MPLC Umbrella License® Producer List

Attached please find the current list of motion picture studios and producers covered under the MPLC Umbrella License. You may show motion pictures and other programs by companies on this list that you rent, purchase, own or borrow.

To verify if a specific title is covered under the Umbrella License, you may wish to consult the Internet Movie Database website www.imdb.com. Simply type in the name of the title you wish to screen. Once you have found the correct selection, scroll down to the "Company Credits" section. Click on "See more". On the Company Credits screen, check to see which company distributes the film in the United States (U.S. Distributor). If the U.S. Distributor is listed on the attached producer list, the title is covered by the MPLC Umbrella License.
