rehabilitation Act of 1973 (29 U.S.C. § 794) as amended, Title II of the Americans with Disabilities Act (ADA) (42 U.S.C. §§ 12131 et. seq.) as amended, and the requirements for accessibility under 42 U.S.C. § 15481(a)(3) as amended. That voting station must provide a practical and effective means for voters with physical disabilities to cast a secret ballot.

I.H.2.13. Bilingual Materials
Bilingual Election materials shall be used in each Election precinct situated wholly or partly in a county in which five percent or more of the inhabitants are persons of Spanish origin or descent according to the most recent federal decennial census that may be officially recognized or acted upon by the state or political subdivisions. An election precinct may apply for an exemption from the requirement to provide election materials in Spanish if official census information or other information indicates that persons of Spanish origin or descent comprise less than five percent of the precinct’s inhabitants. If the director of the census determines that a political subdivision must provide election materials in a language other than English or Spanish, the College shall provide election materials in that language in the same manner in which the political subdivision would be required to provide materials in Spanish, to the extent practicable.

The Board is subject to the provisions of the Voting Rights Act of 1965. If required by applicable law, the Board also submits any changes affecting elections to the U.S. Justice Department for pre-clearance. If such submission is required, the Board must implement such changes unless the Justice Department objects within 60 days after the Board submits the proposed changes.

I.H.2.15. Early Voting
The Board shall provide for early voting in Elections by personal appearance and by mail and shall designate early voting polling places as provided by law.

I.H.2.16. Canvass Returns
Except as provided below, the Board shall canvass Election returns at the time set by the presiding officer not earlier than the eighth day or later than the 11th day after Election Day.
For Elections held on the date of the general election for state and county officers, the time for the local canvass may be set not later than the 13th day after Election Day.

For Elections held on the May Uniform Election Date, the Board shall canvass the returns at the time set by the presiding officer not later than the 11th day after Election Day, and not earlier than the last of: (1) the 3rd day after Election Day; (2) the date on which the early voting ballot board has verified and counted all provisional ballots, if a provisional ballot has been cast in the Election; or (3) the date on which all timely received ballots cast from addresses outside the U.S. are counted, if a ballot to be voted by mail in the Election was provided to a person outside the United States. Two Trustees constitute a quorum for purposes of canvassing an election.

I.H.2.17. Majority Vote Required
A candidate receiving a majority of the votes cast for a Trustee position shall be declared elected. If no candidate receives a majority, then the two candidates receiving the highest number of votes shall run against each other for the position in a run-off election. The run-off election shall be held and conducted in compliance with state law.

I.H.2.18. Certificate of Election
After a canvass ends, the presiding officer shall prepare a certificate of election for each Candidate who is elected to an office for which the official result is determined by that authority’s canvass. A certificate of election must contain: (1) the Candidate’s name; (2) the office to which the Candidate is elected; (3) a statement of election to an unexpired term, if applicable; (4) the election date; (5) the signature of the officer preparing the certificate; and (6) any seal used by the officer preparing the certificate to authenticate documents that the officer executes or certifies.

The authority preparing a certificate of election shall promptly deliver it to the person for whom it is prepared, unless a recount petition is submitted. A recount petition shall delay the issuance of a certificate of election and qualification for the office involved in the recount pending completion of the recount. A candidate may not qualify for an office involved in a recount before completion of the recount. A candidate who has received a certificate of election and qualified for an office before the submission of a recount petition shall not be affected by the recount petition. A certificate of election may not be issued to a person who has been declared ineligible to be elected to the office. The presiding officer shall prepare a report of the precinct results as contained in the election register and timely submit the report to the Texas Secretary of State.

I.H.2.19. Statement of Officer and Oath of Office
New Trustees sign and file with the Secretary of State the required Statement of Officer. Before taking up the duties of a Trustee, a new Trustee takes the oath or affirmation of office and files it with the Board Chair. The oath may be administered and a certificate of the fact given by those persons authorized by law.

I.H.2.20. Redistricting
No later than the 90th day before the day of the first regular Trustee Election at which Trustees may officially recognize and act on the last preceding federal census, the Board shall redivide the
College into the appropriate number of Trustee districts if census data indicates that the population of the most populous district exceeds the population of the least populous district by more than ten percent. Redivision shall be as prescribed by Section 130.0822(d)–(g), Education Code.

After each redistricting, all positions on the Board shall be filled unless the Board determines that Trustees shall be elected from the new Trustee districts as provided by Section 130.0826, Education Code. Trustees then elected shall draw lots for staggered terms as provided by Section 130.082, Education Code. The Board may provide for Trustees in office at the first election after the College is redistricted to serve for the remainder of their terms.

If the Board provides for Trustees in office to serve for the remainder of their terms, the Trustee districts established in the redistricting plan shall be filled as the Trustees’ staggered terms expire. When the Board adopts a redistricting plan, the Board shall determine from which new Trustee district the position of each Trustee in office will be filled as it becomes vacant. A Trustee shall not continue in office after a redistricting plan takes effect if the Trustee no longer resides in the district from which the Trustee was elected.

I.H.3. Trustee Vacancies and Removal from Office

I.H.3.1. Policy
Trustees who abuse or abandon their office may be removed from office. The Board may appoint qualified individuals to serve as Trustee whenever a vacancy occurs on the Board because of resignation, death, removal, or any other reason.

I.H.3.2. Definitions

(a) Incompetency means gross ignorance of official duties; gross carelessness in the discharge of those duties; or unfitness or inability to promptly and properly discharge official duties because of a serious physical or mental defect that did not exist at the time of the Trustee’s election.

(b) Official Misconduct means a Trustee’s intentional, unlawful behavior relating to official duties. The term includes an intentional or corrupt failure, refusal, or neglect of a Trustee to perform a duty imposed on the Trustee by law. The term also includes conviction of a Trustee of an offense relating to making or authorizing separate, sequential, or component purchases to avoid relevant purchasing contract requirements.

I.H.3.3. Trustee Appointment
Whenever a vacancy occurs on the Board, the remaining Trustees appoint a qualified individual to fill it. The appointed Trustee serves for the unexpired term. Any appointed Trustee must have continuously resided in Texas for 12 months and must have resided in the district for at least six months before the day of the appointment.
I.H.3.4. Trustee Resignation
A Trustee’s or Trustee-elect’s resignation must be written and signed by the Trustee or Trustee-elect and must be delivered to the Board Chair or Board Secretary to be effective. The Board may not refuse to accept a resignation. If a Trustee or Trustee-elect submits a resignation, whether for immediate effect or for some future date, a vacancy occurs on the date the Board accepts the resignation or on the eighth day after the Board receives it, whichever is earlier.

