

PRESENTATION

100 Points

Instructions

- Create a 3-5 minute presentation about yourself and your 5 year career and lifestyle goals.
- Support your presentation with visual technology such as: PowerPoint, Prezi, or Movie Maker.
- The presentation must contain all the elements stated below:

1. Who are you? {Discover Your Uniqueness}

- Personality: Describe your personality using the **4 initials** from your ***Do What You Are (DWYA)*** assessment that you took previously. Use the initials and the words that define the initials. How does your personality fit the career you have chosen?
- Interests and Values: Tell about your interests and values and how these fit your chosen career.
- Family, Friends, Pets: Share some pictures and information about your family and friends and pets.

2. Where are you going? {Set a goal}

- Describe your career choice. Use your career research to include:
 - Job Title, uniform, and Salary range
 - Type of company you might work for
- Where will you live?
 - Country, state, city
 - What is the availability of your chosen career in this location
 - Vision of your dream home
- Dream Vehicle: What is your dream automobile, motorcycle, etc.?
- Family plans: What are your plans for family and how will your plans affect your career choice?

3. How will you get there? {Make a plan}

- Match your career with an education major.
 - What will you major in to complete your career choice?
 - Education goal – What Degree is required for this career? How long will it take?
 - Transfer plans – where will you go from here?
