Please address the following.

Give a brief abstract describing your service learning course (200 words or fewer).

Explain how this service learning course will integrate reflection and meaningful civic engagement. Focus on how the learning outcomes from your syllabus will be met by civic engagement.

Explain any alternative options for students opting not to participate in the service learning component of the course.

Syllabus Sample

Attach a sample syllabus for your proposed service learning course. Although the attached syllabus does not have to be finalized, it does need to show how the instructor plans/sees the new structure of the course as it pertains to the learning signature in the proposal. Keep in mind that the Service Learning Taskforce will be looking for collaborative learning, student interaction, teamwork, and intervention strategies.

Please send completed form to Ronnie Nespeca at RNespeca@LoneStar.edu

-Deadline for submission is two weeks prior to download of the schedule for which the course is to be offered.-