I.H.3.5. Non-Residence
A person elected to serve as a Trustee must reside in the district represented by the Trustee through the term of office. A Trustee who ceases to reside in his or her district vacates his or her office. The Board may require a Trustee to file an affidavit with the Board Chair affirming that the Trustee resides within his or her district.

I.H.3.6. Holdover Doctrine
Trustees continue to perform their duties until their successors are sworn in. Until the vacancy created by a Trustee’s resignation is filled by a successor, the Trustee continues to serve and have the duties and powers of office and continues to be subject to all laws and policies relevant to Trustees. A holdover Trustee may not vote on the appointment of his or her successor.

I.H.3.7. Trustee Removal
Trustees may be removed from the Board for several reasons, including Incompetency, Official Misconduct, intoxication on or off duty caused by drinking an alcoholic beverage (unless it was caused by drinking such beverage on the direction and prescription of a licensed physician), or any felony conviction or misdemeanor official misconduct conviction. A Trustee may be removed if absent from more than half of the regularly scheduled Board Meetings that the Trustee is eligible to attend during a calendar year, not counting absences for which the Trustee was excused by the Board.

Actions to remove Trustees must be brought before a District Court with jurisdiction, except that any court convicting a Trustee of a felony or official misconduct shall order immediate removal.

I.H.4. Trustee Development and Training

I.H.4.1. Policy
The Board encourages Trustees to engage in training and continuing education programs that focus on trusteeship and other areas of community college operations to help them effectively perform their official duties.

I.H.4.2. Definitions

(a) THECB means the Texas Higher Education Coordinating Board, which provides leadership and coordination for Texas’s higher education system.
I.H.4.3. Trustee Orientation and Education
The Board and the Chancellor provide orientation for new Trustees within the calendar year of their election to help them to understand the Board’s function, policies, and procedures. This orientation may include the following: (a) selected materials on Trustee responsibilities; (b) material on Board Meetings; (c) invitations to meet with the Chancellor, college presidents, and other administrative personnel designated by the Chancellor to discuss services the administration performs for the Board; (d) access to Board policies, regulations, and other documents and information currently used by Trustees; (e) information on appropriate meetings and workshops; (f) a formal orientation on the Board’s legal and budgetary oversight responsibilities; and (g) other information and activities the Board or the Chancellor deems useful.

The Board encourages all Trustees to engage in continuous training and development. The Board allocates sufficient resources for Trustees to attend educational conferences.

I.H.4.4. Reimbursement of Development and Training Expenses
The Board pre-authorizes all official travel by Trustees and reimbursement of expenses associated with Trustee education programs and institutional representation. When lodging rates differ for single or double occupancy, Trustees are responsible for the difference if double occupancy is necessary. Trustees follow the Chancellor’s Procedures regarding requests for reimbursement of travel expenses and the use of College’s credit cards. Trustees are reimbursed for mileage at College-approved rates, except when commercial airfare costs less than the amount for mileage. In such instances, the reimbursement will be the airfare cost.

I.H.4.5. Frequency
Trustees are generally limited to one national and one state or regional trusteeship meeting per fiscal year. The Board may make exceptions for specific purposes that it believes are in the College’s best interests. The Chancellor shall work with the Board to develop and implement a plan to address Trustees’ training needs.

I.H.4.6. THECB Trainings
The THECB provides mandatory training for new Trustees under Section 61.084, Education Code. Trustees use private funds for THECB registration fees and costs of travel, meals, and lodging. No public funds may be used except for grants and donated private funds available for that purpose.

I.H.4.7. Conventions, Workshops, Press Conferences, and Ceremonial Events
Trustees may attend a regional, state, or national convention, workshop, ceremonial event, or press conference. Even if a quorum is present, these gatherings are not “meetings” under the Open Meetings Act. The Board does not officially act at such events, and any Trustee discussions of public business are merely incidental to the event.

I.H.4.8. Open Government Training
Within 90 days of taking the oath of office, a Trustee shall complete a course of training on open meetings and open records provided by the Texas Attorney General or another approved source of training about the Board’s and Trustees’ responsibilities under Chapter 551, Government Code.
I.H.4.9. Reporting
At a Board Meeting after attending a conference or workshop, a Trustee gives the Board a verbal report of sessions or meetings which he or she attended.
Request: Consideration of the Recommended Revision of the Lone Star College System Board Policy Manual Section VI.F.1.3. Title IX Harassment and Sexual Violence General Procedures (FIRST READING)

Chancellor's Recommendation: That the Board of Trustees consider the recommended revision of the College’s Board Policy Section VI.F.1.3. Title IX Harassment and Sexual Violence General Procedures clarifying the College employees who may receive and process a sexual violence report.

Rationale: The current version of Section VI.F.1.3. Title IX Harassment and Sexual Violence General Procedures embodies requirements under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (“Clery”) and Title IX of the Education Amendments of 1972 (“Title IX”). This revision provides clarification that allows the College to better comply with Clery and Title IX.

Fiscal Impact: None

VI.F. Sexual Harassment, Assault, Violence, and Discrimination

VI.F.1.3. Title IX Harassment and Sexual Violence General Procedures

Title IX harassment and sexual violence investigations are governed by the policies outlined below. The Office of General Counsel will develop procedures and forms to comply with this policy subject to the approval of the Chancellor or a designee.

(a) Reporting Sexual Violence

Any person who believes sexual violence occurred may promptly report the incident to one of the College’s responsible employees or Campus Security Authorities (CSA) including, but not limited to: (i) the College’s Police Department, (ii) the Chief Student Services Officer, or (iii) the Title IX Coordinator.

All individuals listed in the prior paragraph shall promptly inform the Title IX Coordinator of any such report. The responsible employee or CSA must inform the reporting person that the responsible employee or CSA has a duty to relay the complaint to the Title IX Coordinator. The responsible employee or CSA must also inform the reporting student about his or her confidentiality options, available confidential advocacy, counseling, and other support services; the right to file a Title IX complaint with the College; and the right to report a crime to the campus or external law enforcement.

Financial Report and Consideration No. 2  (ACTION ITEM 2)  Board Meeting 10-3-16

Request: Consideration of Approval of Resolution and Ordinance Levying the Interest and Sinking (I&S) Component of the Ad Valorem Tax Rate for Tax Year 2016

Chancellor's Recommendation: That the Board of Trustees adopt a resolution and ordinance levying the I&S component of the ad valorem tax rate for tax year 2016 at $.0278 per $100 of assessed valuation.

