MISSION
The Lone Star College Foundation’s mission is to change lives through student scholarships and quality educational programs achieved by excellence in relationship building, fundraising, and investment management.

MAKING A DIFFERENCE
Your participation in StarGala 2011 makes a difference in the future of a student, the System and your community. Your participation will change our students’ lives, allowing them to receive the education and training needed to secure a quality job in our community. Together, we can make a difference.

LONE STAR COLLEGE SYSTEM
Lone Star College System is recognized as one of the finest community college systems in the nation. Of the 1,200 community colleges in America, LSCS ranks 21st in the production of associate degrees.

From a single college of 600 students in 1972, LSCS is now the largest institution of higher education in the Houston area and the second largest community college system in Texas. More than 69,000 students were enrolled in credit courses for the fall of 2010. LSCS has five comprehensive colleges, six satellite centers, the University Center, and University Park.

Our students and graduates serve our community.

DID YOU KNOW:
• More than 40 percent of area college-bound high school grads begin their college careers with LSCS?
• Community colleges train 2/3 of all nurses and healthcare workers?
• Community colleges train 80 percent of emergency first responders?
