Than You Think ..................................... 15
Lone Star College-North Harris has been helping students achieve their goals since 1973. At LSC-North Harris, students are encouraged to learn, lead and succeed with help from faculty and staff dedicated to ensuring academic excellence.

LSC-North Harris supports the needs of all learners, and offers countless possibilities through our educational and workforce programs. Our convenient locations and online courses allow flexibility for those balancing school, work or family and who want to take the next step on their educational journey.

As a student, you can take advantage of an array of extracurricular activities, scholarships and networking activities, along with opportunities for personal development. Resources are also available to assist with your success and keep your education affordable and attainable.

As someone who started his higher education as a community college student and now serves as the president of a community college, I am committed to providing the necessary support so you may reach your fullest potential.

Thank you for your interest in LSC-North Harris. I look forward to seeing you on our campus.

Questions? Email me at: NorthHarrisPresident@LoneStar.edu.

Best wishes,

Gerald F. Napoles, Ph.D.
President
Start Close. Go Far.

Lone Star College-North Harris
Part of the fast-growing Lone Star College system, LSC-North Harris opened its doors in 1973. Known then as North Harris County College, it was the founding college of Lone Star College. Today, the campus sits on 200 beautifully manicured acres of piney woods and enrolls upwards of 16,000 students each semester, with another 4,000 students taking advantage of the college’s continuing and technical education classes and leisure learning opportunities.

Lone Star College-Greenspoint Center
LSC-Greenspoint Center is a state-of-the-art, full-service satellite center designed to serve the greater Greenspoint area. Its proximity to local businesses and public transportation has created a location ideal for working and non-traditional students. The facility offers a selection of day, evening and weekend credit courses, including university-transfer courses, certificates, computer/office skills and developmental studies.

Lone Star College-Victory Center
LSC-Victory Center brings the benefits of a first-class community college to the Acres Homes and Inwood Forest communities, offering programs and classes that are convenient, affordable and easily accessible. The 85,000-square-foot facility offers academic classes, workforce training, adult education, the Victory Early College High School and more.
Our nursing and other allied healthcare programs are held at the LSC-Health Professions Building, strategically located next to the Houston Northwest Medical Center, so students can combine real-world experience with a first-rate curriculum. The LSC-North Harris Nursing program is fully approved by the Texas Board of Nursing (BON) and the Lone Star College Associate of Nursing Degrees are accredited by the Accreditation Commission for Education in Nursing (ACEN).

The CHI LSC-North Harris School of Cosmetology brings together the world-renowned methods and products of Farouk Systems, Inc. to the high-demand Cosmetology program at LSC-North Harris. Course offerings include full-time and part-time classes in cosmetology, esthetics, instruction and massage therapy. Students also receive hands-on experience at the facility's salon, which provides discounted services to the public.

A third center, LSC-East Aldine Center, is slated to open in fall 2019 and bring affordable, higher education opportunities to the East Aldine community. Like its sister satellite campuses, the center will be a comprehensive educational campus that provides a mix of academic transfer courses and workforce training programs.
Dual Credit
Aldine and Spring ISD high school juniors and seniors who demonstrate college readiness on a placement exam can earn both college and required high school credits simultaneously through dual credit and early college programs. Call 281.765.7835 or visit LoneStar.edu/DualCredit.

Honors College
The Honors College at LSC-North Harris is designed to meet the needs of high-achieving students seeking to improve their college transcripts and transferability with challenging coursework provided across a broad range of disciplines. Call 281.618.5586 or email NorthHarrisHonors@LoneStar.edu for information about eligibility.

CAST Lab
The CAST Lab is your destination for assistance and advising related to careers and transferring to a university. Here, our staff can help you explore your career and transfer options and guide you through the process of transitioning into a career or transferring to a four-year university.

Services include:
- Resume development and cover letter preparation
- Job search assistance
- Interviewing skills and professional etiquette
- University transfer literature, including brochures, transfer guides, flyers and other information
- Guidance with accessing and understanding the most current university degree plans
- Direct connections to university transfer admission and advising representatives
- Computer workstations to navigate websites with assistance from staff

Visit LoneStar.edu/transfer-nh for more information.
Earn a Degree. Not Debt.

LSC-North Harris students have access to scholarships, grants, loans and work-study options to help pay for college.

Financial aid packages may include more than one type of award. However, the combined total of all awards must not exceed a student’s cost of attendance (COA). If a student’s financial aid package exceeds his/her COA, awards will be adjusted according to federal, state and institutional guidelines.

We encourage students to apply for financial aid by April 1. This gives students the best chance of receiving state aid that is awarded on a first-come, first-served basis. Students must complete the FAFSA each year.

### Deadlines for receiving financial aid:

Campus Life

The LSC-North Harris community is an active and vibrant one. We encourage campus and community involvement, civic responsibility, personal growth and leadership development to help students prepare for life after LSC-North Harris.

The Arts
Established and emerging artists showcase their crafts in one of two art galleries on campus or performing in our 330-seat performing arts theater, making LSC-North Harris a cultural gem in north Houston. Enjoy a variety of performances year-round by our fine choral, music, instrumental, jazz and steel band ensembles. Our drama department also boasts three main-stage productions each year and showcases ballet, jazz and modern dance performances.

Student Life
Student Life is committed to enhancing students’ academic programs of study and their overall educational experience through development of, exposure to, and participation in social, cultural, intellectual and recreational activities. Throughout the year, students participate in campus festivals, concerts, lectures and sporting events, all designed to help them have a well-rounded college experience.

Intramural Sports
LSC-North Harris is represented in the Lone Star College Sport Club Conference, a highly competitive program with sports teams representing each of the five colleges in the system along with area collegiate teams. Students also have access to the campus Health and Wellness Center which offers weight and cardio rooms, gymnasium and aerobic and Zumba classes.

Student Diversity
LSC-North Harris takes great pride in building a college community that values diversity and is reflective of our student body. The Center for Diversity Studies is focused on a guiding principle: rather than merely tolerated, diversity should be celebrated and studied as the mark of a healthy society and learning environment. The Office of Diversity Initiatives also encourages, promotes, and partners with students to advance diversity education programs and activities to build an inclusive and welcoming environment.

Dining Options
The Lone Star Café is a full-service cafeteria and the hub of campus dining. Located in the Student Center, the Lone Star Café offers a wide variety of eat-in or take-out options. Enjoy fresh salads, artisan sandwiches and grilled specialties. For students on-the-go, there are two coffee shops located on campus that offer a variety of quick breakfast ideas, grab and go sandwiches, salads and premium coffee and drinks.

Library
Our library provides students with free access to an extensive range of resources and services, multimedia and more than 55,000 books. Subscriptions to 135,000 online journals and thousands of e-resources including more than 29,000 eBooks are also available 24/7. The LSC-North Harris Library partners with the Harris County and Montgomery County Public Libraries, allowing our students unlimited access to millions of additional resources as well. Students are also encouraged to take advantage of the library’s Learning Center for additional resources.

Makerspace
The library’s third floor is home to the college’s Makerspace. A Makerspace is a “DIY” area where people gather to create, invent and learn by using various tools, software and state-of-the-art technologies such as 3-D printing, robotics, Oculus, Lego Mindstorm and Google Glass.

Veterans Affairs
The transition from military to college can be overwhelming and LSC-North Harris is committed to addressing the distinct needs of our military-affiliated student population. The Veterans Affairs Center at LSC-North Harris liaises with the U.S. Department of Veterans Affairs to assist veterans and their dependents with the application and certification process.

The First Step Is Closer Than You Think

Student Outreach and Recruitment (SOAR)
The Office of Student Outreach and Recruitment is here to help you succeed. Our office and professional team of college navigators provides information to prospective students, parents and the community about all that LSC-North Harris has to offer.

Take the First Step.
✓ Apply for Admission to LSC-North Harris.
✓ Apply for Financial Aid.
✓ Take Pre-Assessment.
✓ Take a College Placement Test.
✓ Get Bacterial Meningitis Vaccination.
✓ Attend New Student Orientation.
✓ Meet with an Adviser.
✓ Register for Classes and Pay.
✓ Become Official. Obtain a Student ID.
✓ Purchase Textbooks Online or at the Bookstore.

High School Visits
Throughout the school year, our team visits high schools on designated “College Days.” LSC-North Harris staff are on-hand to help with application forms, provide information about financial aid, explain academic programs and other support services and campus life activities.

Open House
LSC-North Harris hosts a spring Open House each year. This is a great way to find out all about the college and its academic departments and programs in one place. LSC-North Harris also hosts annual open houses at its centers to showcase their academic programs and offerings.

College Information Nights
On the last Tuesday of each month, LSC-North Harris hosts College Information Nights. Here, college navigators work one-on-one with applicants to fill out the appropriate paperwork needed for admissions, provide campus tours and hold information sessions for students and parents.

We look forward to meeting you!

Campus Tours
Come and see why more than 16,000 students choose LSC-North Harris! Attend a guided tour on designated Fridays, from 8:30 a.m. to 4:30 p.m., by appointment only. Your visit will include a campus walking tour, (so wear comfortable shoes!) a presentation on the admissions process and an opportunity to complete a LSC-North Harris application. Tours last approximately one hour.

To schedule a tour, please contact SOAR at 281.765.7877 or visit LoneStar.edu/SOAR. On your scheduled tour day, please meet us in the Welcome Center located on the first floor of the Student Services Building. There is free visitor parking in Lot K4.

“CAT-5”
Lone Star College is committed to the principle of equal opportunity in education and employment. The college does not discriminate against individuals on the basis of race, color, gender, religion, disability, age, veteran status, nationality or ethnicity in the administration of its educational policies, admissions policies, employment policies, scholarship and loan program, and other college-administered programs and activities.