Rationale: The I&S tax rate of $.0278 per $100 of assessed valuation is based on the debt service requirements for general obligation bonds in FY 2016-2017 of $48.8 million, net of the amount ($2.38 million) that is anticipated to be funded from other sources.

As required by law, the College published all of the appropriate rates, statements and schedules.

Fiscal Impact: The recommended rate should generate tax revenues sufficient to pay the bonded debt obligation for FY 2016-2017, net of the amount anticipated to be funded from other sources.

WHEREAS, the Lone Star College System has been duly organized in accordance with the laws of the State of Texas; and

WHEREAS, the Board of Trustees of the College has previously approved and adopted the budget for FY 2016-2017 in accordance with state law; and

WHEREAS, the Board of Trustees of the College finds that it is necessary to levy ad valorem taxes for the tax year 2016 to provide for the interest and sinking fund requirements related to the general obligation bonds for the ensuing year as authorized by law; and

WHEREAS, the Board of Trustees of the College further find that the College has complied with all the procedural requirements for the setting of the 2016 ad valorem tax rate as specified by the Tax Code and Education Code;

NOW, THEREFORE, BE IT RESOLVED AND ORDAINED BY THE BOARD OF TRUSTEES OF THE LONE STAR COLLEGE SYSTEM THAT:

Section 1. Ad valorem tax be levied at a rate of $.0278 on each one hundred dollar ($100) increment of assessed valuation of property for the interest and sinking (debt service) requirements related to the general obligation bonds of the College as authorized by law.

Section 2. THIS TAX RATE WILL RAISE LESS TAXES FOR INTEREST AND SINKING REQUIREMENTS THAN LAST YEAR’S TAX RATE.

Section 3. The assessed value of taxable property provided by the Harris and Montgomery County Tax Assessor-Collectors are approved and adopted and the taxes shall be levied on these valuations.

Section 4. This Resolution shall take effect immediately from and after its adoption.

Financial Report and Consideration No. 3  (ACTION ITEM 3)  Board Meeting 10-3-16

Request: Consideration of Approval of Resolution and Ordinance Levying the Maintenance and Operations (M&O) Component of the Ad Valorem Tax Rate for Tax Year 2016

Chancellor’s Recommendation: That the Board of Trustees adopt a resolution and ordinance levying the M&O component of the ad valorem tax rate for tax year 2016 at $.0800 per $100 of assessed valuation.

Rationale: The M&O tax rate of $.0800 per $100 of assessed valuation generates revenue to support the System’s general fund expenditures for FY 2016-2017. This rate is 6.1% greater than the FY 2015-16 M&O tax rate and will contribute additional revenue compared to last year due to the increase in the rate and property values.

As required by law, the College published all of the appropriate rates, statements and schedules.

Fiscal Impact: The recommended rate should generate tax revenues sufficient to support the operations of the College for FY 2016-2017.

Request: Consideration of Approval to Submit Unlimited Grant Applications During FY 2016-2017

Chancellor’s Recommendation: That the Board of Trustees approve the Chancellor or designee to submit unlimited (i.e. no maximum dollar amount annually) grant applications during FY 2016-2017. The Chancellor also recommends that the Board of Trustees authorize him or a designee to execute and submit individual grant applications of $100,000 or more without obtaining the Board’s individual pre-approval for each individual grant application. The attached table includes a list of grant contracts $100,000 or more that the College has been awarded and is currently managing. This list includes annual grants that the College plans to re-apply for in FY 2016-2017. Additional grant application submissions will occur as opportunities arise and are determined to meet the strategic goals of the College.

Rationale: Grand funders issue requests for proposals for grant applications. They require the applicant to sign the grant application which, if awarded, becomes the grant contract. While the College can decide not to accept a grant award with proper notice, the application is a formal contract which contains terms and conditions of the grant.

This pre-approval to submit grant applications is necessary to respond expeditiously to grant funders’ application deadlines which are normally tight. Obtaining Board of Trustees approval of the individual grant applications in advance of submission could result in missing the deadline and losing the funding opportunity.

If the funder requires a match, either in kind or cash, the College will only submit the grant application if the match can be covered within the budget approved by the Board of Trustees.

If awarded, grant related purchases will be made in accordance with procurement methods approved by state law, and allowed by board policy and the grant contract including, but not limited to, competitive bids and requests for qualifications.

Funding agencies typically reimburse awardees for grant expenditures monthly or quarterly upon submission of proper documentation.

Fiscal Impact: If the College is awarded a grant, the expenditures will be reimbursed by the funding agency. If a match, either in kind or cash, is required by the
funding agency, the match will be covered with funds included in the approved FY 2016-2017 budget.

Request: Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute a Contract to Purchase a College Parking Software Solution

Chancellor's Recommendation: That the Board of Trustees authorize the Chancellor or designee to negotiate and execute a contract to purchase a college parking software solution from NuPark, Inc., 912 Petaluma Drive, Cedar Park, TX 78613, for a sum not exceeding $199,264 and a term not exceeding five years. The initial term of this contract will be for a period of two years with the option to renew for three additional one-year periods. The Chancellor recommends that the vendor with the highest evaluation score be awarded the contract.

Rationale: Texas Education Code Section 51.202 allows state institutions of higher education to regulate parking and impose fines. The College requires a web-based software solution to help manage its parking permit and ticket system, which provides enhanced security at all College locations.

The software solution should provide functionality such as owner and vehicle registration, printing of hangtag parking permits, citation issuance and tracking, online student payments, an appeals process, lost and found reporting/tracking, etc.

In compliance with the provisions of Texas Education Code §44.031(a), a Request for Proposal (RFP #447) was publicly advertised and issued to seven college parking software solution vendors and two responses were received. The initial evaluation of the proposals was conducted based on pricing, qualifications, experience, references, quality of service, extent to which certified historically underutilized business (HUB), minority and/or veteran or women-owned businesses are utilized; past performance and other enhanced services. Both vendors were invited to a presentation/interview.

Fiscal Impact: Funds for this purchase are included in the approved FY 2016-2017 budget. Funds for subsequent years will be included in future proposed budgets.

Financial Report and Consideration No. 6  (ACTION ITEM 6)  Board Meeting 10-3-16

Request: Consideration of Approval of Investment Broker/Dealers for FY 2016-2017

Chancellor’s Recommendation: That the Board of Trustees approve the attached recommended list of investment broker/dealers for FY 2016-2017.

