ACCT 2302	Principles of Accounting II		
ECON 2301	Macroeconomics		
ECON 2302	Microeconomics		
BCIS 1305	Business Computer Applications		

Notes:

1. Please select any 2 LSCS core Life & Physical Sciences courses.
2. Please select any LSCS core Creative Arts course.
3. Please select any LSCS core Language, Philosophy, & Culture course.
4. Students must have a minimum 3.0 overall GPA in last 60 hours attempted in all college-level coursework (including any repeated courses). Transfer students admitted to UH with 45 or more credit hours who do not meet the minimum 3.0 GPA requirement are not eligible to change their major to Business at a later time.
5. The BBA degree program at UH-Main campus is a **daytime** program - a **very limited** number of early evening and online courses are offered. Students who wish to complete their degree primarily at night, on weekends, or at home should consider other schools to pursue their degree at, including other UH-System campuses. Full-time status once admitted is strongly recommend.

****Students interested in completing an Associate of Arts (AA) degree through LSC will need to complete the following course in addition to those courses listed above: PHED 1164.**

This is **not** an official degree plan. It is for advising purposes only and to be used as a guide while taking core and lower-division course requirements at LSC. Please consult with your LSC advisor as well as refer to your transferring institution's major department and current catalog degree plan for more information.
