

**Leadership High School (LHS)** is a dynamic and intensive leadership program which offers an exciting opportunity for high school sophomores and juniors to learn more about themselves as well as their community. Through a series of engaging program days using the community as the classroom, participants learn leadership skills, servant leadership, community awareness, and engage in dialogue about issues facing our community. Personal growth is also experienced as participants cultivate confidence and self-esteem, citizenship, sensitivity to diversity, personal responsibility, and a sense of lifelong learning.

The program is offered at no cost to participants. All program sessions are held at a Lone Star College campus and transportation is provided for all session activities. Participants are placed into one of three groups based on their school district:

**LHS-Montgomery County:** Conroe, Magnolia, Montgomery, New Caney, Splendora, Willis

**LHS-North Houston:** Aldine, Humble, Spring

**LHS-Northwest:** Cypress-Fairbanks, Klein, Tomball, Waller