Rationale: The Public Funds Investment Act (PFIA), Texas Government Code Section 2256, requires that the Board approve firms authorized to transact investment business with the College each year. The recommended firms included in the attached list were qualified through a recent Request for Qualifications (RFQ #448) process in compliance with Texas Government Code Section 2254. The RFQ was sent to 41 firms and 11 proposals were received. The firms were evaluated based on experience, services offered, experience serving other public funds’ portfolios in the State of Texas, portfolio references, quality of services, past performance, extent to which certified historically underutilized business (HUB), minority and/or veteran or women-owned businesses are utilized, other relevant factors and the firm’s Financial Industry Regulatory Authority (FINRA) Report.

The six highest ranking firms are being recommended as the College’s investment broker/dealers for the next three years; however, their performance will be evaluated annually and they will be presented to the Board of Trustees for approval prior to the second and third years.

In compliance with College policy and state law, each firm has been provided with a copy of the College’s investment policy. The College will complete the certification process for each of the recommended broker/dealers for the coming fiscal year, documenting their understanding of the PFIA and the suitability of investments in compliance with the College’s investment policy.

Fiscal Impact: None

Request: Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute Contracts to Purchase Parking Area and Roadway Striping Services

It is recommended that both vendors be awarded a contract due to the volume of anticipated work. These contracts will establish pricing for all parking area and roadways on an as needed basis. The contracts will not obligate the College to purchase a fixed amount of services, but the pricing, terms and conditions, and specifications will be established for when the services are required.

The initial contract terms shall be for three years with an option to renew for two additional one-year periods. Quotes will be requested from both vendors as specific scopes of work are identified.

Rationale: The College has a significant financial investment in buildings and facilities. These contracts will be utilized to ensure that the parking areas and roadways meet current safety and maintenance standards.

In compliance with the provisions of Texas Government Code Section 2269.055, a Competitive Sealed Proposal (CSP #446) was publicly advertised and issued to 57 bidders and three responses were received. The evaluation of the proposals was conducted based on cost; qualifications; experience; references; quality of services; the extent to which certified historically underutilized business (HUB), minority and/or veteran or women-owned businesses are utilized; safety record; lead personnel; financial capability; enhanced services and completeness and thoroughness of response.
**Fiscal Impact:** Funds for these purchases are included in the approved FY 2016-2017 budget. Funds for subsequent years will be included in future proposed budgets.

Financial Report and Consideration No. 8 (ACTION ITEM 8)  Board Meeting 10-3-16

Request: Consideration of Approval to Authorize the Chancellor or Designee to Amend the Contract with the LSC-North Harris Materials Testing Firm for Services Related to the Construction Skilled Trades Technology Building

Chancellor’s Recommendation: That the Board of Trustees authorize the Chancellor or designee to execute a contract amendment with the LSC-North Harris materials testing firm, HVJ Associates, Inc. (HVJ), 6120 South Dairy Ashford Rd, Houston, TX 77072, for services related to the Construction Skilled Trades Technology Building in the amount of $21,364 for a total revised contract amount of $120,160.

Rationale: At the May 7, 2015 meeting, the Board of Trustees approved six firms, including HVJ, to provide geotechnical, environmental, and material testing services through a formal Request for Qualifications process in compliance with Texas Government Code Section 2254.004.

HVJ was subsequently awarded a contract for this work, and that contract has been amended two times as individual college projects and scopes were identified. With this recommended amendment, the contract will now exceed $100,000 requiring Board approval.

Fiscal Impact: Funds for this purchase are available from the General Obligation Bonds, Series 2015A.

Financial Report and Consideration No. 9  (ACTION ITEM 9)  Board Meeting 10-3-16

Request:  
Consideration of Approval to Authorize the Chancellor or Designee to Amend the Contracts with the Commissioning Firms for Services Related to the 2014 General Obligation Bond Construction Program Phase 1 Projects

Chancellor’s Recommendation:  
That the Board of Trustees authorize the Chancellor or designee to amend the contracts with the commissioning firms as follows:

1. Page Southerland Page, Inc. d/b/a Page (Page), 1100 Louisiana, Suite 1, Houston, Texas 77002, for construction phase services related to LSC-Kingwood and LSC-North Harris, in the sum of $220,000, for a total revised contract sum of $585,420.

2. Sebesta, Inc., (Sebesta), 5300 Memorial Drive, Suite 390, Houston, Texas 77007, for construction phase services related to LSC-CyFair and LSC-University Park, in the sum of $240,000, for a total revised contract sum of $410,463.

Rationale:  
As building systems have become more complex and integrated, the utilization of third party commissioning services has become a standard practice in the delivery of construction projects. This service is the process for achieving, validating and documenting that the performance of the total building and its systems meet LSC design intent and requirements. Because all building systems are integrated, a deficiency in one or more components can result in suboptimal operation and performance among other components. Areas of specific emphasis include: the building envelope, HVAC equipment and control systems, electrical panels and transformers, fire protection and plumbing systems.

At the October 1, 2015 meeting, the Board of Trustees approved the three firms identified below to provide commissioning agent services for the colleges indicated through a formal Request for Qualifications process in compliance with Texas Government Code Section 2254.004. These firms were approved to provide commissioning services for any projects requiring such services under the 2014 general obligation bond construction program for a total sum not exceeding $1,500,000 up to five years.

Initial design contracts for phase 1 services were executed in December 2015 / January 2016 and ratified by the Board of Trustees at the August 4, 2016 meeting as presented below. At that time, the full scope of the construction related services were not defined and this request is to fully fund all phase 1 services. Contract amendments are required for Sebesta and Page, while the initial contract amount approved for Affiliated
Engineers, Inc. will cover both the design and construction phase of services.

Commissioning services will be required for phase II and III projects, and appropriate contract amendments will be brought back to the Board of Trustees for approval for those services at a future meeting.

Request: Consideration of Approval to Authorize the Chancellor or Designee to Amend the Contract with the Security Design and Consulting Firm for Additional Services Related to the System-wide Mass Notification Infrastructure

Chancellor’s Recommendation: That the Board of Trustees authorize the Chancellor or designee to negotiate and execute a contract amendment with TRC Engineers, Inc., 123 Technology Drive, Irvine, California 92624, for the purchase of additional services related to the system-wide mass notification infrastructure in the sum of $199,946, for a total revised contract sum of $2,400,000.

Rationale: On August 6, 2015, the Board of Trustees approved TRC Engineers, Inc. to provide security design and consulting services for projects under the 2014 General Obligation Bond Construction Program in a sum not exceeding $2,500,000 through a formal Request for Qualifications process in compliance with Texas Government Code Section 2254.004.

