

Family & Consumer Sciences

The Department of Family and Consumer Sciences is dedicated to providing students with intellectual and professional skills relating to family and individual needs. The curriculum aims to provide students with the breadth and depth of competencies needed within the various professional fields associated with the department as they enter a global marketplace.

For the Family and Consumer Sciences Program, employment opportunities for graduates include but are not limited to:

- Sales Representative for Consumer Products
- County Extension Agent
- Event Planner
- Retail Merchandiser for Interior Furnishings
- Fashion Merchandiser
- Retail Store Manager
- Retail Apparel Buyer
- Food Service/Restaurant Manager

Students may be eligible for an Associate's degree from Lone Star College System after their first two years of study. Please see your Lone Star College advisor to check the requirements or refer to your LSC-Catalog pages 86-87. A maximum of 66 hours may transfer from a community college. The BS degree requires a minimum of 120 credit hours.

LSCS and the partner universities provide equal employment, admission, and educational opportunities without regard to race, color, religion, national origin, sex, age or disability.

The staff members in the Academic Student Services Office at the LSC-UC assist all students in determining which program of study to pursue. This includes providing information about the variety of programs available, reviewing transcripts to aid in identifying any courses to be completed before entering the program of choice, and serving as liaison between the student and university program representatives. Students who have already earned an Associate's degree or have a substantial number of college academic credit hours should contact the Academic Student Services Office for advising and to begin the transfer admission process for the university offering the degree program they desire to pursue.

This brochure was created by the Academic Student Services Office based on information from the partner university.

For more information, please contact the Academic Student Services Office at the LSC-University Center:
