Welcome to Lone Star College-North Harris! Whether you are attending college for the first time or completing a degree or certificate, LSC-North Harris has incredible opportunities to help you complete your educational goals. No matter where you are on your academic journey, I am pleased that you chose LSC-North Harris for your education.

Here at LSC-North Harris we continue to grow our programs and expand our facilities. During this academic year, you will see several projects that will enhance your experience as a student. Outside of our classrooms, we saw a transformation of the LSC-North Harris campus this year with the completion of our Construction and Skilled Trades Technology Center. This October, we will celebrate with a grand opening of this building which will serve as a Center of Excellence in the areas of applied technology.

With the addition of the Construction and Skilled Trades Technology Center, we are expanding our program offerings to include Electrical Technology and new to LSC, we will be one of only a handful of community colleges offering a Bachelor of Applied Technology.

We are proud to serve our diverse student population and provide the community with a skilled and educated workforce. There are a myriad of services and extracurricular programs available to you on campus and I encourage you to take advantage of them. The more integrated into the life of the college you become, the more rewarding your time here will be.

It is my hope that you have a great experience at LSC-North Harris – both academically and personally. The faculty and I are here to ensure that your student experience is nothing short of outstanding, so please let us know how we can work together to help you accomplish your goals.

Best wishes,

Gerald F. Napoles, Ph.D.
President, Lone Star College-North Harris

Campus Carry Law

As of August 1, 2017, a Texas License to Carry holder may carry his or her firearm into campus buildings unless it is part of an “exclusion zone” that has been identified by Lone Star College policy or State or Federal law. These exclusion zones are clearly marked. For more information, visit LoneStar.edu/CampusCarr

Frequently Asked Questions

- A LTC holder is not required to show is or her license unless directed by a law enforcement officer.
- A LTC holder who chooses to carry is personally responsible for any injury or damage as a result of the use of his/her handgun.
- Concealed carry by an LTC holder is allowed, but open carry is still illegal. Only the concealed carry of handguns are allowed. Rifles, shotguns and knives with a blade longer than 5.5 inches are illegal.
- Handgun must be carried concealed and in a holster.
- Accidental or negligent discharge of a handgun by an employee or student may be cause for disciplinary action, up to and including termination (for employees) and expulsion (for students). There may also be criminal action taken if applicable.

Campus Health and Safety

In compliance with federal and state requirements, all new students are required to complete the LSC Student Campus Health, Safety and Risk-Management Awareness (CHSRMA) online modules by November 3, 2017. Access the modules at LoneStar.edu/CampusHealthSafety.

The Honors College

The Honors College offers top-achieving students a more challenging academic environment while still providing access to the extensive benefits available through LSC-North Harris. This research-based program offers a wide range of opportunities for honors students each semester—from international travel, to small interactive classes with dedicated Honors faculty, to attendance at prestigious academic research conferences.

Step by step, visit LoneStar.edu/HonorsCollege or email NorthHarrisHonors@LoneStar.edu for more information about eligibility.

Get Involved

Student Life is committed to enhancing students’ academic programs of study and their overall educational experience through development of, exposure to, and participation in social, cultural, intellectual and recreational activities. Throughout the year, students participate in campus festivals, concerts, lectures and sporting events, all designed to help them have a well-rounded college experience. Visit the Office of Student Life at LoneStar.edu/student-activities-nharris for a list of clubs, organizations and activities.

Disability Services

We are committed to providing the physical facilities and academic environment that enable all students to reach their academic goals. Disability services and accommodations, including sign language interpreters or captionist services, are available to eligible students. To request accommodations, visit LoneStar.edu/disability-services.

If you take all online courses and require accommodations, contact the Disability Services provider at your home campus (the campus where you are pursuing your degree). For a list of contacts, visit LoneStar.edu/contact-disability.

Parking Permits

All vehicles must be registered with the college to receive a valid parking permit to park in designated lots (B, C, D, E, F, J, K and L). Order a free permit online at LoneStar.edu/Parking and click the “Get a Student Permit” link.
