Notes/Comments (AAS in Computer/Digital Technology Area of Study at LSC to BAAS with Network and Security Concentration at UHV):

- (1) EDUC 1300 is required for all First Time in College (FTIC) students at Lone Star College. If not FTIC, take COSC 1301 (less than 5 years old) to satisfy institutional requirement at UHV. Students who are FTIC are still required to complete COSC 1301.
- (2) If this course was completed as part of AAS program, select remaining core curriculum courses. AAS degrees at LSC require at least 15 hours of general education (core curriculum) for completion. Students also need to satisfy additional core curriculum requirements to become "core complete" to earn the BAAS at UHV. Students can take these courses at Lone Star College or UHV. Completion of COSC 1336, COSC 1337, and ENGL 1302 (prerequisite for upper division ENGL at UHV) at LSC is recommended prior to transfer. Students should consult with an advisor regarding UHV maximum transfer hours.
- (3) Select 2 courses from the following: COSC 3315, COSC 3317, COSC 4305, COSC 4320, COSC 4336, COSC 4341, COSC 4355
- (4) Choose upper-division COSC courses in multimedia animation, graphics and gaming, with advisor approval.
