

Alternative Dispute Resolution Clause

1. The dispute resolution process provided for in Chapter 2260 of the Texas Government Code shall be used, as further described herein, by the Lone Star College System (“LSCS”) and Contractor to attempt to resolve any claim for breach of contract made by Contractor:
 - a. Contractor's claims for breach of this contract that the Parties cannot resolve in the ordinary course of business shall be submitted to the negotiation process provided in Chapter 2260, subchapter B, of the Government Code. To initiate the process, Contractor shall submit written notice, as required by subchapter B, to [for the System, the Chancellor; for component institutions, the President] or his/her designee. Said notice shall specifically state that the provisions of Chapter 2260, subchapter B, are being invoked. A copy of the notice shall also be given to all other representatives of System and Contractor otherwise entitled to notice under the Parties' contract. Compliance by Contractor with subchapter B is a condition precedent to the filing of a contested case proceeding under Chapter 2260, subchapter C, of the Government Code.
 - b. The contested case process provided in Chapter 2260, subchapter C, of the Government Code is Contractor's sole and exclusive process for seeking a remedy for any and all alleged breaches of contract by System if the Parties are unable to resolve their disputes under subparagraph (a) of this paragraph.
 - c. Compliance with the contested case process provided in subchapter C is a condition precedent to seeking consent to sue from the Legislature under Chapter 107 of the Civil Practices and Remedies Code. Neither the execution of this contract by LSCS nor any other conduct of any representative of LSCS relating to the contract shall be considered a waiver of sovereign immunity to suit or a waiver of its right to seek redress in an appropriate court of law.
2. The submission, processing and resolution of Contractor's claim is governed by the published rules adopted by the Attorney General of the State of Texas pursuant to Chapter 2260, as currently effective, hereafter enacted or subsequently amended. These rules are found at 1 T.A.C. Part 3 Chapter 68.
3. Neither the occurrence of an event nor the pendency of a claim constitutes grounds for the suspension of performance by the Contractor, in whole or in part.
