This is an exciting time at Lone Star College-North Harris. As we enter into our 45th year of serving the community, we continue to expand our programs and facilities for students of all ages. Last semester, we opened our newest instructional building, the Construction and Skilled Trades Technology Center, and are currently involved with the Rebuild Houston initiative. This multi-phase project includes the build-out of new training labs at multiple LSC campuses, including LSC-North Harris and LSC-Victory Center, and the development of 16 new, construction-based training programs in residential, commercial and industrial construction. We offer our Academy of Lifelong Learning (ALL) for those adults age 50-plus who have a desire to keep learning and this summer, will host Discovery College on our campus for our younger learners, ages six to 17.

Since 1973, the mission of LSC-North Harris has remained unchanged: to offer access to a quality, affordable education for a diverse population. That means we strive to provide the best value for:
- Students who plan to continue their education at a four-year college or university
- Those who are career-minded and seeking employment upon graduation
- Adults and veterans seeking a wider range of skills and knowledge for a career change or advancement

Throughout our college, you will encounter outstanding people - faculty who engage our students in the classroom, dedicated staff who support the educational goals of students, and, of course, our students. LSC-North Harris students range in age, background, experience and ability, but all come with the same fundamental goal: to learn.

The college offers a broad range of activities for students and the community. You can see award-winning plays or art exhibits, enroll the kids in summer camps or take a course through our Continuing Education department.

I invite you to take advantage of all that LSC-North Harris has to offer.

Best wishes,

Gerald F. Napoles, Ph.D.
President, Lone Star College-North Harris

Campus Health and Safety

In compliance with federal and state requirements, all new students are required to complete the LSC Student Campus Health, Safety and Risk-Management Awareness (CHSRMA) online modules by November 3, 2017. Access the modules at LoneStar.edu/CampusHealthSafety.

Smoke-Free Environment

LSC-North Harris and its centers are tobacco, e-cigarette and smoke-free campuses.

Open Carry/Campus Carry Law

Campus carry legislation is now in effect at state colleges, universities and community colleges. If you are not familiar with Senate Bill 11, the “campus carry” law, additional information is available on the LSC Campus Carry Web Site – LoneStar.edu/CampusCarry.

Frequently Asked Questions

• A LTC holder is not required to show it or her license unless directed by a law enforcement officer.
• A LTC holder who chooses to carry is personally responsible for any injury or damage as a result of the use of his/her handgun.
• Concealed carry by an LTC holder is allowed, but open carry is still illegal. Only the concealed carry of handguns are allowed. Rifles, shotguns and knives with a blade longer than 5.5 inches are illegal.
• Handgun must be carried concealed and in a holster.
• Accidental or negligent discharge of a handgun by any employee or student may be cause for disciplinary action, up to and including termination (for employees) and expulsion (for students). There may also be criminal action taken if applicable.

The Honors College

The Honors College offers top-achieving students a more challenging academic environment while still providing access to the extensive benefits available through LSC-North Harris. This research-based program offers a wide range of opportunities for honors students each semester—from international travel, to small interactive classes with dedicated Honors faculty, to attendance at prestigious academic research conferences.

Library Services

Our library provides our students and community with an extensive range of resources and services, multimedia and more than 55,000 books and 29,000 ebooks. We also partner with the Harris County and Montgomery County Public Libraries, allowing students unlimited access to millions of additional materials as well.

Get Involved

Student Life is committed to enhancing students’ academic programs of study and their overall educational experience through development of, exposure to, and participation in social, cultural, intellectual and recreational activities. Throughout the year, students participate in campus festivals, concerts, lectures and sporting events, all designed to help them have a well-rounded college experience. Visit the Office of Student Life at LoneStar.edu/student-activities-nharris for a list of clubs, organizations and activities.

The Honors College is open to new or returning students with one of the following:

High school GPA of 3.5 on a 4.0 scale
