I thank you for your interest in Lone Star College-North Harris. The LSC-North Harris family is made up of world-class faculty and staff that value diversity, exceptional teaching, and life-long learning. We are nationally recognized, globally connected, and locally focused. We are truly committed to your success.

We know your time is valuable, and that you have many choices and responsibilities in life. We are here to help you set your goals, make a plan, get connected, and stay involved in your educational journey. Your success is our success.

We offer top-notch instruction and training at LSC-North Harris, LSC-Greenspoint Center, LSC-Victory Center and via our online classes. If you are looking to earn a certificate or degree, study courses leading to transfer to a four-year university, refresh your skills, or enroll in leisure learning classes, we have what you need. If you are interested in joining a student club, need help with your classes or want to meet new people, we have a variety of student support services and activities for you.

On a personal note, I attended a community college and it truly transformed my life. I had the good fortune to meet some faculty who believed in me and gave me hope. As a result of my community college experience, I had many great opportunities open up for me, and eventually earned my bachelor’s, master’s, and doctoral degrees. It is truly my honor to be a member of this great organization with incredible leaders in the classroom and offices throughout our campuses. I look forward to serving you.

Best wishes,

Gerald F. Napoles, Ph.D.
President
Lone Star College-North Harris

Part of the fast-growing Lone Star College, LSC-North Harris opened its doors in 1973. Known then as North Harris County College, it was the first and founding college of the Lone Star College System. Today the campus sits on 200 acres of piney woods and enrolls upwards of 18,000 students each semester, with another 4,000 students taking advantage of the college’s continuing and technical education classes and leisure learning opportunities.

Lone Star College-Greenspoint Center

LSC-Greenspoint Center is a state-of-the-art, full-service satellite center designed to serve the greater Greenspoint area. Its proximity to local businesses and public transportation, has created a location ideal for working and non-traditional students. The facility offers a selection of day, evening and weekend credit courses, including university-transfer courses, certificates, computer/office skills, and developmental studies.

Lone Star College-Victory Center

Regardless of the goal, LSC-Victory Center offers programs, classes and support that can lead to victory. A full-service satellite center, it brings the benefits of a first-class community college to the Acres Homes and Inwood Forest communities. The 85,000-square-foot facility offers academic classes, workforce training, adult education, the Victory Early College and more.
**Health Professions Building**
The Health Professions Building is home to many of the college’s health care training programs, including nursing and medical assisting. The facility’s state-of-the-art technology and location near Houston Northwest Medical Center, creates an unmatched experienced for students. Its amenities, combined with our top-notch faculty, prepare students for a successful career in health care.

**CHI LSC-North Harris School of Cosmetology**
Thanks to a unique partnership with global hair-care company, Farouk Systems, the CHI LSC-North Harris School of Cosmetology offers industry-leading training in a variety of cosmetology careers. The school provides flexible certificate programs, with both part-time and full-time classes available. Students also receive hands-on experience at the facility’s salon, which provides discounted services to the public.
Associate Degrees
Lone Star College offers academic transfer degrees designed for students who will ultimately pursue a bachelor’s degree at a four-year college or university. Degree plans for both Associate of Arts and Associate of Science degrees are available, depending on the goal of the student. All students are encouraged to speak with an advisor when choosing a degree plan.
Transfer Center
The Transfer Center at LSC-North Harris is your destination for assistance and advising related to transferring to a university. The center and its staff can help you explore your transfer options and guide you through the process of applying and transferring. It is located on the second floor of the college’s Student Services Building.

Honors College
The Honors College at Lone Star College offers students the advantages of a small “college within a college,” while still providing access to the extensive benefits available through Lone Star College. It offers a wide range of opportunities for honors students—from incoming freshman wanting to graduate with an Honors AA or Honors AS degree, to high-achieving students seeking to graduate with Honors distinction, to students interested in earning individual honors credit.

A limited number of incoming freshmen will be admitted as Chancellor’s Honors College Fellows. Recipients of this award will receive a full scholarship to pursue a course of study culminating in an Honors AA or AS degree. Contact the Honors College office for more information about honors eligibility.

Dual Credit
Dual credit is part of the Lone Star College System’s exceptional admissions program, designed specifically for high school juniors and seniors ready for college-level instruction. Students who demonstrate college readiness on a placement exam can earn college and required high school credits simultaneously by attending classes at their high school, through a Lone Star College campus, or online.
Earn a Degree. Not Debt.

Attending Lone Star College is an affordable option for most students. Our tuition rates are based on residency and can be just 1/5 the cost of a university. If you need help footing the bill, financial aid is available to most students, as are payment plans.