TRC Engineers, Inc. was subsequently awarded a contract to provide these services.

Subsequent to the contract award, it was determined that additional services are required for the system-wide mass notification infrastructure and this amendment will provide for these additional services.

Fiscal Impact: Funds for this purchase are available from the General Obligation Bonds, Series 2015A.

Request: Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute Easements and Agreements on Behalf of the College Related to the 2014 General Obligation Bond Construction Program at LSC-University Park

Chancellor’s Recommendation: That the Board of Trustees authorize the Chancellor or designee to negotiate and execute easements and agreements on behalf of the College related to the 2014 General Obligation Bond Construction Program at LSC-University Park.

Rationale: Certain easements and agreements will be necessary to provide utilities to the Center For Science and Innovation and the Building 12 and 13 Entrance Canopy and Parking Project. These may include, but are not limited to, agreements related to sanitary and stormwater connections, encroachments on existing easements, construction-related stormwater management, and electrical service.

Fiscal Impact: None

Request: Consideration of Approval to Authorize the Chancellor or Designee to Negotiate and Execute an Interlocal Agreement Between Harris County and the College for Harris County to Provide Funding for LSC-CyFair to Operate a Joint Library Serving LSC-CyFair and the General Public

Chancellor’s Recommendation: That the Board of Trustees authorize the Chancellor or designee to negotiate and execute an interlocal agreement between Harris County and the College for Harris County to provide funding for LSC-CyFair to operate a joint library serving LSC-CyFair and the general public. The initial term of this agreement will be for a period of one year, and the agreement will automatically renew for four additional one-year terms subject to the early termination of the agreement.

Rationale: Under a 2003 interlocal agreement between Harris County and Lone Star College, LSC-CyFair’s library operates not only as an academic library, but also as a branch of Harris County’s public library system. This library stays open longer and carries more titles than it would if it did not belong to the County’s public library system. In return, Harris County contributes over $1 million per year to the College for LSC-CyFair’s library personnel and operations.

The current agreement’s formula for calculating Harris County’s annual contribution is long and convoluted, while the proposed interlocal agreement assigns clear cost percentages to Harris County. Several other provisions in the original agreement need to be updated, including those related to technology and the library steering committee. The proposed agreement will continue the long-standing collaboration between Harris County and the College to provide a branch public library at LSC-CyFair to mutually benefit students, faculty, staff, and the general public.

Texas Government Code, Chapter 791, authorizes Lone Star College and Harris County to execute an interlocal agreement for library services.

Fiscal Impact: Funds from Harris County under this interlocal agreement will provide 62% of the salary and benefits for 50 LSC-CyFair library employees (approximately $1,471,300) and 5.14% of LSC-CyFair library’s operating expenses (approximately $247,600). Harris County’s maximum annual contribution under this agreement is $2 million or other amount appropriated by Harris County Commissioners Court. Funds for the College’s costs under this agreement will come from operating budgets for each fiscal year in which the agreement is in effect.

Financial Report and Consideration No. 13  (ACTION ITEM 13)  Board Meeting 10-3-16

Request: Consideration of Approval to Authorize the Chancellor or Designee to Amend the Contract with the Pest Control Services Firm for Additional Services

Chancellor’s Recommendation: That the Board of Trustees authorize the Chancellor or designee to execute a contract amendment with Cypress Creek Pest Control, P.O. Box 690548, Houston, TX 77269, for additional pest control services in the amount of $60,000 for a total revised contract sum of $200,000. The term of the contract is September 1, 2012 through August 31, 2017.

Rationale: At the September 6, 2012 meeting, the Board of Trustees approved Cypress Creek Pest Control to provide pest control services for the College through a formal Request for Proposals process in compliance with Texas Government Code §44.031. The initial contract was executed for $140,000.

This amendment is required to provide routine monthly pest control inspections and treatments for the College’s new facilities including LSC-Cypress Center and LSC-Creekside Center.

Fiscal Impact: Funds for this purchase are included in the approved FY 2016-2017 budget.

Request: Consideration and Official Adoption of the Terms of Joint Election Agreements and Election Services Agreements to which Lone Star College is a Party

Chancellor’s Recommendation: That the Board of Trustees officially adopt the terms of the joint election agreements and election services agreements that Lone Star College has entered into with Montgomery County, Texas and with San Jacinto County, Texas.

Rationale: Section 271.002(d) of the Texas Elections Code requires that the terms of any joint election agreement involving Lone Star College be stated in an order, resolution, or other official action adopted by the Board of Trustees. Lone Star College has entered into joint election agreements and elections services agreements with Montgomery County, Texas and with San Jacinto County, Texas, and many of the terms of those agreements are not stated in any other official Board action.

ELECTION SERVICES AGREEMENT

STATE OF TEXAS  
COUNTY OF MONTGOMERY

THIS CONTRACT is made this 15th day of July, 2016, by and between the Political Subdivision of Lone Star College System, hereinafter called "Political Subdivision," and Montgomery County, Texas, by its County Election Officer, Suzie Harvey, hereinafter called "Contracting Officer," pursuant to Texas Election Code Section 31.092. The parties agree to hold a November 8, 2016 Joint Election with all participating Political Subdivisions in accordance with Chapter 271 of the Texas Election Code and this Agreement. This Agreement is entered into in consideration of the mutual covenants and promises hereinafter set out:

1. RECITALS. Contracting Officer is the Elections Administrator of Montgomery County, Texas, and is the County Officer in charge of election duties. Political Subdivision is a political entity situated wholly or partially within Montgomery County, Texas. Political Subdivision and Contracting Officer have determined that it is in the public interest of Montgomery County voters that the following contract be made and entered into for the purpose of having Contracting Officer furnish to Political Subdivision certain election services and equipment needed by Political Subdivision in connection with holding its November 8, 2016 Election. Montgomery County’s certified Hart InterCivic eSlate Voting System Version 6.2.1 electronic voting equipment is to be used in the November 8, 2016 Joint Election, hereinafter called “Joint Election.”

2. DUTIES AND SERVICES OF CONTRACTING OFFICER. Contracting Officer shall be responsible for performing the following duties and shall furnish the following services and equipment:

(a) Determine the number of election officials and voting equipment units needed for each polling location. Notify and coordinate presiding election judges, alternate judges, and all other election officials appointed by Montgomery County Commissioners’ Court and the County Election Board or recommended by Contracting Officer, as applicable. Montgomery County or Contracting Officer, as applicable, will make emergency appointments of election officials if necessary.

