LONE STAR COLLEGE SYSTEM
Lone Star College System is recognized as one of the finest community college systems in the nation. Of the 1,200 community colleges in America, LSCS is the number sixteen producer of associate degrees and number one producer of associate degrees in Texas.

From a single college of 600 students in 1972, LSCS is now the largest institution of higher education in the Houston area and the third largest community college system in Texas. LSCS has five comprehensive colleges, six satellite centers, the University Center, and the new University Park.

Our students and graduates serve our community.

DID YOU KNOW:
• Nearly 40 percent of area college-bound high school grads begin their college-careers with LSCS?
• Community colleges train 2/3 of all nurses and healthcare workers?
• Community colleges train 80 percent of emergency first responders?
