Research Guide: Current & Controversial Issues

This Guide will help you find information on current issues and controversial, debatable topics. This information will be helpful for papers and projects in which you need to take a side on an issue, such as an argumentative or persuasive English paper about current issues, controversies and debatable topics.

Find Books, eBooks, and Videos

http://www.lonestar.edu/library/
Click on Library Catalog to search for books and AVs.

Social Issues Series of Books:
Within the library collection are several series of books which contain subject overviews (sometimes presenting pro/con viewpoints), chronologies, documents, and references. Searching the catalog for a list of the titles within these series will provide you with some ideas. Once you have chosen a topic, these books are wonderful sources of information.

Use the Series Keyword menu and type in the title of the series (listed below).

- At Issue
- Opposing Viewpoints
- Contemporary World Issues
- Current Controversies
- Taking Sides

Find Articles

To find journal articles, go to http://www.lonestar.edu/library/article-databases.htm and click on Current Issues.

Try these databases first:
- Academic Search Complete
- CQ Researcher
- Issues & Controversies
- Opposing Viewpoints
- Newspaper Source
