How to Retrieve a Listing of International Studies Courses Available for a Particular Semester

**Step 1:** Enter the semester in which you would like to take the course. Depending on the time of year, you may only be able to search courses for one semester.

**Step 2:** Select the specific campus where you would like to take the class. If you do not have a preference, select “all campuses”.

**Step 3:** If you would like an international studies course in a specific subject enter the subject. If you would like to see a listing of all of the international studies courses offered, Select “greater than or equal to” from the dropdown menu and enter the number zero as the value.

**Step 4:** Select the International Studies box.

**Step 5:** Once you have completed steps 1-4, select this search button. Do not use the one at the top.

Please note: If your search results do not turn up any courses after following the steps above, International Studies courses may not be available for the campus or semester you selected.
