December 3, 2010

Presented by: Lone Star Corporate College in Partnership with The University of Texas at Arlington

Location: LSC-University Park

Meets: 1 Sessions
Friday 8:00am – 5:00pm

Description: The primary objectives of this one-day course are to increase the participant’s knowledge and skill in construction noise and provide them with materials and guidance for training their workers. OSHA published an Advanced Notice for Proposed Rulemaking, Hearing Conservation Program for Construction Workers. This course builds on OSHA’s efforts to reduce occupational hearing loss in the construction industry.

Learn to:
- Reduce occupational hearing loss in the construction industry

Hours: 8.00
CEUS: 0.80