(b) Conduct necessary training of election officials or arrange for training through a third party. Notify all early voting and election day officials of the date, time, and place thereof.

(c) Arrange for the use of early voting locations per the attached Exhibit A and election day polling locations per the attached Exhibit B. If the need arises for emergency replacement polling location(s), make necessary alternate arrangements and notify Political Subdivision as soon as possible.

(d) Procure election kits and supplies and distribute to the precinct judges and early voting deputies. Assemble and edit lists of registered voters to be used in conducting the election in conformity
with the boundaries of Political Subdivision and the election precincts established for the election. The election day list of registered voters shall be arranged in alphabetical order by voting precinct in lieu of alphabetical order by political entity.

(e) Prepare and test all electronic voting equipment, format ballot styles, record audio, oversee all equipment and voter registration database programming, assure compliance with equipment security requirements, and arrange for transport of equipment to and from polling locations.

(f) Serve as Early Voting Clerk for the Joint Election. Process, print, mail or email, as applicable, and tabulate ballots for any eligible voter who applies for a mail ballot including all eligible Federal Post Card Application voters. Supervise the conduct of early voting in person and appoint sufficient personnel to serve as deputy early voting clerks. Provide lists of early voters as provided by law through the Montgomery County Elections Public Information web access program.

(g) Publish legal notice of the date, time, and place of the public logic and accuracy test. Prepare test materials and conduct internal election testing, public logic and accuracy test, and tests of tabulation equipment. Publish a joint election notice one time in English and Spanish in Montgomery County newspaper(s).

(h) Arrange for the early voting ballot board, signature verification committee if applicable, tabulation personnel, and all personnel, equipment, and supplies needed at central counting station. Tabulate early voting and election day results, including paper ballots and provisional ballots. Tabulate unofficial returns and assist in preparing the tabulation for the official canvass. Provide Political Subdivision its voter history report following the election through the Montgomery County Elections Public Information web access program.

(i) Serve as Custodian of Records for election records in Contracting Officer’s custody and provide the required temporary storage and permanent storage of said election records as provided by law.

(j) Provide information services for voters and election officers.

(k) Maintain accurate records of all expenses incurred in connection with the responsibilities under this Agreement and provide Political Subdivision a final invoice after the conduct of the election. Provide any detailed backup to such invoice, if requested, reflecting the charges or components of the costs set forth on the invoice submitted to Political Subdivision.

(l) Pursuant to Section 127.201(g) of the Texas Election Code, the requirement to conduct the partial manual count of electronic voting system ballots does not apply to a voting system that uses direct recording electronic machines (DREs). Montgomery County uses only DREs and qualifies for the exemption under this section, thereby also qualifying the participating Political Subdivisions for the exemption. This exemption must be recorded with the Office of the Secretary of State in accordance with instructions provided by that agency.

If the exemption is revoked for any reason, Contracting Officer shall conduct a partial manual count as prescribed by Section 127.201 of the Texas Election Code if required for the County election or if Political Subdivision provides Contracting Officer precincts and races ordered by the Secretary of State to be manually counted. Contracting Officer shall deliver a written report
of the results of any such count to the Office of the Secretary of State as required by Section 127.201(e) of the Texas Election Code and to Political Subdivision in a timely manner.

(m) Place the funds paid by Political Subdivision hereunder in a "contract fund" as prescribed by Section 31.100 of the Texas Election Code.

3. **DUTIES AND SERVICES OF POLITICAL SUBDIVISION.** Political Subdivision shall be responsible for performing the following duties:

(a) Prepare all election orders, resolutions, notices, and other pertinent documents for adoption and execution by the appropriate Political Subdivision officer or body. Take all actions necessary for calling Political Subdivision's election which are required by the Texas Election Code and/or the Political Subdivision's governing body, charter, ordinances, or other applicable laws. Execute a Joint Election Agreement with all participating Political Subdivisions for the purpose of sharing election equipment, election officials, county precinct polling locations, and costs. Serve as Custodian of Records for all election records in its possession as provided by law.

(b) Political Subdivision shall be responsible for the legal sufficiency of any order calling its election. Political Subdivision shall be responsible for all substantive and procedural legal issues governing the conduct of its election. Political Subdivision understands and agrees that Contracting Officer provides no legal advice to Political Subdivision.

(c) Adopt the county voting precincts for this election. Adopt all early voting dates, times, and locations on the attached Exhibit A. Adopt the election day precinct polling locations on the attached Exhibit B for each county voting precinct that is within its jurisdictional boundaries as listed on the Exhibit B. Timely confirm the accuracy of its street boundaries and precincts.

(d) If required, prepare any necessary preclearance submission on all voting changes made by Political Subdivision and timely submit to the U.S. Department of Justice under the Federal Voting Rights Act of 1965, as amended.

(e) Prepare, post and publish all required election notices for Political Subdivision with the exception of the joint election notice and the notice of the public test which Contracting Officer shall publish. In addition, if polling locations for Joint Election are different than those for Political Subdivision's previous election, Political Subdivision shall post notice at the entrance to any previous polling places in its jurisdiction stating that the polling location has changed and shall provide the polling location and address for those voters for this election, pursuant to Texas Election Code Section 43.062, unless Contracting Officer has posted notice of the change at that location for Joint Election. Educate the voters in Political Subdivision as much as possible about early voting dates, times, and locations and election day polling locations.

(f) Confirm with Contracting Officer its boundaries, county voting precincts, and street details within those boundaries. If boundaries are not defined properly within Montgomery County Elections voter registration database, maps and street lists with block ranges and odd/even/both indicators must be provided to Contracting Officer. Proof and approve all programming work done for the jurisdiction according to the Exhibit C Timetable.

(g) Deliver to Contracting Officer, according to the attached Exhibit C Timetable, an Entity Fact
Sheet, Ballot Template with Spanish translations, candidate names or measures, and the order in which all items are to be printed on the ballot with the exact form and spelling. Provide pronunciation for difficult names or words to use on the audio recording. Review ballot proofs and approve by signature within deadlines provided.

(h) Appoint Contracting Officer as Early Voting Clerk to receive applications for ballot by mail at Mail - P O Box 2646, Conroe, Texas 77305-2646; Email - election.ballot@mctx.org; or Fax - (936) 788-8340

All requests for early voting ballots to be voted by mail that are received by Political Subdivision must be forwarded in person or by email or fax to Contracting Officer on the day of receipt. Original applications that are received by mail and forwarded by email or fax must also be mailed to Contracting Officer for all processing.

