April 2016

April 6, 2016 Biotech Research at Lone Star College
Discover groundbreaking research and scientific experiments from students at the Biotechnology Institute at LSC-Montgomery. Dr. Daniel Kainer, director of the institute, knows how to take his talented students and spur them on to greatness.

April 13, 2016 The Battle of San Jacinto
Commemorate San Jacinto Day coming up on April 21 with historian Dr. Eddie Weller who enlightens us about the Texas Revolution and the crucial role this legendary clash played in securing Texas Independence.

April 20, 2016 Ground Yourself for Earth Day
Irene McDonald, meditation instructor, demonstrates simple practices that will help you achieve mindfulness and serenity on this everything-but-calm planet.

April 27, 2016 Meet Therapy Horses from SIRE
Learn how these noble creatures can help those with disabilities or those in need of a little extra loving care. Natalie DeJong will bring her horses to campus for this special visit. She is a trainer at SIRE Houston’s Therapeutic Equestrian Centers, a charitable organization. More details about SIRE at http://sire-htec.org. Meet outside the library between CASA and the library.

LIFE Workshops

Life is learning.

Let us make it inspirational.

Come to the library to listen, learn and participate.

We have adult programs for all kinds of interests. Join us every Wednesday from 10 – 11 a.m. in LRNC 131.

Sign up for the Library eUpdate, our weekly email reminder about events and programs, at LoneStar.edu/library/16099
