LONE STAR COLLEGE SYSTEM OPENS DOORS FOR 90,000 STUDENTS.

LSCS is one of the leading community college systems in the nation and a major contributor to the Houston economy with an economic impact of more than \$1.1 billion annually.

This year LSCS was selected by the Bill & Melinda Gates Foundation to lead a five-year statewide alliance of top-performing Texas community colleges in a process to transform higher education policy and student success initiatives called **Completion by Design**. Only four states have been funded in this highly competitive grant project.

Known worldwide for its innovative approach to educating students, Lone Star College System is deeply committed to student success. LSCS student success initiatives, including the Best Start program launched in 2011, are critical to increasing completion statistics and graduation rates. The success of our students ensures that Houston has a highly-trained and well-educated work-force into the future.

The Foundation supports Lone Star College students in their educational pursuits. Participation in **StarGala** helps provide the financial resources to achieve this mission. Thank you!

The LSC Foundation is a non-profit 501(c)(3) organization. Donations are tax deductible to the fullest extent of the law.
