After educating students for more than 40 years, Lone Star College is one of the best choices in the greater Houston area for obtaining higher education credentials. Along with the outstanding choices of associate degrees and certificates, LSCS also provides students with a seamless transfer process to achieve a four-year college degree with one of its many university partners.

Known worldwide for its innovative approach to educating students, Lone Star College System is deeply committed to student success. LSCS student success initiatives, including the Best Start and Texas Completes programs are critical to increasing completion statistics and graduation rates. The success of our students ensures that Houston has a highly-trained and well-educated workforce into the future.
