The VetSuccess on Campus program is a collaborative effort between the Lone Star College System (LSCS) and the Department of Veterans Affairs (VA) with the purpose of providing a supportive on-campus environment for student veterans and their dependents. Services provided will enable them to make a smooth transition to college life and successfully complete their educational programs.

The VA has placed a full-time, experienced Vocational Counselor on the LSC-University Park campus. This counselor will serve as a “one-stop liaison” for veterans, active duty military and their eligible family members who attend or plan to attend one of the Lone Star College System’s campuses.

Your VetSuccess on Campus Counselor can assist you with:

- Information on VA educational benefits to include: Montgomery G.I. Bill (Chapter 30), Post 9/11 G.I. Bill (Chapter 33), and other VA and non-VA educational benefits
- How to apply for and maximize your VA educational benefits should you be eligible for more than one benefit
- Understanding and applying for Vocational Rehabilitation & Employment (Chapter 31)
- Vocational exploration and career counseling services
- Job placement assistance and referrals to state employment agencies and services
- Information on applying for other VA benefits to include disability compensation, Life Insurance and Home Loan Guaranty
- Assistance with electing healthcare benefits through the Veterans Health Administration
- Information and referrals for VA medical and mental health services
