Date: March 19 - April 30

Presented by: Lone Star Corporate College in partnership with PetroEd®

Format: Hybrid (mainly online with some classroom instruction)

Classroom Location: Lone Star College-University Park

Location: 20515 State Highway 249 (@ Louetta Rd.)
Houston, TX 77070

Description: This course is designed for those who need a basic understanding of the petroleum industry to perform their jobs, including:

- Technical/business professionals new to the petroleum industry or experienced in one area
- Investors/financial professionals with a need to better understand the petroleum industry.
- All levels of petroleum industry support staff

Students will learn the basics of upstream and downstream activities, as well as how hydrocarbon deposits are formed, explored, and produced.

Fundamentals of the Petroleum Industry, Part 1:

(Online) March 19-April 2 – (Classroom) March 31

Hours: 32 hours **Cost:** \$750

Fundamentals of the Petroleum Industry, Part 2:

(Online) April 2-April 16 – (Classroom) April 14

Hours: 32 hours **Cost:** \$750

Fundamentals of the Petroleum Industry, Part 3:

(Online) April 16-April 30 – (Classroom) April 28

Hours: 32 hours **Cost:** \$750

Total Hours: 96 hours **Total Cost:** \$1,800 (for all three courses)

(Texas Workforce Commission funds available to those who qualify)

(The online portion of this course is PetroEd's "Introduction to Petroleum Industry" course. Successful completers of the online portion will receive an IADC DIT certificate.)
