| SPCH 1315                                | Public Speaking                        |                    |       |
| MATH 1324                                | Finite Math                            |                    |       |
| MATH 1325                                | Elements of Calculus with Applications |                    |       |
| 3 Life & Physical Sciences <sup>1</sup>  | Please refer to options listed below   |                    |       |
| HIST 1301                                | U.S. History to 1877                   |                    |       |
| HIST 1302                                | U.S. History since 1877                |                    |       |
| GOVT 2305                                | Federal Government                     |                    |       |
| GOVT 2306                                | Texas Government                       |                    |       |
| 1 Social/Behavioral Science <sup>2</sup> | Please refer to options listed below   |                    |       |
| 1 Creative Arts <sup>3</sup>             | Please refer to options listed below   |                    |       |
| 1 Lang., Phil., & Culture <sup>4</sup>   | Please refer to options listed below   |                    |       |
| ACCT 2401                                | Principles of Accounting I             |                    |       |
| ACCT 2402                                | Principles of Accounting II            |                    |       |
| ECON 2301                                | Macroeconomics                         |                    |       |
| ECON 2302                                | Microeconomics                         |                    |       |

Notes:

1. Please select 3 courses from the following: BIOL 1406, 1407; CHEM 1405, 1411, 1412; GEOL 1403, 1404, 1445; PHYS 1401, 1402, 1403, 2425, 2426.
2. Please select from PSYC 2301 or SOCI 1301.
3. Please select from ARTS 1303, 1304, or DRAM 1310.
4. Please select from ENGL 2322, 2323, 2327, 2328, 2332, 2333, any 2000-level foreign language course, or PHIL 1301 or 2306.
5. Students are advised to complete both math courses on this guide prior to transfer, as well as the majority of other courses listed on this guide. Students with overall GPAs of 3.75 or higher are at a better competitive advantage. Mays Business School admits applicants for **summer and fall admission only**.

**\*\*Students interested in completing an Associate of Arts (AA) degree through LSC will need to complete the following course in addition to those courses listed above: PHED 1164.**

This is **not** an official degree plan. It is for advising purposes only and to be used as a guide while taking core and lower-division course requirements at LSC. Please consult with your LSC advisor as well as refer to your transferring institution's major department and current catalog degree plan for more information.
