**Notes/Comments:**

- EDUC 1300 is required for First Time in College (FTIC) students only.
- Many Workforce Programs (AAS degrees) at LSC require at least 15 hours of general education (core curriculum courses) to complete degree requirements. Students will also need to satisfy additional core curriculum requirements to become “core complete” to earn the Bachelor of Applied Arts and Sciences in Applied Administration at UHD. Student may be able to complete additional core courses at Lone Star College prior to transferring to UHD or during summer semesters. Students are strongly encouraged to consult with an advisor at UHD regarding maximum transferrable credit hours.
- Choose 2 courses from the following Technical Electives in Concentration: ENGR 3346, ENGR 3350, ENGR 4350, ENGR 4355, ENGR 4370 or ENGR 4381

**NOTE:** There may be some minor changes in courses due to recently approved course updates.
