Geographic Information Systems Analyst Certificate Level II	★			☆			☆
Geographic Information Systems Technician Certificate Level I	★			☆			☆
Geographic Information Systems Occupational Skills Award	★						

LSC Credit and Non-Credit Programs of Study are organized according to nationally recognized areas of study. Each area of study represents a broad industry and group of occupations that require common knowledge and skills, followed by the LSC Programs of Study offered in each area. Each LSC Program of Study degree or certification plan details a recommended sequence of coursework based on a student's interest and career goal. Specific Credit and Non-Credit Program of Study degree plans are available at [LoneStar.edu/programs-classes](http://LoneStar.edu/programs-classes). Credit Programs of Study are designed for students who want to join the workforce and also provide transfer credits to four-year universities for students planning to continue their education to obtain a bachelor's degree. Non-credit programs of study are designed for students who want to obtain career training for immediate employment and generally do not include transferable college credits.

\* The U.S. Department of Education (DOE) requires that institutions of higher education must provide current and prospective students with information about each of its programs that prepare students for gainful employment (GE) in a recognized occupation. Lone Star College certificate programs, not designed to be fully transferable to a bachelor's degree program, are considered GE programs. Lone Star College's Gainful Employment Program information is available at [LoneStar.edu/GainfulEmployment](http://LoneStar.edu/GainfulEmployment).

LSC Credit and Non-Credit Programs of Study are organized according to nationally recognized areas of study. Each area of study represents a broad industry and group of occupations that require common knowledge and skills, followed by the LSC Programs of Study offered in each area. Each LSC Program of Study degree or certification plan details a recommended sequence of coursework based on a student's interest and career goal. Specific Credit and Non-Credit Program of Study degree plans are available at [LoneStar.edu/programs-classes](http://LoneStar.edu/programs-classes). Credit Programs of Study are designed for students who want to join the workforce and also provide transfer credits to four-year universities for students planning to continue their education to obtain a bachelor's degree. Non-credit programs of study are designed for students who want to obtain career training for immediate employment and generally do not include transferable college credits.
