LSCS Completion Action Plan

1st Year Success

- Common Mandatory New Student Orientation
- Required Student Success Course
- Required Academic Plan
- Standard Early Alert
- Declare program of study in the first year

Improved Placement

- New assessment test and cut-off scores in conjunction with THECB
- Standardized approach to early testing & intervention of high school students
- Mandatory assessment prep as an integrated component of new student registration

DevEd Success

- Require first term & continuous remediation
- Targeted referral options for varied level of placement and accelerated progression
- Scale plan for full adoption of accelerated models based on student level of need

Progress

- Student level tracking
- Intrusive advising or case management intervention system
- Streamline Common Core and assure alignment with university transfer

Completion

- Improve currency of student intent
- Define and track transfer success for students who transfer without a credential
- Auto-Award of credentials
- Targeted program review
- Reverse Transfer with university partners
- Increase entry into workforce courses
