What are these?

Renal arteries
What are these?

R & L Subclavian arteries
What are these?

External iliac arteries
What are these?

R & L axillary arteries
What is this?

Radial vein
What are these?

Brachio-cephalic veins
What are these?

R & L
brachial arteries
What are these?

Internal iliac arteries
What are these?

Internal Iliac Veins
What are these?

Jugular veins
What is this?

Radial artery
What are these?

Renal veins
Aorta
What is this?

Subclavian vein
What is this?

Superior Vena cava
What is this? Axillary vein
What are these? Common iliac arteries
What is this?

Femoral artery
What are these?

Common Iliac veins
What is this? Brachial vein
What are these?

Common carotid
What is this? Ulnar artery
What are these?

External Iliac veins
What is this?

Brachio-Cephalic trunk
What is this? Ulnar Vein
What is this?

Inferior Vena cava
What is this?

Femoral vein
What is this?

Celiac artery
What is this? Superior Vena cava
What is this?

brachial artery
What is this?

Jugular vein
What is this?

Axillary vein
What is this?

Femoral vein
What are these?

Common carotids
What is this?

Subclavian vein
What is this?

External iliac artery
What is this?

Renal vein
What is this?

Subclavian artery
What is this?

brachiocephalic artery
What are these?

Brachiocephalic veins
What is this?

External Iliac vein
What is this?

Inferior vena cava
What is this?

axillary artery
What is this?

Brachial vein
What is this?

Femoral artery
What are these?

Renal arteries
What are these? (L is 3rd branch)
What are these?

External iliac arteries
What is this?

Femoral artery
What are these?

R & L axillary arteries
What is this?

Renal vein
What is this?

Radial vein
What are these?

Brachio-cephalic veins
What are these?

R & L brachial arteries
What are these?

Internal iliac arteries
What is this?

Subclavian vein
What are these?

Internal Iliac veins
What are these?

Jugular veins
What are these?

Brachio-Cephalic veins
What are these?

Common carotids
What is this?

External iliac artery
What is this?

Superior Vena cava
What is this?

Radial artery
What are these? Renal veins
What is this? brachial artery
What is this?

Aorta
What is this?

axillary artery
What is this?

Subclavian vein
What is this?

Superior Vena cava
What is this?

Femoral vein
What is this?

Axillary vein
What are these?

Common iliac arteries
What are these?

Subclavian arteries
What is this?

Femoral artery
What is this?

Axillary vein
What are these?

Common iliac veins
What is this?

Renal artery
What is this?

Brachial vein
What is this?

Inferior Vena cava
What is this?

Brachial vein
What are these? Common carotids
What are these?

External iliac veins
What is this?

Brachio-Cephalic trunk
What is this?

Ulnar Vein
What is this?
Extends to neck.
What is this?

Inferior Vena cava
What is this?

Femoral vein
What is this?

Celiac artery
