

Peer Review: Draft of Essay #1

1. What is the main idea or thesis of the writer in the draft? Put it in your own words as best you can.
2. Where in the draft do you need more explanation about anything? How so? Be precise about where you need this information or where and why you are confused at a certain point.
3. What details from the tales do you think the writer might have considered discussing in light of his/her thesis in order to support it better?
4. Is the writer using correct MLA style to cite any quotations or other parts of the tales or critical material (e.g., Bettelheim)? YES or NO. Circle one. If NO, what is the problem? Explain.
5. What else would improve the essay? Be specific. Use other side as needed.
