Research Guide: U.S. History since 1877

“Topics include western expansion, industrialization, immigration, imperialism, economic, political and social developments, the wars of the 20th century, and the changing status and conditions of women and minorities.” - Dr. Steven Prewitt.

This guide provides options to start the research process of finding materials in U.S. history.

Find Books, eBooks, and Videos

To find U.S. History-related books in the library catalog, go to http://www.lonestar.edu/library/ and click on Library Catalog. Then, in the Keyword Anywhere search box, type the relevant term/s.

U.S. History since 1877 books can be found on the second floor shelves with these Call Numbers:
