

## What is Cy-Fest?

Cy-Fest is our gift to the community; all activities are free and open to the public. Nearly 16,000 community members attended Cy-Fest 2010. Cy-Fest gives local businesses and organizations the opportunity to interact with thousands of families and provide information on their goods and services or organization. Cy-Fest will be held at the Lone Star College-CyFair Campus on Saturday, October 8th, from 10:00 am to 2:00 pm.

## Festival's Objectives

- Promote positive exposure of the Cy-Fair Community.
- Foster community awareness, fellowship and pride.
- Support corporate and neighborhood business development.
- Provide an arena for sharing informational, cultural and educational programming.
- Create opportunities to build good will between community members, organizations and business.

## How to Get Involved

Sponsorship – Each sponsor will receive the following: acknowledgement signage at Cy-Fest, recognition on our Cy-Fest webpage logo, recognition in our program, and on Cy-Fest volunteer T-shirts and posters.
