## THE PATH TO EXCELLENCE STARTS HERE

The Honors College at Lone Star College offers a wide range of opportunities for honors students—from incoming freshman wanting to graduate with an Honors AA or Honors AS degree, to high-achieving students seeking to graduate with Honors distinction, to students interested in earning individual honors course credit.

The Honors College is designed to meet the needs of high-achieving students seeking to improve their college transcripts and transferability with challenging coursework provided across a broad range of disciplines. Our courses will engage and challenge students inside and outside the classroom through small classes and close interaction with dedicated faculty. Opportunities to enrich the total college experience while at The Honors College include travel, off-campus educational and cultural events, service learning opportunities, conferences and special seminars.

# THE HONORS COLLEGE

The Honors College at Lone Star College offers students the advantages of a small “college within a college,” while still providing access to the extensive benefits available through Lone Star College.

Honors classes provide a unique intellectual and co-curricular experience. Honors College students may earn honors academic course credit by enrolling in honors sections, as well as by working with a faculty mentor on honors contracts.

## Eligibility

Open to new or returning students with at least one of the following:

- A high school GPA of 3.5 on a 4.0 scale.
- 1150 or higher on the SAT (combined math and Reading + Writing).
- 26 or higher composite score on the ACT.
- 3.25 GPA with 9 or more college credit hours.

## Benefits

The Honors College students have access to:

- Scholarships
- Early registration and Honors orientation
- Small, interactive classes and sense of community
- Dedicated Honors faculty and specialized advising
- Participation in local and regional conferences
- Integration of advanced academics with service learning, Model U.N., study abroad and more

- Professional/industry internship opportunities
- Honors designation on transcript
- Opportunity to earn honors graduation distinctions
- Articulation agreements with major transfer universities

## Honors College Fellows

A limited number of incoming freshmen will be admitted as Honors College Chancellor's Fellows. Recipients of this award will receive a scholarship package to pursue a course of study culminating in an Honors AA or AS degree.

## Additional Eligibility Requirements for Honors Fellows

- High school GPA of 3.5 on a 4.0 scale
- Three letters of recommendation
- Writing sample
- Personal interview
- Completed FAFSA/TAFA

## Additional Benefits for Honors Fellows

Fellows receive all the benefits of The Honors College at LSC, plus:

- Honors Associate Degree (AA or AS)
- Award Package to include tuition and fees (up to 15 credit hours of in-district tuition per semester)
- Book Allowance (up to \$600 per semester)
- Allowance (\$600 per semester)
- International travel opportunities

## Curriculum

The Honors College Fellows curriculum is comprised of a two-year, full-time course of study requiring a minimum of 27 honors credit hours toward completion of an Honors AA or Honors AS. The curriculum includes a six-hour course taken during the first semester, as well as additional required honors courses.