(i) Appoint election officials as appointed by Montgomery County Commissioners’ Court and the County Election Board or recommended by Contracting Officer, as applicable.

(j) If requested, assist Contracting Officer with recruiting bilingual poll workers and provide documentation of Political Subdivision’s efforts if requested by the U. S. Department of Justice.

(k) If candidate information packet is provided to Political Subdivision by Contracting Officer, distribute to all candidates at time of candidate filing or in another appropriate manner.

(l) Pay additional costs incurred by Contracting Officer for a recount, election contest, newly ordered election, or a runoff election, if required, unless prohibited by law.

(m) Record the exemption from the partial manual count pursuant to Section 127.201(g) of the Texas Election Code with the Secretary of State in accordance with the instructions provided by that agency, unless the exemption for voting systems that use only DREs is revoked. If the exemption is revoked, immediately forward to Contracting Officer any information received from the Secretary of State regarding a manual count of precincts and races or a waiver of the manual count. Contracting Officer must receive this information on the same day received by Political Subdivision because of the short deadline for Contracting Officer to begin the process.

(n) Canvass the returns and declare the election results for Political Subdivision. Political Subdivision is responsible for filing any precinct reports required by the Secretary of State unless both parties agree that Contracting Officer will submit precinct reports to the Secretary of State.

(o) Pay a deposit of 60% of its estimated cost per the Exhibit D Cost Estimate to Montgomery County Elections Administrator P O Box 2646, Conroe, Texas 77305-2646.

Checks shall be received by Contracting Officer on or before the deadline in Exhibit C Timetable. Pay the balance for conducting said election within thirty days from the date of final invoice. All payments shall be made from current revenues available to Political Subdivision. If the amount owed for conducting the election is less than the deposit paid by Political Subdivision, Contracting Officer shall refund the overpayment in a prompt manner.
4. **COST OF SERVICES.** Political Subdivision shall share some expenses for the above services, supplies, and equipment in accordance with the attached Exhibit D Cost Estimate. This cost estimate may be amended, if necessary, after filing deadlines and election cancellations. Additional elections may reduce costs for each entity, and election cancellations may increase costs for each remaining entity. It is understood that other political entities may wish to participate in the use of the County’s electronic voting equipment and polling locations, and it is agreed that Contracting Officer may enter into other contracts with entities for those purposes on terms and conditions generally similar to those set forth in this Agreement. Only the actual expenses directly attributable to this Agreement and any prorated shared expenses plus a 10% administrative fee may be charged to Political Subdivision.

5. **GENERAL CONDITIONS.**

(a) The parties agree that the timing is critical for all duties in this Agreement. Failure to adhere to any deadline in the Exhibit C Timetable without prior agreement of Contracting Officer may result in cancellation of Contracting Officer’s duties and obligations to conduct Political Subdivision’s election under this Agreement or, at the discretion of Contracting Officer, a late penalty surcharge in an amount not to exceed 10% of the final election cost. Adherence to the Timetable is critical because of Montgomery County’s obligation to complete all programming and testing, process, print, and mail or email, as applicable, any military and overseas ballots by state and federal deadlines, and conduct federal, state, county, and/or other contracted elections, as applicable.

(b) In accordance with Section 31.098 of the Texas Election Code, Contracting Officer is authorized to contract with third persons for election services and supplies and hire necessary temporary personnel to perform contracted duties. Part-time and seasonal personnel will be compensated at the hourly rate set by Montgomery County.

(c) Pursuant to Section 31.100(d) of the Texas Election Code, Contracting Officer may not be personally compensated for election services performed under this Agreement. In accordance with Section 31.100(e) of the Texas Election Code, only costs for contractual duties performed by full-time county employees outside of normal business hours will be allocated to Political Subdivision under this Agreement.

(d) Political Subdivision acknowledges that electronic voting equipment is highly technical and it is conceivable that, despite the best effort of the parties and technical assistance, it might fail during the election. Contracting Officer will take every possible action to remedy the situation, but Political Subdivision agrees that should such equipment fail, it will not make any claim for damages of any kind.

(e) The county early voting sites as per the attached Exhibit A will be used for the Joint Election. Any eligible Montgomery County voter in the Joint Election may vote early by personal appearance at any one of the joint early voting locations in Exhibit A.

(f) Montgomery County Elections Department is contracting with numerous political entities for the Joint Election, and the parties agree that all ballot styles will be programmed into one electronic voting system. Each voter will receive one ballot that contains all races and measures in the Joint Election for which the voter is eligible at the address and in the precinct of the voter’s current registration in Montgomery County. One joint voter sign-in process consisting of a common list
of Montgomery County registered voters and common signature rosters shall be used in precincts in which the county polling locations are used.

(g) In accordance with Section 31.099 of the Texas Election Code, Contracting Officer shall file copies of this Agreement with the Auditor and Treasurer of Montgomery County not later than the 10th day from receipt of the fully executed Agreement by Contracting Officer.

(h) Montgomery County is self-insured for personal liability issues. Should Political Subdivision desire insurance for injuries during this election or other liabilities, it shall make such arrangements separate from this Agreement.

(i) In the event that the performance by Contracting Officer of any of its obligations hereunder shall be interrupted or delayed by any occurrence not occasioned by its own conduct, whether such occurrence be an act of God or the result of war, riot, civil commotion, sovereign conduct, or the act or condition of any persons not a party thereof, then it shall be excused from such performance for such period of time as is reasonably necessary after such occurrence to remedy the effects thereof.

(j) The parties to this Agreement agree that Political Subdivision may cancel this Agreement in the event that it has no need to participate in Joint Election. If Political Subdivision’s election is canceled after the deadline in Exhibit C Timetable, a $200 contract preparation and processing fee will be assessed to Political Subdivision in addition to any costs incurred by Contracting Officer on behalf of Political Subdivision prior to said cancellation.

(k) Political Subdivision has the option of extending the applicable terms of this Agreement through its runoff election, if required. Political Subdivision shall be responsible for locating acceptable runoff polling locations, although Contracting Officer may assist. Political Subdivision may reduce the number of early voting locations and/or election day polling locations in a runoff election. If Political Subdivision elects to have Contracting Officer conduct a runoff election, the date must be acceptable to Contracting Officer and shall be coordinated with other participating entities. Costs will be allocated to the participating entities, plus a 10% administrative fee shall be charged. Political Subdivision shall be responsible for all orders, notices, and notice of election postings and publications required for its runoff, except the publication of the notice of public logic and accuracy test which Contracting Officer will publish.
The foregoing Election Services Agreement is made in Montgomery County, Texas, and is signed on the dates below.

