Drops: Under Section 51.907 of the Texas Education Code, "an institution of higher education may not permit a student to drop more than **SIX** courses, including any course a transfer student has dropped at another Texas public institution of higher education." This statute was enacted by the State of Texas in Spring 2007 and applies to students who enroll in a public institution of higher education as first-time freshmen in the fall 2007 semester or later. Students enrolled prior to fall 2007 are not affected. Any course that a student drops is counted toward the six-course limit unless the student is completely withdrawing from the institution or meets one of the eligibility criteria for a waiver. A "drop" in this instance is considered when a student is dropped or withdrawn from a course after official day resulting in a grade of "W." Please refer to the catalog for any additional information regarding the eligibility criteria for a waiver.
