Mission:
The goal of the Behavioral Intervention Team (BIT) is to promote a safe environment for all students, faculty, and staff by identifying and responding to students displaying concerning behaviors on campus.

Purpose:
The Behavioral Intervention Team (BIT) is designed to

- Provide consultation and support to faculty, staff and administration in assisting students who display concerning behaviors.
- Gather information to assess situations involving students who display concerning behaviors.
- Recommend appropriate intervention strategies or disciplinary sanction.
- Connect students with needed campus and community resources.
- Monitor ongoing behavior of students who have displayed concerning behaviors.

Examples of Concerning Behaviors

- Behavior which regularly interferes with classroom environment or management
- Notable change or significant drop in academic performance
- Notable change in behavior or appearance
- Poor decision-making and coping skills
- Anger management problems; low frustration tolerance
- Impairment of thoughts - verbally or in writing
- Overly aggressive behaviors toward others
- Inappropriate or unusual behavior
- Writings and comments endorsing violence; unusual interest in violence
- Direct or indirect threats to hurt self or others - verbally or in writing

How to make a referral

To make a referral, submit an incident report by accessing the BIT webpage online at LoneStar.edu/bit. You will be asked for basic information about the student, how to contact you (in the event the BIT has follow-up questions) and for a description of the incident.

If you have any questions regarding a student’s behavior, feel free to contact BIT at TCBIT@LoneStar.edu.