Montgomery County Joint Election
Exhibit C – Timetable
Revised 9/20/2016

The Participating Entities agree that timing is critical, and failure to adhere to this Timetable without prior agreement of Contracting Officer may result in additional charges or cancellation of Contracting Officer’s duties and obligations to conduct Political Subdivision’s election under this Agreement.

The dates in this Exhibit C - Timetable that pertain to deadlines provided by statute are for convenience only and are not to be considered legal advice. Refer to the website of the Texas Secretary of State http://www.sos.texas.gov/elections for a complete calendar of events including citations to the Texas Election Code and for information specific to entity type. Confer with your attorney on any statutes that govern your entity and election. Comply with all requirements for orders, postings and notices for your Political Subdivision and election.

Notices
Contracting Officer will provide the publication in English and Spanish of:
• public notice of the date, time, and place of the logic and accuracy test and first test of automatic tabulating equipment in The Courier and
• one notice of joint election in Montgomery County newspaper(s).

Immediately
If your entity is not listed on Exhibit B, has “Need to Confirm Streets” indicated on Exhibit B, has annexed territory, or has made any boundary changes, you must contact Contracting Officer at Suzie.Harvey@mctx.org and Matt.Murray@mctx.org immediately. Streets and block ranges in your jurisdictional boundaries must be defined, and this process can be lengthy. An Approval Form for streets must be signed by August 15, 2016, in order for you to participate in the Joint Election.

August 5, 2016
Entity Fact Sheet due.

Electronic Ballot Template (without candidate names) due. This must be emailed in a Word Document on our Ballot Template Form to Suzie.Harvey@mctx.org and Jason.Lay@mctx.org. Email candidate names separately, immediately following the Candidate Filing deadline.

If polling places for the November 8, 2016 joint election are different from the polling place(s) used by the Political Subdivision in its most recent election, the Political Subdivision agrees to post a notice no later than October 29, 2016 at the entrance to any previous polling places in the jurisdiction stating that the polling location has changed and stating the Political Subdivision’s polling place names and addresses in effect for the November 8, 2016 election.

IV. ELECTION JUDGES, CLERKS, AND OTHER ELECTION PERSONNEL

The County shall be responsible for the appointment of the presiding judge and alternate judge for each polling location in accordance with Chapter 32, Texas Election Code, as amended. The participating parties shall share a mutual ballot in those precincts where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap. The Political Subdivision shall furnish the Elections Administrator a list of candidates and/or propositions showing the order and the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles and text in each language in which the authority’s ballot is to be printed). X. WITHDRAWAL FROM CONTRACT DUE TO CANCELLATION OF ELECTION

The Political Subdivision may withdraw from this agreement and the Joint Election should it cancel its election in accordance with Sections 2.051 - 2.053, Texas Election Code, as amended, or should it be later ruled that the election is not needed. The Political Subdivision is fully liable for any expenses incurred by the County on behalf of the Political Subdivision through the date that the County receives notice from the Political Subdivision of cancellation. Any monies deposited with the County by the withdrawing authority shall be refunded, minus the aforementioned expenses.

XI. RECORDS OF THE ELECTION

The Elections Administrator is hereby appointed general custodian of the voted ballots and all records of the Joint Election as authorized by Section 271.010, Texas Election Code, as amended.

If records of the election are involved in any pending election contest, investigation, litigation, or open records request, the Elections Administrator shall maintain the records until final resolution or until final judgment, whichever is applicable. It is the responsibility of the Political Subdivision to bring to the attention of the Elections Administrator any notice of pending election contest, investigation, litigation or open records request which may be filed with the Political Subdivision.

XII. RECOUNTS

A recount may be obtained as provided by Title 13, Texas Election Code, as amended. The Political Subdivision agrees that any recount shall take place at the offices of the Elections Administrator, or such other location as the Elections Administrator shall reasonably designate, and that the Elections Administrator, or her authorized delegate, shall serve as Recount Supervisor and the Political Subdivision’s official or employee who performs the duties of a secretary under the Texas Election Code shall serve as Recount Coordinator.

The Political Subdivision is fully responsible for all actual costs of any recount. The Elections Administrator agrees that no additional administrative fee shall be charged for such recount.

XIII. MISCELLANEOUS PROVISIONS

1. It is understood that to the extent space is available, that other districts and political subdivisions may wish to participate in the use of the County’s election equipment and voting places, and it is agreed that the Elections Administrator may contract with such other districts or political subdivisions for such purposes and that in such event there may be a decrease in the pro-rata share to be paid to the County by the Political Subdivision.

Request: Consideration and Adoption of Order Declaring Unopposed Candidate Myriam Saldivar Elected as Trustee for District 6 on the Board of Trustees and Canceling the November 2016 Election for District 6 Only

Chancellor’s Recommendation: That the Board of Trustees adopt an order declaring unopposed candidate Myriam Saldivar elected as Trustee for District 6 on the Board of Trustees and canceling the November 2016 election for District 6 only.

Rationale: State election law, Board Policy Section 1.C.2.08, and the Board’s election order adopted at its meeting on August 4, 2016 all authorize the Board to declare unopposed candidates elected to office if:

a. a candidate whose name is to appear on the ballot is unopposed; and

b. no proposition is to appear on the ballot.

Ms. Saldivar’s candidacy is unopposed and there is no proposition on the ballot. Declaring her elected and canceling the currently scheduled election in District 6 would save the College funds that would otherwise be paid to Harris County to include this uncontested race on the ballot for voters in District 6. If the Board declares Ms. Saldivar elected, her term of office will begin at the same time as trustees chosen during this November’s election. The election will proceed in Districts 5 and 7 as originally ordered on August 4, 2016.

Fiscal Impact: The College will not have to spend funds that it would otherwise pay to Harris County for the election in District 6.

Request: Consideration of the Reappointment of Full-Time Faculty

Chancellor’s Recommendation: That the full-time faculty reappointments listed on the following page be ratified for the time periods and positions indicated, subject to final review and approval of the Chancellor.

Rationale: These LSC-North Harris and LSC-University Park employees were inadvertently left off of the multi-year contracts list that was approved by the Board at the April 7, 2016 Meeting; therefore, we are requesting Board ratification of the reappointment of the following Full-Time Faculty. The reappointments include Full-Time Faculty returning for the 2016-2017 academic year.

Fiscal Impact: Positions and salaries have been budgeted for 2016-2017.
