LYMPHATIC SYSTEM
Lymph vessels
lymphatic capillaries
thoracic duct
right lymphatic duct
subclavian vein (R & L)
cisterna chyli (deep)
Specialized Organs / Tissues
peyer’s patch
peyer’s patch
spleen
spleen
thymus
Tonsils
lingual tonsil
palatine tonsil
pharyngeal tonsil
lymph node
afferent lymph vessel
capsule
cortical region (cortex)
medullary region (medulla)
reticular connective tissue
germinal centers
Lymph node nodule
lymph sinus
efferent lymph vessel
hilum
lymph node histology
lymphocyte
macrophage
neutrophil
Locations of lymph nodes
abdominal
axillary
cervical
inguinal
pelvic
popliteal
supratrochlear
thoracic
